This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The Chaucer Society.

Editor to Chief — F. J. Furnivall, 3, St George's Sq., Primrose Hill, N.W.

To do honour to CHAUCER, and to let the lovers and students of him see how far the best accredited Manuscripts of his works differ from the printed texts, this Society is founded. There are many questions of metre, pronunciation, orthography, and etymology yet to be settled, for which more points of Manuscripts are wanted, and it is hardly too much to say that every line of Chaucer contains points that need reconsideration. The Founder's proposal is to begin with *The Canterbury Tales*, and give of them (in parallel columns in Royal 4to) six of the best accredited Manuscripts known. Economy also as the parallel arrangement will necessitate the alteration of the places of certain tales in some of the MSS, a print of each MS will be issued separately, and will follow the order of its original. The first six MSS to be printed are the Ellesmere (by leave of the Earl of Ellesmere); the Hengwrt (by leave of W. W. E. Wynne, Esq.); the Cambridge Univ. Libr., MS Dd. 4. 24; the Corpus, Oxford; the Petworth (by leave of Lord Leconfield); and the Lansdowne 851 (British Museum).

Of Chaucer's Minor Poems,—the MSS of which are generally later than the best MSS of the Canterbury Tales,—all, or nearly all, the MSS will be printed, so as to secure all the existing evidence for the true text.

To secure the history and uniform treatment of the texts, Mr F. J. Furnivall will read all with their MSS.

The Society's publications are issued in two Series, of which the first contains the different texts of Chaucer's works; and the Second, such originals of, and essays on them as can be procured, with other illustrative treatises, and Supplementary Tales.

The Society's issues for **1868**, in the **First Series**, 9*l*,

I. The Prologue and Knight's Tale, of the Canterbury Tales, in 8 parallel Texts (from the 6 MSS named below), together with Tables, showing the Groups of the Tales, and their varying order in 58 MSS of the Tales, and in 5 old printed editions, and also Specimens from several MSS of the "Moveable Prologues" of the Canterbury Tales,—The Shipman's Prologue, and Franklin's Prologue,—when moved from their right places, and of the Substitutes for them. Now drawith Cutt' for that' is accord
Cometh nere quod he my lady prioresse
And ye Sir clerk lat' be youre shamfastnesse
Ne studieth noght' leye hond to euery man
Anoon to drawe euery wight' bigan
And shortly forto tellen as it' was
Were it' by auenture or by sort or cas
The sothe is the Cutt' fel to the knyght
Of' which ful blythe and glad was euery wight
And tellen he most his tale as it' was resoun
By forward and by composicioun
As ye han herd what' nedith wordes moo
And whanne this gode man sawe that' it' was soo
As he that' wys was and obedient'
To kepen his forward by his fre assent'
He seide sithen I shal bigynne the game

THE CHAUCER SOCIETY'S PUBLICATIONS.

To do honour to CHAUCER, and to let the lovers and students of him see how far the best imprinted Manuscripts of his works differed from the printed texts, this Society was founded in 1868. There were then, and are still, many questions of metre, pronunciation, orthography, and etymology yet to be settled, for which more proofs of Manuscripts were and are wanted; and it is hardly too much to say that every line of Chaucer contains points that need reconsideration. The founder (Mr Furnivall) began with *The Canterbury Tales*, and has given of them (in parallel columns in Royal 8vo) six of the best therefore unprinted Manuscripts known. Inasmuch as the parallel arrangement necessitated the alteration of the places of certain tales in some of the MSS, a print of each MS has been found separately, following the order of its original. The first six MSS printed have been: the Ellesmere (by leave of the Earl of Ellesmere); the Hengwrt (by leave of W. W. E. Wynne, Esq.); the Cambridge Univ. Lib., MS Gg. 4. 27; the Corpus, Oxford; the Petworth (by leave of Lord Leconfield); and the Lansdowne 851 (Brit. Mus.). The Harleian 7334 will follow.

Of Chaucer's *Minor Poems*,—the MSS of which are generally later than the best MSS of the Canterbury Tales,—all the available MSS have been printed so as to contain all the existing evidence for the true text.

The *Issues* from the first MS, and the *Prolific* Parallel Text from the 3 best MSS, are now all in type.

To secure the fidelity and uniform treatment of the texts, Mr F. J. Furnivall has read and will read all with their MSS.

Facsimiles of all the best Chaucer MSS, either have been or will be published.

The Society's publications are issued in two Series, of which the first contains the different texts of Chaucer's works; and the Second, such originals of and sources as time has permitted, with other illustrative treatises, and Supplementary Tales.

So whan þ^e^ knyght hath þ*us* hese tale told [leaf 175]
In al þ^e^ route nas þ*er*e 3yng ne old
That he ne seyde it nas a noble story
And worthy for to drawe to memory
And nameli þ^e^ gentilis eu*er*ychon
Our ost lough̄ and swor so mote I gon
Thys goth aryght onbokeled is the male
Let sen now who schal telle a no*þer* tale

Now tellyth 3e sere monk 3yf þ*at* 3e cu*n*ne

The mellere that dronke was al pale
So that a-nethe vp on his hors he sat
He nulde a-vale neythyr hod ne hat
Ne abyde no man for hese curteysye
But in pilat voys he gan to crye
And swor by armys & by blod & bonys
I can a noble tale for thenonys
With whiche he wele now quyte þe kny3t*is* tale
Oure ost saw þ*at* he was dronke of ale
And seyde a-byd Robyn myn leue brothyr
Sum betere man schal telle vs fyrst a nothyr
Onbyd & lat vs werke thryftyly
By goddys soule / q*uod* he þ*at* wele nat I
ffor I wele speke or ellys gon myn wey
Oure ost answerde telle on a delewey
Thow art a fol thy wit is ou*er*come
Now herkenygh q*uod* the mellere alle & some

And þ*er*fore 3if I mys speke or seye

How that a clerk hath set the wryghtis cappe
The reue answerde & seyde stynt þyn clappe 3144

It is a synne & ek a gret folye
To apeyre ony man or hym diffame
And ek to bryngyn whyuys in swych fame 3148

This dronkyn mellere spak ful sone ageyn
And seyde leue brothyr Osewold
Ho hath no wif he is no coukewold 3152
But I seye not þerfore þat þou art on
There ben ful goode wivis manyon
And euer a thousent goode a-ȝens on badde
That knowyst þou wel þyn self / but ȝif þou madde 3156
Why art þou angry with myn tale now
I haue a wif also as wel as þou
ȝit nolde I not for the oxsyn in myn plow
Takyn vp on me more þan I-now 3160
As demyn in myn self þat þou were on

An husbonde schal not ben inquysityf
Of goddis priuyte nor of hese wyf 3164
So he may fyndyn godis foysounn there
Of the remenaunt nedyth not tenquyre
What schalde I seyn But this mellere
He wolde hese wordys for no man forbere 3168
But tolde hese cherlych tale in hese manere
Me thynkyth I schal reherse it here
And þerfore euery gentyl wygh I preye
ffor goddys loue demyth not þat I seye 3172
Of euyl entent but for I mot reherse

Or ellys fallyn sum of myn matere
And þerfore who so leste it not here 3176

Turne ou*er* the lef & ches a no*þer* tale

here endith the prologe/

[*No gap in the MS.*]

& here begy*n*nyth the tale.

WHilho*m* þe*re* was dwelli*nge* i*n* Oxenforde
A ryche gnoff þa*t* gestis helde to borde
And of his craft a carpenter
W*ith* hy*m* þe*re* was dwelly*n*ge a pore scoler
Hadde lernede art but of hese fantasye
Was turned for to lernyn astronomye
And coude a certyn of co*n*clusiounys
To demyn by interrogacyou*n*nys
ȝif that men axsed hy*m* in certeyn hourys
Wha*n* men schulde haue droughte or elle schourys
Or ȝif men axsede hy*m* what schulde be-falle
Of eue*r*y thyng I may not rekene he*m* alle
This clerk was clepid hende nycholas
Of derne loue he coude & of solas

And þus this swete clerk hese tyme he spente
Aftyr hese frendys fyndynge & hese rente
This carpenter hadde weddid newe a wyf
Whiche þat he louede more þan hese lyf
Of eightene 3er sche was of age
Ielous he was & held here narwe in cage
ffor sche was wilde & 3yng & he was old
And demede hym self / ben lyk a coukewold
He knew not catoun for hese wit was rude
That bad men schulde wedde here symylitude
Men schulde wedde aftyr here estat
ffor 3oughte & elde ben oftyn at debat
But sythyn þat he was fallyn in the snare
He muste endure as oþere folk hese care
ffayr was þis 3onge wif & þerwith al
As ony wesele here body gent & smal
A seynt sche werede þ° seynt al of sylk
A barme cloth as whit as ony mylk
Vp on here lendis ful of manye a gore
Whit was here smok I-brouded al be-fore
And ek be-hyndyn on here coller aboute
Of col blak silk with-inne & ek with-oute
The tapes of here white voluper
Were of the same sute of here coller
Hyre filet brod of silk I-set ful hye
And sekyrly sche hadde a lycorous eye
fful smale I-pullede were hese browis to
And þ° were bent & blake as is a slo
Sche was more blysful on to se
Than is the newe pere Ionete tre
And softere than is the wolle of a wedyr
And by here gerdil heng a purs of ledyr
Tassellid with sylk & perlit with latoun [leaf 277]
In al this world to sekyn vp & doun
There is no man so wys that coude thynche
So gay a popelote or swych a wenche

ffull bryght was the schynynge of here hewe
Than in þ^e^ tour/ the noble forgit newe
But of here song it was as loude & ȝerne
As ony swalwe syttynge on a berne
And þer-to sche coude skippe & make game
As ony kede or kalf folwende hese dame
Here mouth was swete as braket or the methe
Or hord of appillis leyd *in* hay or hethe
Wynsynge sche was as is a ioly colt
Long as a mast & vp ryght as a bolt
A broche she bar vp on here lowe coler
As brod as is the bos of a bokeler
Here schois were lasyd on here leggis hye
Sche was a pry*m*role & a piggis nye
ffor ony lord to liggy*n* in hese bedde
Or ek for ony good ȝeman to wedde
Now sere & eft sere so be-fel the cas
That on a day this hendyn Nicholas

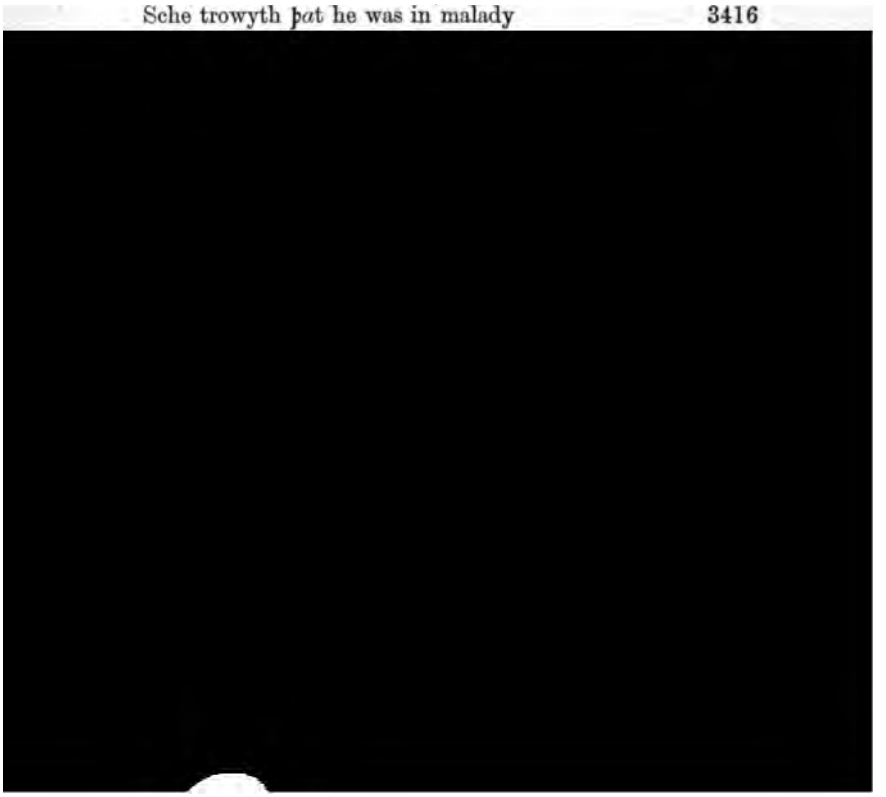
And swor here oth be seynt Thomays of kent
That he wolde ben at hese comaundement
Whan þat sche may here layser wel asspye
Myn husbonde is so ful of Ielousye
That but ȝe waite wel & ben priue
I wot ryght wel I am but ded quod sche
ȝe muste ben ful derne as in þis cas
Nay þerof care ȝe not quod Nicholas
A clerk hadde lethyrly be-set hese while
But ȝif he coude a carpenter be-gyle
And þus they ben acordit & I-sworn
To wayte a tyme as I haue told be-forn
Whan Nicholas hadde don þis euery del
An thakkede here a-boute the lendis wel
He kyssith here swete & takyth hese sautrye
And pleyeth faste & makyth melodye
Thanne fel it thus þat to þ^e^ parich cherche
Crystys owene werkys for to werche
This goode wyf wente on an haly day
Here forehed schon as bryght as ony day
So was it wasschyn whan sche let here werk
Now was þere of that cherche a parysch clerk
The wheche þat was clepid absolon
Crol was hese her & as þ^e^ gol it schon
And strut as a fan large & brod
ffull streyt & euene lay hese Ioly schod
His rode was red hese eyȝyn greye as gos
With poulys wyndow I-korwyn on hese schois
In hosyn rede he wente fetusly
I-clad he was ful smal & properly
Al in a kyrtel of a lyght vachet
ffull fayre & thikke. ben the poyntis set
And þerupon he hadde a gay surplys [leaf 178]
As whit as is the blome on the rys
A merye chyld he was so god me saue
Wel coude he letyn blod & wel schaue

And make a chartere of lond & aquitaunce
In twenty manerys coude he trippe & daunce
Aftyr the skole of Oxenforthe þo
And with hese leggis castyn to & fro
And pleyen songys on a smal rubybe
Therto he song sumtyme a loud quynyble
And as wel coude he pleye on a geterne
In al the toun nas brew hous ne tauerne
That he ne visityd with hese solas
There ony galiard tapstere was
But soth to seyn he was sumdel coymous
Of fartynge & of speche daungerous
This absalon that Ioly was & gay
Goth with a senser on the halyday
Sensynge þe wyuys of the parych faste
And manye a louely lok on hem he caste
And namely on þis Carpenterys wyf
To loke on here he thouȝte a merye lyf
Sche was so propre & swete & lyuynge

[redacted]

fful wel acordaunt to hese geternynge
This carpentire a-wok & herde hym synge
And spak vn to hese wyf & seyde a-non
What alysoun heryst not þou absalon
That schauntyth þus vndyr oure bouris wal
And sche answerde here husbonde þerwithal
3is god wot Ihun I here it euerydel
This passeth forth what wele 3e bet þan wel
from day to day this Ioly Absolon
So wowith here þat hym is wo begon
He wakyth al the nyght & al the day
He kempte hese lokys brode & made hym gay
He wowith here be menys & procage
And swor he wolde ben here owene page
He syngyth brokkynge as a nyghtyngale
He sente here pyment mede & spicede ale
And waferys pipinge hote out of the glede
ffor sche was of tounne he proferede mede
ffor sum folk wele be wonne for richesse
And some for strokys & some for gentillesse
Sumtyme to schewe hese lyghtnesse & maystrie
He pleyeth heroudis vp on a skafald hye
But what auaylyth hym in þis cas
Sche louyth so þis hende Nicolas
That Absalon may blowe the bukkys horn
He ne hadde for al hese labour but a skorn
And sche makyth Absalon here ape
And al hese ernest is turnyd tyl a Iape
fful soth is this prouerbe it is no lye
Men seyth ryght þus the nyght slye
Makyth the chartere lef to be looth
ffor thow that absalon be wod or wroth
Be cause þat he fer was from here syght [leaf 179]
This nyght Nicholas stod in hese lyght
Now bere the wel þou hende nycholas
ffor absalon may wepe & synge allas

And so befel it on a satyrday
This carpenter was gon to Osenay
And hende nycholas & Alysoun
Acordede ben to this conclusioun
That Nicholas schal schapy*n* hy*m* a wile
This sely Ielous husbonde to begyle
And ȝif so be this game wente aryght
Sche schulde slepe in hese armys al nyght
ffor this was here desyr & hese also
And rygh a-non *with*-outyn wordys mo
This nicholas no lengere wolde tarye
But doth ful softe vnto hese cha*m*bere carye
Bothe mete & drynk for a day or tweye
And to here husbonde bad here for to seye
ȝif that he axede aftyr Nicholas
Sche schulde seye he nyste neu*er* wher he was
Of al þe day sche say hy*m* not *with* ye
Sche trowyth þat he was in malady



And at the cha*m*bere dore whil that he stod
He cryede & knokkede as þey he were wod
What how what do ȝe Maystyr Nicholay
How may ȝe slepen al the longe day
But al for nought he herde not a word
An hole he fond ful lowe vp on a bord
There as the cat was wont in for to crepe
And at the hole he lokede in ful depe
And at the laste he hadde of hy*m* a sygh
This Nicholas sat alwey gapy*n*ge vp rygh
As he hadde kykyd on the newe mone
Adou*n* he goth & tolde hese maystyr sone
In what aray he saw this ilke man
This carpenter to blyssyn hy*m* be-gan
And seyde helpe vs seynte frydiswyde
A man wot lytyl what hy*m* schal betyde
This man is falle with hese astronemye
In su*m* wodnesse or in su*m* agonye
I thoughte ay wel how þ*a*t it schulde be
Men schulde not knowe of goddis pr*i*uyte
ȝe blyssede be alwey a lewede man
That nought but only his bileue can
So ferde a nothyr clerk w*i*th astronomye[1]
He walkede in the feldis for to pr*i*e
Vp on the sterrys what þ*e*re schulde befalle
Til he was in a marbil pyt I-falle
He say not that but ȝit be seynt Thomays
Me rewyth sore of hende Nycholas
He schal be ratyd of hese stodying
ȝif that I may be Ihe*s*u heuene kyng
Get me a staf that I may vndyr spore
Whil that þ*o*u robyn hevyst vp the dore
He schal out of hese stodyinge as I gesse
And to the cha*m*bere dore he ga*n*n hy*m* dresse
Hese knave was a strong carl for the nonys
And by the haspe he haf it of at onys

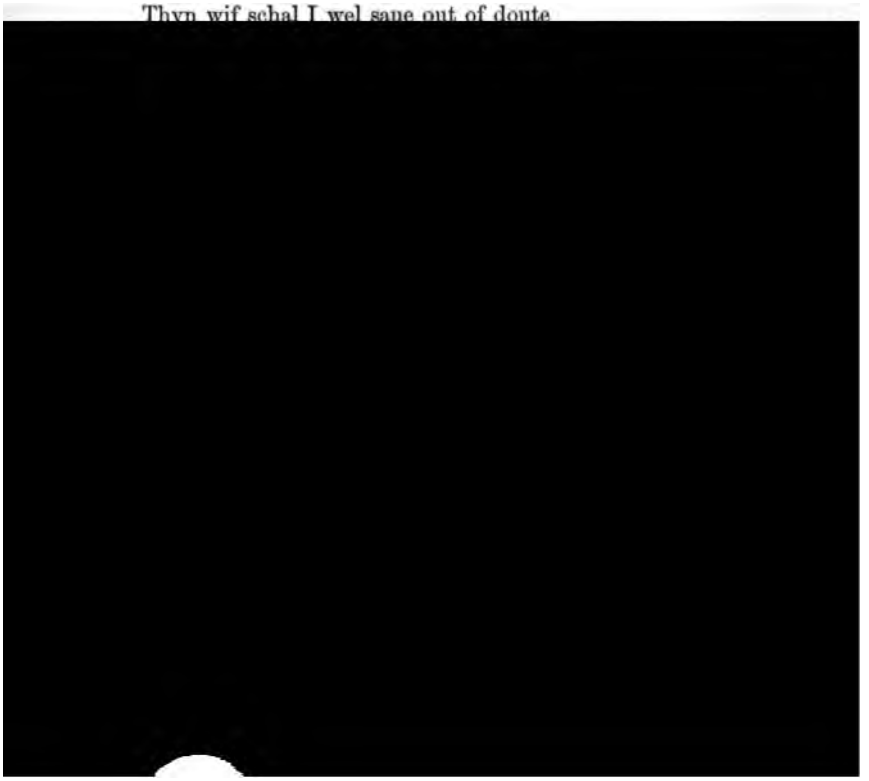
And in the flor the dore lay a-non
This nycholas sat ay as stylle as ston
And euere gapede vpward in to the eyre
This Carpenter wende he hadde [1]ben in dispeyre[1] [1–1 *corrected*]
And hente hy*m* by the schulderis myghtyly
And shok hy*m* harde & cryede dispitously
What Nicholas what how loke adoun
Awake & thynk on crystis pascioun
I crouche the fro*m* elvys & fro*m* whitys[2] [2 *corr. to* whichys]
Therwith the nyght spel[3] a-non ryghtis [3 *corr. to* ffeel]
On foure haluys of the hous aboute
And on the throsschewald of the dore *with*-oute
Ihe*s*u cryst & seynt benedyt
Blysse this hous fro*m* eue*r*y wede wygh
ffor the nyghtis verie / the white pater no*ster*
Where wonyst þou now seynte peterys systyr
And at the laste þis hende Nicholas
Gan for to syke sore & seyde allas
Schal al the world ben lost eftesonys now

That ȝif þou wreye me þou schat ben wod
Nay cryst forbede for hese holy blood
Quod þ° this selye man I nam no labbe
Ne þow I seye I ne am not lef to gabbe
Sey what þou wylt I schal it neuere telle
To chyld ne wyf by hym that harwede helle
Now Iohn quod Nicholas I nyl not lye
I haue I-foundyn in myn astronemye
As I haue lokyd in the mone bryght
That now a moneday nest at quarter nyght
Schal falle a reyn & that so wilde & wod
That half so gret was neuere Noyes flod
This world he seyde in more thn an oure
Schal be drenk so hydous is the schour
Thus schal mankynde drenche & lese here lyf
This carpenter answerede allas myn wif
And schal sche drenche allas myn alysoun
ffor sorwe of this he fel almost a doun
And seyde is there no remedye in this cas
Whi ȝis for gode / quod hende Nichola
ȝif þou wilt werkyn aftyr lore & red
Thow mayst not werkyn aftyr þyn owene red
ffor thus seyth salamon that was for trewe
Werk al be conseyl & þou schalt not rew
And ȝif þou werke wylt be good conseyl
I vndyrtake without mast or sayl
ȝit schal I schaue here & the & me
Hast þou not herd how sauyd was noe
Whan þat oure lord hadde warnede hym beforn
Tha al the word with wayr schulde be lorn
ȝis quod this carpenter ful ȝore ago
Hast þou not herd quod Nicholas also
The sorwe of Noe with hese felauschepe [leaf 181]
E[r] þan he myghte gete hese wyf to schepe
Hym hadde ben lefere I dar wel vndyrtake
Al thilke tyme than hese wederis blake

That sche hadde had a schep here self a lone
And þ*er*to wost þ*o*u what is best to done
This askyth haste & of an hasty thyng
Men may not preche ne make taying
Anon go gete vs faste in to þys in
A knedyng trow or ellys a kemelyng
ffor eche of vs but loke that þey be large
I wheche we mowe sweme as in a barge
And han þ*er*inne vitayle suffyciau*n*t
But for a day fy on the remenau*n*t
The watyr schal aslake & gon away
Aboute pryme on the nexte day
But robyn may not wetyn of this thy*n* knave
Ne ek thym maydyn gille I may not sve
Axe not whi for thow þ*o*u axe me
I wele not telle godis p*ri*uyte
Suffyseth þe but ȝif thy wit maddo
To han as gret a grace as Noe hadde
Thyn wif schal I wel sane out of doute



And þou wit seyn heyl maystyr Nicholay
Good morwe for I se þ^e^ wel for it is day
And thanne schul we be lordys al oure lyue
Of al the world as Noe was & hese wyue
But of a[1] thyng I warne the ful ryght [1 a *later*]
Be wel auysed on þat ilke nyght
That we ben enteryd in to schepys bord
That non of vs ne speke not a word
Ne clepe ne crye but ben in hese preyere
ffor it is goddys owene heste dere
Thyn wyf & þou motyn hangyn fer a twen
ffor that be-twixe 3ow schal ben no syn
No more in lokynge þan þere schal in dede
This ordenaunce is seyd go god þ^e^ spede
To morwe at nyght whan we ben alle aslepe
In to oure knedynge tulbis we schul crepe
And sittynge þere abydynge goddys grace
Go now þyn way I ne haue no lengere space

Men seyth þus / synd þ^e^ wyse & sey no þyng
Thow art so wys it nedyth þ^e^ not teche
Go saue oure lyf & that I þ^e^ beseche
This sely carpenter goth forth hese way

And sche was war & knew it bet þan he

But neuertheles sche ferde as sche wolde day
And seyde allas go forth þyn waye a-non
Help vs to skape / er we ben dede eche on

Go dere spouse & help to saue oure lyf
Lo which a gret thyng is affeccyoun [leaf 182]
Men may deye thour Imagynacyoun

He sykyth with manye a sory swough
And goth & getyth hym a knedyng trough
And aftyr a tubbe & a kemelyn
And pryuyly he sente hem to hese in
And hyng hem in the rof in priuyte
With his owene hand he made ladderys thre
To klymbyn bi þe roungis & the stalkys
On to the tubbe hangynge in the balkis
And hem vitaylede bothe trow & tubbe
With bred & chese with good alle in a tubbe
Suffysynge rygh I-now as for a day
But er he hadde mad al thys aray
He sente hese knaue & ek hese wenche also
Vp on hese nedis to lundene for to go
And on the moneday whan it drow to nyght

There as the carpentyr is wone to lye
There was the reuel & the melodye
And þus lyth alysoun & Nycholas
In besynesse of merthe & of solas
Tyl þat the belle of laudis gan to rynge
And frerys in the schaunsel gunne synge
Thys parich clerk this Amerouse Absalon
That is for loue alwey so wo begon
Vp on the moneday was at oseneye
With cumpanye hym to disporte & pleye
And axede vp on cas a cloysterer
fful priuyly aftyr Ion the carpenter
And he drow hym a part out of the cherche
And seyde I saw here not werche
Syn satyrday I trowe that he be went
ffor tymbyr þere oure abbot hath hym sent
ffor he is wont for tymbyr for to go
And dwellyn at the graunge a day or too
Or elle he is at hese hous serteyn
Where that he be I can not sothly seyn
This absalon ful Ioly was & lyght
And thoughte now is tyme to wakyn al nygh
ffor sekyrly I say hym not sterynge
A-boutyn hese dore tyl day be-gan to sprynge
So mot I the I schal at cokkys crowe
fful priuyly knocke at hese wyndowe
That stant ful lowe vndyr hese bourys wal
To alysoun now wele I tellyn al
Myn loue longynge for ȝit I schal not mysse
That at the leste weye I schal here kysse
Sum maner confort schal I haue parfay
Myn mouth hath ȝechid al þis longe day
That is a sygne of kyssynge at the leste [leaf 183,
Al nyght me mette I was at a feste
Therfore I wele go slepe an oure or tweye
And al the nyght þanne wele I wake & pleye

Whan that the ferste Cok hath crowe a-non
Vp rist this Ioly louere this absalon
And hym arayeþ gay at poyn deuyse
But fyrst he schewith greyn & licorys
To smelle sote er he hadde kemb his her
Vndyr hese tunge a trewe loue he ber
ffor therby wende he to be gracious
He romyth to the carpenterys hous
And stille he stant vndyr the schot wyndowe
Vn to hese brest it raught it was so lowe
And softe he coude with a semy soun
What do ȝe hony komb ȝe swete alysoun
Myn fayre bryd myn swete synamome
Awakyth leman myn & spekyth to me
Wol lytil thynkyn ȝe vp on myn wo
That for ȝoure loue I swete þere I go
No wondyr ist þow I swalte & swete
I morne as doth a lamb aftyr þe tete

And seyde I am a lord at alle degreis
ffor aftyr this I hope þere comyth more
leman thyn grace & swete bryd þyn ore
The wyndowe sche ondoth & that in haste
Haue don quod sche come of & sped þe faste
Lest that thyn neyhebouris þe aspye
This absalon gan wype his mouth ful drye
Derk was the nyght as pouche or as the cole
And out at the wyndowe sche putte here ars hole
And absalon fel neyþer bet noþer wers
But with hese mouth he kyste here nakede ars
fful sauourly er he were war of this
A bakke he styrte & thouthe it was a mys
ffor wel he wiste a woman hadde no berd
He felte a thyng al row & long I-heryd
And seyde fy allas what haue I do
Te he quod sche & claptte here wyndowe to
And absalon goth forth a sory pas
A berd a berd quod hynde Nicholas
Bi goddis corpus this goth fayre & wel
This sely absalon herde euerydel
And on his lippe he gan for angyr bite
And to hym self he seyde I schal þe quyte
Who rubbyth now ho frotyth now hese lippis
With dust with sond with straw with cloth with schippis
But absolon þat seyth ful ofte allas
Myn soule be-take I onto saternas
But me were betere þan al this toun quod he
Of þis dispyt a-wrokyn for to be
Allas quod he allas why ne hadde I bleynt
Hese hote loue was cold & al I-queynt
ffor from that tyme that he hadde kyst his ers
Of paramour he sette not a kres
ffor he was heled of hese maladye [leaf 184]
fful ofte paramouris he gan defye
And wepte as doth a chyld þat is I-bete
A softe pas he wente ouer the strete

Vn·tyl a smyth men clepedyn daun Ieruys
That in hese forge he smethede plow harneys
He scharpith schar & cultyr besyly
This absalon knokyth al besyly 3764
And seyde ondo Geruays & þat a-non
What ho art þou it am I Absalon
What Absalon what crystis swete tre
Whi ryse ȝe so rathe ey benedicyte 3768
What eylyth ȝow sum gay gerl god it wot

Be seynte note ȝe wete wel what I mene 3772
Of al this pley no word he ne spak
He hadde more tow on hese rak

As lene it me I haue þerwith to done

This wele I ȝeuen þ^e ȝif I þ^e kysse
This Nicholas was resyn for to pysse
And thoute he wolde a-mendyn al þ^e Iape
He schulde kysse hese ars er þan he spake
And vp the wyndowe dede he hastyly
And out hese ars he puttyth pryuyly
Ouer the buttok / to þ^e hauȝche bon
And þerwith spak this absolon
Spek swete brid I not where þou art
This Nicholas a-non let flye a fart
As gret as it hadde ben a thondyr dent
And with þ^e strok he was almost I-blent
And he was redy with hese yryn hot
And Nicholas a mydde þ^e ars he smot
Off goth the skyn[1] / an hande brede aboute [1 *corrected*]
The hote cultyr / brende so hese toute
And for the smert he wende for to deye
As he were wod / for wo he gan to crye
Help watyr watyr / help for godys herte
This carpenter / out of hese slombir sterte
And herde on cryen / watyr as he were wod
And thoughte allas now comyth Newel flod [2 ? Nowel]
He sit hym vp with/oute wordys mo
And with hese ax / he smette the corde on to
A doun he[3] fel.[3] he fond no[3] thyng[3] to selle [3 *corrected*]
Neyþer bred ne ale / Ne no thyng elle
Vp on the flor / & þere aswounne he lay
Vp styrte here Alysoun & nycholay
And cryedyn out / harrow in the strete

In ronne for to gauryn on þis man.
That ȝit a swounne he lay boþ^e pale & wan. [Cambridge *stops till l.* 3891.]
ffor with that fal he brusten hath his arme [Sloane MS 1685, leaf 43]
But' stonden he must' vnto his owne harme

Thei tolde eu*e*ry man that he was wood

Thus swyued was the carpenters wyf

¶ Heere bigynneth the prolog' of the Reues Tale. [Sloane MS 1685]

WHanne folk han laughwen at' this nyce cas
Of' Absolon and hynde Nicholas
Dyuerse folk' dyuersely they seide
But' for the more part' thei lough and pleyde
Ne at' this tale I saw no man him greue
But' it' were oonly Oswold the Reue
By cause he was of' Carpenteres craft'
A litel ire is in his herte laft'
He gan to grucche and blamede it a lite
So the yk' quod he ful wel kouthe I ȝou quite
With blering' of a proude mellers ye
If' that' me list' to speke of' rybaudye

This white top writeth myn olde ȝeres
Myn herte is al so mouled as myn heres
But' if I fare as doth an openers
That' ilk' fruyt' is euere lenger the wers
Til it be roten in mullok' or in stree
We olde men I drede so fare we
Til we be roten can we nought' be ripe
We hoppen alweye while the world wil pipe
ffor in oure wille ther stiketh euere a naile
To haue an hoor her / and a grene taile
As hath a leek . for though oure might' be gon
Oure wille desireth folye euere in oon
ffor whanne we may nought' don than wil we speke
ȝit' in oure asshen old' is fire reke
ffoure gledes haue we whiche I shal diuise
Auauntyng'. liyng'. Angre. Coueitise
These foure sparkles longith vnto elde [leaf 40]
Oure olde lymes mowe wel be vnwelde

But wille ne shal not' failen that' is soth [Sloane MS 1685]
And ȝit' haue I alwey a coltes toth 3888
As many a ȝere as it' is passed henne
Sith that' my tappe of lyf' bigan to renne [Sloane extract ends.]
ffor sekyrly whan I was boryn anon [Cambr. MS. *Gg* 4. 27, lf 186]
Deth drow þ^e^ tappe of lyf & let it gon 3892

Sey forth thyn tale & tarye not þ^e^ tyme

Here begynnyth the *[head of painting of the Reeve]* **Reue his tale**

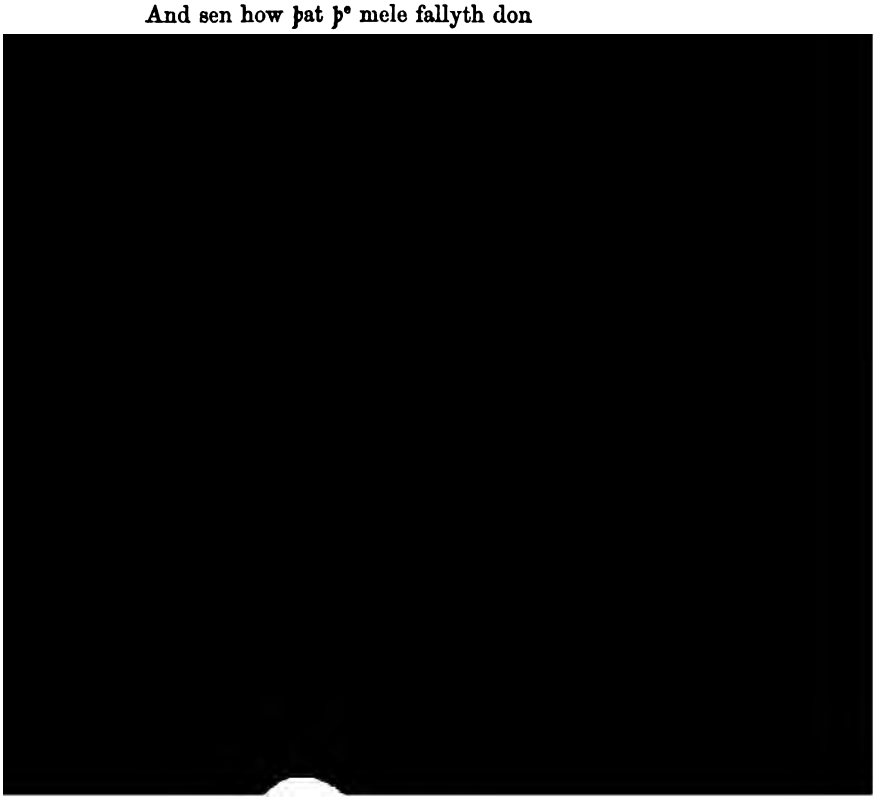
AT Trompyngtoun not fer fram cantabregge [leaf 186, back]
Þere goth a brok & ouer þat a bregge
Vp on þ^e^ which brok þer stant a melle
And this is veray soth þat I ȝou telle
A mellere was þer dwellynge many a day
As ony pekok he was proud & gay
Pype he coude and fyssche and netys beete
And turne cuppis & wel wrestele & schete
Ay by hese belte he bar a long panade
And of a swerd ful trenchaunt was the blade
A Ioly poppere bar he in hese pouche
Ther was no man for peryl durste hym touche
A sheffeld Thwytel bar he in hese hose
Round was hese face & kammede was hese nose
As pelyd as an ape was hese skolle
He was a markat betere at þ^e^ fulle
There durste no wygh hand vp on hym leye[1] [[1] ye *corrected*]
That he ne swor þat he schulde anon a-beye[1]
A thef he was for sothe of corn & mele
And þat a sly & vsaunt for to stele
And his name was hotyn deynous symkyn
A wif he hadde comyn of noble kyn
The persoun of the toun here fadyr was
With here he ȝaf ful many a peny of bras
ffor þat Symkyn schulde in hese blod alye
Sche was fostered in a nunnerye
ffor Symkyn wolde no wyf as he seyde
But sche were wel Inoryschid & a mayde
To sauyn hese estat of ȝemanrye
And sche was proud & pert as is a pye
A ful fayr syghte was it on hem to
On holye dayis be-forn here wolde he ge

With hese typet boundyn a-boutyn hese hed
And sche come aftyr in a gite of red
And symkyn hadde hosyn of the same
Ther durste no wygh clepyn here but dame
Was non hardy þat wente be þe weye [leaf 137]
That durste with here rage or onys pleye
But ȝif he wolde be slayn of symkyn
With panade or knyf or boytekyn
ffor Ielous folk ben perelous euere mo·
Algate þey wolde here wyuys wenden so
And ek for sche was sumwhat smotyrlych
Sche was as dygne as watyr In a dich
And ful of hokyr & of bismerye
Sche thoughte þat a lady schulde here spareye
What for here kynrede & here Norterye
That sche hadde lerned in þe nunnerye
A doughtyr hadde þey be-twixe hem too
Of twenty ȝer with-outyn ony moo

And namely þere was a gret college
Men clepyth þ^e^ soler halle at cantebrege
There was heyre whete & here malt I-grounde
And on a day it happede in a stounde
Sek lay þ^e^ maun*cy*pele on a malady [leaf 187, back]
Men wendyn wisely þat he schulde dey
ffor which this mellere stal bothe mele & corn
An hundere tyme more þan be-forn
ffor þere be-forn he stal but curteysly
But now he was a thef outragyously
ffor whych þe wardeyn schod & made fare
But therof sette this mellere not a tare
He crakyth bost & swor it was not so
þanne were there pore clerkys too
That dwelledyn in þis halle of whiche I seyde
Testyf þey were & lusty for to pleye
And only for here myrthe & reuerye
Vp on þ^e^ wardeyn besily þey crye
To ȝeue hem leue but a lite stounde
To gon to melle / to sen here corn I-grounde
And hardely þey durste leyn here nekke
The mellere schulde not stele hem half a pekke
Of corn be sleyghte ne be forse hem reue
And at þ^e^ laste þ^e^ wardeyn ȝaf hem leue
Ion highte þat on & aleyn hyghte þat oþer
Of on toun were þey born þat hyghte strother
ffer in the north I can not tellyn where
This aleyn makyth redy al hese gere
And on an hors he caste þ^e^ sak a-non
Forth goth aleyn þ^e^ clerk & also Ion
With good swerd & bokeler bi here syde
Ion knew þe weye hem nedyth no gyde
And at þ^e^ melle þ^e^ sak a-doun he leyth
Aleyn spak fyrst alheyl symound in feyth
How farys þyn fayre douȝtyr & thyn wif
Aleyn wolcome q*uod* symkyn be myn lyf

3992 3996 4000 4004 4008 4012 4016 4020 4024

And Iohn also how now what do ȝe here
Symond q*uod* Iohn bi god nede has no pere
He muste serue hy*m* self þ*at* has no sweyn
Or ellis he is a fol as clerkis seyn
Oure mau*n*ciple I hope he wele be ded [leaf 188]
Swa werkis ay / þ^{e} wangis in hese hed
And þ*er*fore is I come & ek aleyn
To grynde oure corn & carie it ho*m* a-geyn
I prey ȝow spede vs hene as ȝe may
It schal be don q*uod* symkyn be myn fay
What wel ȝe don whil þ*at* it is in hande
By god ryȝt by þ^{e} hopyr wele I stande
Quod Ion & sen how þ^{e} corn goth in
ȝit saw I neuere be myn fadir kyn
How þ*at* þe hopir wagis to & fra
Aley*n* answerede & seyde wist þ*ou* swa
Tha*n*ne wele I be beneth bi myn croun
And sen how þ*at* þ^{e} mele fallyth don



Be-hynde þe melle vndyr a leuesel
And to þe hors he goth fayre & wel
He strepith of þe brydil ryght a-non
And whan þe hors was los he gynnyth gon.
Toward þe fen þere wilde marys renne [leaf 188, back]
And forth with wehe þour theke & thorw thenne
This mellere gooth a-3en / no word he seyde
But doth his note & with þe clerkis pleyede
Til þat here corn was wel & fayre grounde
And whan þe mele is salkyd & I-bounde
This Iohn goth out & fynt his hors away
And gan to crye harow & weyleaway
Oure hors is lorn aleyn for godys bonys
Step on thyn foot' Aleyn come of atonys
Allas oure wardeyn has hese palfrey lorn
This aleyn for-gat' bothe mele & corn
Al was out of hese mynde hese hosebondrye
What whedir is he gon he gan to crye
The wyf cam lepynge inward with a ren
Sche seyde alas 3oure hors goth to þe fen
Wyth wylde marys as faste as sche may go
Vn-thank come on hese hand þat bond hym so
And he þat betere schulde a knyt þe reyne
Allas quod aleyn for crystis peyne
Ley doun þyn swerd / & I wele myn al swa
I is ful wy3t god woot as is a raa
By goddis herte / he schal nat skape vs baþe
Whi ne haddist þou pit þe capyl in þe lathe
Ille hayl aleyn be god þou is a fonne
These sely clerkis han ful faste I-ronne
Toward þe fen / bothe aleyn & ek Iohn
And whan þe mellere saw þat þey were gon
He half a buschel of here flour hath take
And bad hese wif gon knede it in a kake
He seyde I trowe þe clerkys were a-feryd
3it can a mellere make a clerkys berd

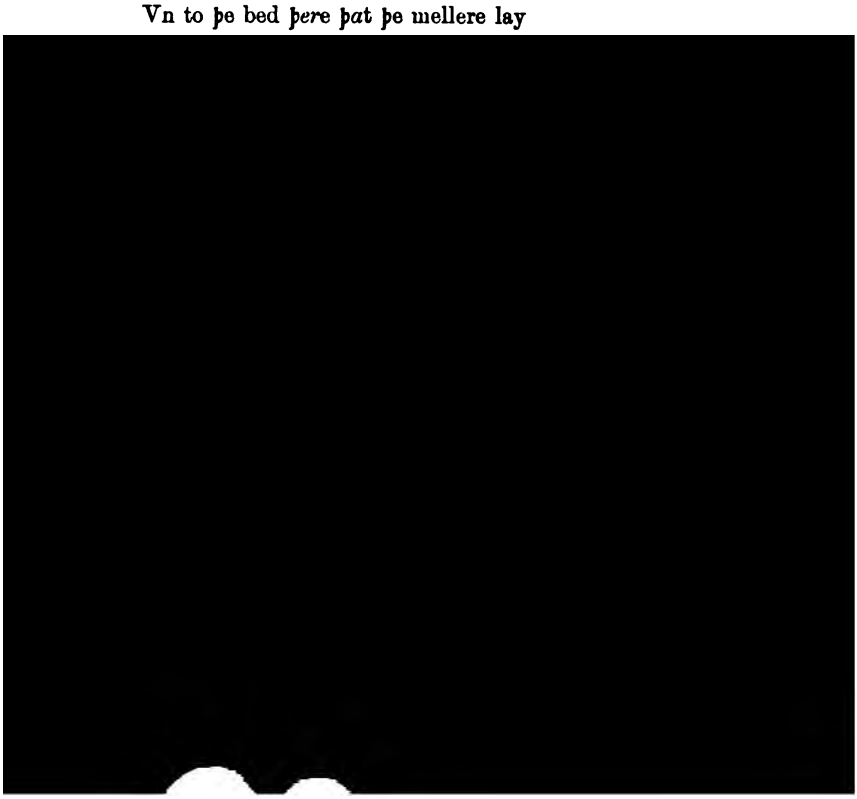
ffor al here art now lat he*m* gon here woye
Lo where he goth *þat* lat þe childery*n* pleye
They gete hy*m* not so ly*ȝ*tely / be myn croun
These sely clerkys renne*n* vp & doun 4100
Wyth kep kep / stand stand stand Iossa ware þe rere [leaf 189]
Ga whystele thow & I schal kepe hy*m*m here
But schortly til *þat* it was veray nyght
They coude not Thow they don al here my*ȝ*t 4104
Here capil cache he ran al wey so faste
Tyl in a dych þey caughte hy*m* at þe laste
Wery & wet as beste is in þe reyn
Comyth sely ion & with hy*m* comyth aleyn 4108
Allas q*uod* Ioh̃n þe day *þat* I was born
Now are we dreuyn tyl hethng & to scorn
Oure corn is stole men wele vs folys calle
Boþe þe wardayn & oure felas alle 4112
And namely þe mellere weyleawey
Thus pleynyth Ioh̃n as he goth be þe wey

And we wele paye trewely at þe folle
With emty hand men may none haukys tolle
Lo here oure syluyr / redy for to spende
This mellere in to þe tounne hese doughtyr sende
ffor ale & bred & rostede hem a goos [leaf 189, back]
And bond here hors it schulde not gon loos
And in hese owene chaumbir made a bed
With schetis & with chalounnys fayre I-spred
Not from his owene bed ten fote or twelve
Hese douȝtyr hadde a bed al by here selue
Rygh in þe same schaumbyr by & by
It myȝte ben no bet & cause why
There was non roumere herberw in þe plase
The soupe & þey speke hem to solase
And dronkyn ay strong ale at þe beste
Aboute medenyȝt wente þey to reste
Wel hath this mellere vernychid hese hed
fful pale he was for-drunke & not red
He ȝyksneth & spekyth þourw þe nose
As he were on þe quakke or on þe pose
To bedde he goþ & with hym goth his wif
As ony iay scho lyȝt was & iolyf
So was here ioly whistele wel I-wet
The cradil at here beddys feet is set
To rokke & to ȝeue þe child to souke
And whan þat dronkyn al was in þe crouke
To bedde wente þe douȝtyr ryȝt a-non
To bedde goth aleyn & ek Iohn
Ther nas no mor hem neded no dwale
This mellere hath so wysely bibbit alle
That as an hors he snortyth in hese slep
Ne of hese tayl ne takyth he no kep
Hese wif bar hym a burdoun a ful strong
Men myȝtyn here hyre route too furlong
The wenche routyth ek par cumpaynye
Aleyn þe clerk þat herde þis melodye

He pokede ion & seyde slepist þou
Herdist þou euere swich a song er now
Lo swich a copil is a-mong he*m* alle
A wylde fyr mote on here bodyis falle
Ho herkenyth euere swich a ferly thyng [leaf 190]
ȝa þey schal haue þe flour of ille endyng
This longe nyȝt þe*re* tydis me no reste
But ȝit no fors al schal ben for the beste
ffor Iohn seyde he as euere mote I thryue
ȝif þa*t* I may þe wenche wele I schryue
Su*m* esement has lawe I-schapyn vs
ffor Iohn þe*re* is a lawe þa*t* says þus
That ȝif a man in a poynt be a-greuyd
That in a noþ*er* he schal ben releuyd
Oure corn is stoli*n* schortly it is non nay
And we han had an ille fit al þis day
And sy*n* I schal ha*n* non a-mendement
A-geyn my los I wele haue eysement

He auntered hym & has hese nedis sped
And I lye as a draf sek in myn bed
And whan þis iape is told a noþer day
I schal ben told a daffe a cokenay
I wele ryse & antere it be myn fay [leaf 190, back]
Vn-hardi is vn-sely þus men say
And vp he ros & softely he wente
Vn to þe cradil & in hese hond it hente
And bar it softe vn to hese bedis feet
Sone aftyr þis þe wyf here routyng let
And gan to wake & lefte for to pysse
And cam a-geyn & gan here cradil mysse
And gropede here & þere / but sche fond non
Allas quod sche I hadde almost mys gon
I hadde al most gon to þe clerkys bed
Ey benedyste þanne hadde I foule I-sped
And forth sche goth tyl sche þe cradel fond
Sche gropede alwey ferþere with here hond
And fond þe bed & thouȝte not but good
Be cause þat þe cradyl by it stod
And nyste where sche was for it was derk
And fayre & wel sche crep in bi þe clerk
And lyth ful stylle & wolde a cauȝt a slep
With-inne a while þis Iohn vp lep
And on þis goode wif he leyth on sore
So merye a fit ne hadde sche ful ȝore
He prikyth harde & sore as he were mad
This ioly lyf han þese too klerkis lad
Tyl þat þe fyrste kok be-gan to synge
Aleyn wex wery in þ^e^ dawenynge
ffor he hadde swonkyn al þe longe nyȝt
And seyde farwel malyn swete wyȝt
The day is come I may no lengere byde
But euere more where so I go or ryde
I is þyn owene clerk so haue I sel
Now dere leman quod sche go fare weel

But er þou go on thyng I wele þe telle
Whan þat þou wendyst homward be þe melle
Ryȝt at þe entre of þe dore be-hynde [leaf 191]
Þou schat a cake of half a buschel fynde 4244
Þat was I-makyd ryȝt of þyn owene mele
Which þat I halp myn fadyr for to stele
And goode leman god þe saue & kepe
And with þat word sche gan almost to wepe 4248
Aleyn vp ryst & thoughte er þan it dawe
I wele gon crepe in by myn felawe
And fond þe cradyl with hese hand a-non
By god þouȝte he al wrong I haue mys gon 4252
Myn hed is toty of myn swynk to nyȝt
Þat makyth me þat I go not' aryȝt'
I wot wel by þe cradyl I haue mys go
Here lyth þe mellere & hese wyf also 4256
And forth he goth a twenty deleway
Vn to þe bed þere þat þe mellere lay



And in þe floor with nose & mouth to-broke
They walwe as don too piggis in a poke
And vp þey gon & don a-geyn a-non [leaf 191, back]
Tyl þat þ^e^ mellere spurnede aȝen a ston 4280
And doun he fyl bakward vp on hese wif
That wiste no þyng of þis nyse stryf
ffor sche was falle a slepe a lyte wyght
With Iohn þe clerk þat wakede al nyȝt 4284
And with þe fal out of here slep sche bryde
Help holy croys of bromeholm sche seyde
In manus tuas lord to þe I calle
A-wake symond þe fend is on vs falle 4288
Myn herte is brokyn allas I ne am but ded
There lyth on vp on myn wombe & on myn hed
Help symkyn for þe false klerkys fyȝte
This Iohn styrte vp as faste as euere he myȝte 4292
And graspith by the walle to & fra
To fynde a staf & sche styrte vp alswa
And knew þe estis betere þan dede þis Iohn
And bi þe wal a staf sche fond a-non 4296
And saw a lytyl schemeryng of a lyȝt
ffor at an hole in schon þe mone bryt[1] [[1] corrected]
And by þat lyȝt sche say hem boþe too
But sekyrly sche nyste ho was who 4300
But as sche say a whit thyng in here eye
And whan sche gan þe whyte þyng espye
Sche wende þe clerk hadde wered a wolyper
And with the staf sche drow ay ner & ner 4304
And wende an hit þes aleyn at þe fulle
And smot þe mellere on þe pylede sculle
And doun he goth harow I deye
These clerkys bete hym wel & lete hym lye 4308
And hastede hem & toke here leue a-non
And ek here mele & on here woye þey gon
And at þe melle ȝit þey toke here kake
Of half a buschel flour wol wel I-bake 4312

Thus is þe proude mellere wel I-bete
And hath I-lost the gry*n*dyng of þe wete
And payed for þe soup*er* eu*er*y del [leaf 192]

That þere may be no lengere taryinge
But forward þey hem drese alle & some

Allas no wondir is it þow sche wepte
That schal be sent in-to straunge nacioun[1] [1 *altered*]
ffor frendys that so tenderely here kepte
And to ben boundyn vndyr subieccyoun
Of on sche knowyth not hese condicioun
Housbondis ben alle goode & han been 3ore

I trowe at troye whan pirrus brak þe wal
Or ylion brende at thebes the cetee

But forth sche muste / where so sche wepe or synge

O fyrste moeuyng crewel fyrmament
With thi dyurnal which þat croudist ay
And hurlyst al from est til occident
That naturally wolde holde a-noþer way
Thi croudyng set þe heuene in swich aray
At þe begynynge of this ferse viage
That crewel mars hath slaye þis maryage

Infortunat ascendent tortuous
Of which þe lord is helpeles falle allas
Out of hese angels in-to þe derkeste hous
O mars o ataȝer as in this cas
O febele mone vn-happi ben thi pas
Thow knyttist þe þere þat art not reseyuyd
There þow were wel from thens art thow weyuyd

Inprudent Emperour of Rome allas [leaf 198, back]

Is no tyme bet þan oþer in swich cas
Of viage is þere non electioun
And namely to folk of high condicioun
Nat whan a rote is of a burthe I-knowe
Allas we ben to lewede & to slowe

Now Ihesu crist be with ȝow alle sche seide[1] [[1] altered from scnde]

And ryȝt a-non sche for here conseyl sente
And they be come to knowe what sche mente
And whan assembelede were þe folk en feere

O feynede woman al that may confforunde
Vertu & innocence thour thyn maleyce

O satan enuyous syn thilke day

Let pryuyly hire conseyl gon here way
What schulde I in this tale lengere tarye
Sche rydith to þe soudan on a day
And seyde he wolde receyue hire lay

That sche muste haue þe crystene folk to feste [1 *altered from* here]
To plesyn hem I wele don myn labour

[*PART II.*]

Aryuede ben these crystene men to londe
In surrey with a gret solempne route
And hastiliche þis soudan sente hese sonde

And seyde hese wyf was comyn out of doute
And preyede hire to ryde a-ʒen þe quene

Of surreynys & romeynys met in fere

The freut of this matiere is þat I telle
Whan tyme cam men thouȝte it for þe beste

And to þe feste cristene folk hym dresse
In general ȝe bothe ȝynge & olde
Here may men feste & rialte be-holde
And deynteis mo þan I can ȝow deuyse
But al to dere they bouȝte it er they ryse

O sodeyn wo that euere art successour
To wordely blysse spreynt with bittyrnesse

Who occupiet the fyn of oure gladnesse
Herkene þis conseyl for thyn sekyrnesse
Vp-on thyn glade day haue in thyn mynde
The onwar wo or harm that comyth be-hynde

ffor schortely for to tellyn at on word
The soudon & the crystene euerychone

But it were only dame custaunce a-lone

That of the conseyl of the soudon wot

And custaunce han they take a-non fot hot

Sothly the comaundour was hee
That from the tempest ay[1] this[1] woman kepte [[1] altered]

Thre ȝer & more how lastyth hire vitayle
Ho fedde þe egipcien marye in þe caue
Or in desert no wiȝt but crist sauns fayle

With louys fyue & fyschis too to feede
God sente hese foysoun at here moste neede

Sche dryuyth forth in-to oure occian

Alle cristen folk ben fled from *þat* cuntre
Thour poynyms *þat* con eredyn al a-boute

Of olde brytunys dwelly in þis yle

Lest *þat* hire husbonde schortly for [to] seyn
Wolde hire for ihesu crist han slayn [[2] *altered*]
Til Custaunce made hire bold & bad hire for to wercho[2]
The wil of crist as doughtyr of hise cherche

The Constabele wex a-baschid of that sy3t
And seyde what amounty[t]h al þis fare

That helpith folk out of þe fendis snare
And so fer forth sche gan oure lay declare
That sche þe Constabele er þan it was eue

But kepte it strongely manye a wynteris space
Vndir alla kyng of al northhumbir londe
That was ful wys & worthi of hese honde

And leyde þe blodi knyf be dame Custaunce
And wente his wey *þere* god 3yf hy*m* myschaunce

ffor as þe lomb toward þe deth is brou3t
So stant this innocent by-fore þe kynge
This false kny3t that hath this tresou*n* wrought
Beryth hire on honde *þat* sche hath don þis thynge[1]
But natheles *þere* was gret mornyng

And louynge hermengild ry3t as hire lyf
Of þis bar witnesse eueryche in that hous

This gentil kyng hath cau3t a gret motyf
Of this witnesse & thoght he wolde enquire
Deppere in this trouthe for to lere

Now god quod he & hise halwis bry3te

Now goode fadyr mercy I ȝow preye
Sende me no more vn-to to non hethenesse
But thanke myn lord here of his kyndenesse

Who can þe pytous ioye tellyn al
By-twexe hem thre syn þey ben þus I-mette
But of myn tale makyn an ende I schal
The day goth faste I wele no lengere lette
These glade folk to dyner þey ben sette
In ioye & blysse at dyner I lete hem dwelle
A thousent fold more þan I can telle

This child Maurice was sythe emperour
Mad bi þe pope & lyuede cristene lyf
To Cristis cherche he dede gret honour
But I lete alle hise storyis passyn by
Of Custaunce is myn tale specially
In þe olde romayn storyis may men fynde
Maurycis lyf I bere it not in mynde

This kyng Alla whan he hise tyme say
With his Custaunce his holy wif so swete
To ingelond ben þey come þe ryȝte way
Where as þey lyue In ioye & in quiete

But lytil while it lastyth I ȝow hete

ffrom day to nyȝt it schaungith as þe tyde 1134

Who lyuede euere in swich delyt a day
That sche ne menede outhir concyence
Or yre or talent or sumkenys a-fray
Enuye or pride or passioun or offence 1138
I ne seye but for þis ende this sentence
That lytyl while in ioye & in plesaunce
Lastith þe ioye of alla with Custaunce 1141

ffor deth þat takyth of high & low hise rente [leaf 210, back]
Whan passede was euene a ȝer as I gesse
Out of þe world þis kyng alla he hente
ffor whom Custaunce hath ful gret heuinesse 1145
Now let vs preyen god his soule blysse
And dame Custaunce finally to seye
Toward þe toun goth hire weye 1148

Chaucer's Canterbury Tales.
FREDERICK J. FURNIVALL.

The Chaucer Society.

Editor in Chief:—F. J. Furnivall, Esq., 3, St George's Square, Primrose Hill, N.W.
Hon. Sec.:—A. G. Sweetmoore, Esq., London Hospital, London, E.

To do honour to CHAUCER, and to let the lovers and students of him see how far the best unprinted Manuscripts of his works differ from the printed texts, this Society is founded. There are many questions of metre, pronunciation, orthography, and etymology yet to be settled, for which more prints of Manuscripts are wanted, and it is hardly too much to say that every line of Chaucer contains points that need consideration. The founder's proposal is to begin with *The Canterbury Tales*, and give of them (in parallel columns in Royal 8vo) six of the best unprinted Manuscripts known. Inasmuch also as the parallel arrangement will necessitate the alteration of the places of certain tales in some of the MSS, a print of each MS will be issued separately, and will follow the order of its original. The first six MSS to be printed are

The Ellesmere (by leave of the Earl of Ellesmere),
The Lansdowne (Brit. Mus.),
The Hengwrt (by leave of W. W. E. Wynne, Esq.),
The Corpus, Oxford,
The Cambridge Univ. Libr., MS Gg. 4. 27,
The Petworth (by leave of Lord Leconfield).

Of Chaucer's Minor Poems,—the MSS of which are generally later than the best MSS of the Canterbury Tales,—all, or nearly all, will be printed, so as to secure all the existing evidence for the true text.

To secure the fidelity and uniform treatment of the texts, Mr F. J. Furnivall will read all with their MSS.

The Society's publications are issued in two Series, of which the first contains the different texts of Chaucer's works; and the Second, such originals of, and essays on them as can be procured, with other Illustrative treatises, and Supplementary Tales.

The Society's issue for **1868**, in the **First Series**, is,

I. The Prologue and Knight's Tale, of the Canterbury Tales, in 6 parallel Texts (from the 6 MSS named below), together with Tables showing the Groups of the Tales and their varying order in 58 MSS of the Tales, and in 8 old printed editions, and also Specimens from several MSS of the "Moveable Prologues" of the Canterbury Tales,—The Shipman's Prologue, and Franklin's Prologue,—when moved from their right places, and of the Substitutes for them.

II. The Prologue and Knight's Tale from the Ellesmere MS.
III. " " " " " " " Hengwrt " 154
IV. " " " " " " " Cambridge " Gg. 4. 27
V. " " " " " " " Corpus " Oxford
VI. " " " " " " " Petworth "
VII. " " " " " " " Lansdowne " 851

God clepith folk to hym in sundery wyse
And euerych hath of god a propere ȝifte
Summe þis some þat as hym lestyth schyfte
Virginite [1]is gret perfeccyoun[1] [1—1 *later*]
And contynens ek with reson
But crist þat of perfeccioun is welle
Bad nat euery wyȝt schulde selle
Al þat he hadde & ȝeue it to þe pore
And in swich wise folwe hym *and* hese foore
He spak to hem þat wolde leue perfytly
And lordyngys by ȝoure leue þat am nat I
I wele be-stowe þe flour of al myn age
In the artys & in þe freut of maryage

Thanne were þey made vp-on a creature
To purge vryne & for engendereure
But I sey not *þat* euery wy3t is holde
That hath swich harneys as I̓ of tolde

They schul nat take of chastite no cure
Cryst was a maydyn & schapyn as a man
And manye a seynt sithe þe world be-gan
3it leuede þey euere in parfyt chastite
I nyl not enuye swych virginite
Let hem be bred of pure whete seed
And lat vs wyuys hote barli breed
And 3it with barli bred mark telle can
That oure lord refroschid manye a man
In swich estat as god clepith vs
I wele *per*seuere I am nat precious
In wyf-hod I wele vse my*n* instrument
As frely as my*n* makere hath it sent
3if I be dangerous god gif me sorwe
My*n* housbonde schal it haue on eue & morwe
Whan *þat* hy*m* lyste come forth & paye hise dette [leaf 21::]
An housbonde wele I haue I nyl nat lette
Whiche schal be boþe my*n* detour & myn thral
And haue hise trybulacio*un* with-al
Vp-on hise flesch whil I am his wyf
I haue þe power dury*n*ge al myn lyf
Vp-on hyse prop*er* body & nogh̄t he
Ryght *þus* thapostele tolde it me
And bad oure housbondys forto loue vs wel
Al þis sentence me likyth euerydel
Vp sterte þe pardoūner & þat a-non
Now dame quod he bi god & by seyn Ioh̄n
3e ben a noble prechou*r* in þis cas

What schulde I it beye on myn flesch so dere
3it hadde I leuere wedde no wif to 3ere

Me nedede not do lengere diligence
To wynne hire loue & don hire reuerence
They louede me so wel by god a-boue
That I ne told no deynte of here loue
As wys woman wele sette hire euere in on
To gete hire loue þere as sche hath non
But sythe I haue hem holy in myn hond
And sithe þey han me 3euyn al here lond
What schulde I take hed hem for to plese
But 3if it were for myn profyt & myn ese
I sette hem so a-werke be myn fey
That manye a ny3t þey sunge weyleawey
The bakon was nat fet for hem I trowe
That some men han in exces at dunmowe
I gouernede hem so wel aftyr my lawe
That eche of hem was blysful & ful fawe
To brynge me gay þyng from þe feyre
They were ful glad whan I spak tyl hem fayre
ffor god it wot I schid hem spitously
Now herkenyth how I bar me properly
3e wise wyuys þat kunne vndyr-stonde
Thus schul 3e speke & bere hem wrong on honde
ffor half so boldely can þere no man
Swere & lye as can a woman
I seye it nat be wyuys þat been wyse [leaf 211]
But 3if it be whan þey hym mysavise
A wis wif 3if þat sche can hire good
Schal bere hym on hande þe cou is wod
And take witnesse of hire owene mayde
Of hire asent but herkenyth how I seyde
Syre olde caynard is þis þyn aray
Whi is myn neyheborys wif so gay

What rou*n*ne ȝe with oure maydenys b*e*nedicite
Sire olde lecho*ur* lat ȝou*r*e iapis be
And ȝif I haue a gossib or a frend
With-outyn gilt þou chidist as a fend

And prechist on þyn bench with euele pref
þou seyst to me it is a gret myschef
To wedde a poore woman for costage
And ȝif sche be ryche & of hey parage
þa*n*ne seyst þou it is a turmeterye
To suffere hire pryde & malencolye
And ȝif þa*t* sche be fayr þou veray knaue

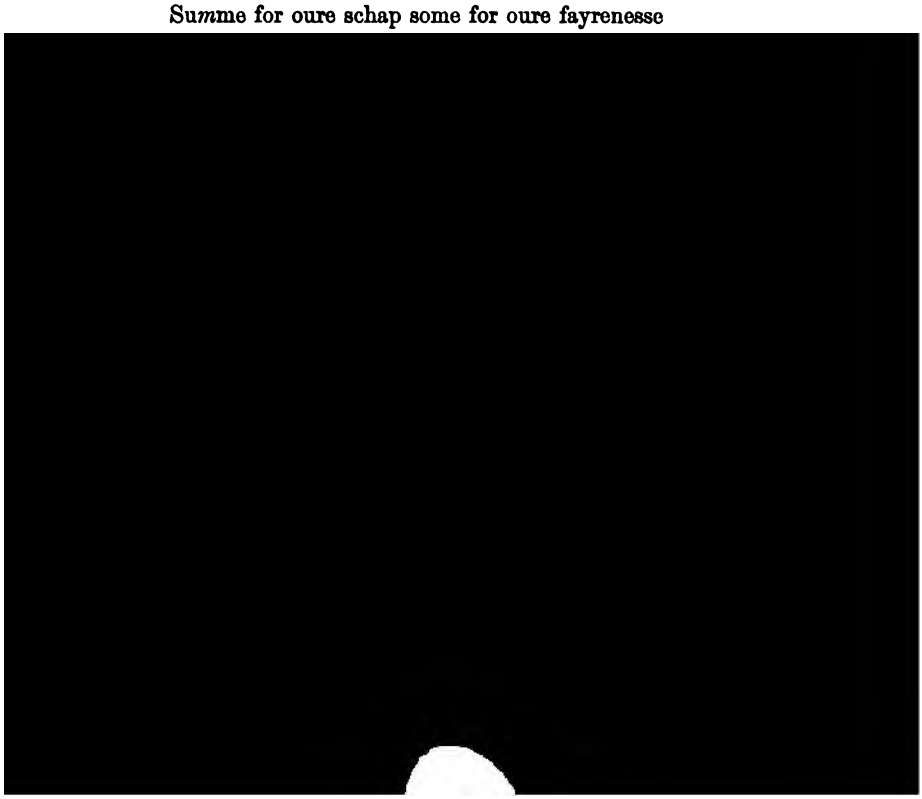
Sche may no while in chastite on byde
That is a-sayled on eche a-syde
þou seyst þa*t* some folk desyry*n* vs for rychesse
Su*m*me for oure schap some for oure fayrenesse



Mote þyn wekede neke be to-broke

And chydyng wyf makyth men to fle
Out of here owene hous a benedicite
What eylyth swich an old man to chyde
þou seyst þat we wyuis wele oure vicis hyde
Til we ben fast & þanne we wele hem schewe
Wel may þat ben a prouerbe of a schrewe
þou seyst þat oxsyn Assis hors & houndys

Basenys lauourys er þan men hem beye
sponys & stolis & alle swich husbondrye
And also cloþis pottys & a-ray
But folk of wyuys makyn non a-say
Til þey ben weddit olde dotard schrewe
Thanne seyst þou we wele oure vicis schewe
Thou seyst also þat it displeseþ me
But ȝif þat þou wilt preyse myn beute
And but þou poure alwey in myn face
And clepe me fayre dame in euery place
And but þou make a feste on þat day
þat I was born & make me frosch & gay
And but þou do to myn noryce honour
And to myn chaumberere with-inne myn bour
And to mynne faderys folkys & mynne alyes
Thus seyst þou olde barel ful of lyis
And ȝit of oure apprentys Iankyn

And for he squyeryth me vp & doun [leaf 215]
ȝit hast þou cauȝt fals suspecioun
I nyl hym not þow [þou] were ded to morwe
But telle me whi hydistow with sorwe
The keyes of myn cheste al day from me
It is myn good as wel as þyn pardo
What wenyst þou to make an ydiot of oure dame
Now by þat lord þat calledo is seynt Iame

Thow schat not bo*þ*e *þ*ow *þ*ou were wood

We loue no man *þ*at take kep or charge
Where *þ*at we gon we wele ben at oure large
Of alle men blyssede mote he bee
The wyse Astrolages dann P*ro*tholomee
That say *þ*is prouerbe in his almageste
Of alle men his wisdo*m* is *þ*e heyeste
That rekyth neuere ho hath *þ*e world in honde
By *þ*is prouerbe *þ*ou schat vndyrstonde
Haue *þ*ou I-now what thar *þ*e reche or care
How meryly *þ*at o*þer*e folkys fare
ffor serteyn olde dotard by 3oure leue

ffor who so wolde senge a cattis skyn
Thanne wolde þe cat dwelle in his In
And ȝif þe cattis skyn be slyk & gay
Sche wil not dwelle in house half a day
But forth sche wele er any day be dawyd
To schewe hire skyn & gon a catirwawid
This is to seye ȝif I be gay sere schrewe
I wele renne a-boute myn borel to schewe
Sire olde fol what eylyth þe to aspien
Thow þou preye argus with hise C eyen
To be myn warde cors as he can best
In feyth he schal nat kepe me but me lest
ȝit I coude make his berd so mote I the
þou seydist ek þat þere ben thyngis thre
Theche thyngis trobelyn al þis erþe
And þat no whit may endure þe ferþe
O leue sire schrewe Ihesu schorte þyn lyf
ȝit prechist þou & seyst þat an hateful wyf
I-rekenede is for on of þese myschauncis
Ben þere non oþere of þese recemblauncis
That ȝe may likene ȝoure parabele to
But ȝif a sely wif be on of þo
þou likkenyst womanys loue to helle
To barayne lond þere no watyr may dwelle
þou likenyst it also to wildefer
The more it brennyth þe more it hath desyr
To consumme euery þynk þat brent wele be
Thow seyst ryȝt as wermys consume a tre
Ryȝt so a wif distroyeþ hire husbonde
That knowyn þey þat ben to wyuys bonde
Lordyngis ryȝt þus as ȝe han vndyrstonde
Bar I stifly myn olde housbonde on honde
That þus þey seydyn in here dronkenes [leaf 216]
And al was fals but þat I tok witnes
On Iankyn & on myn nece also
O lord þe peyne I dede hem & þe wo

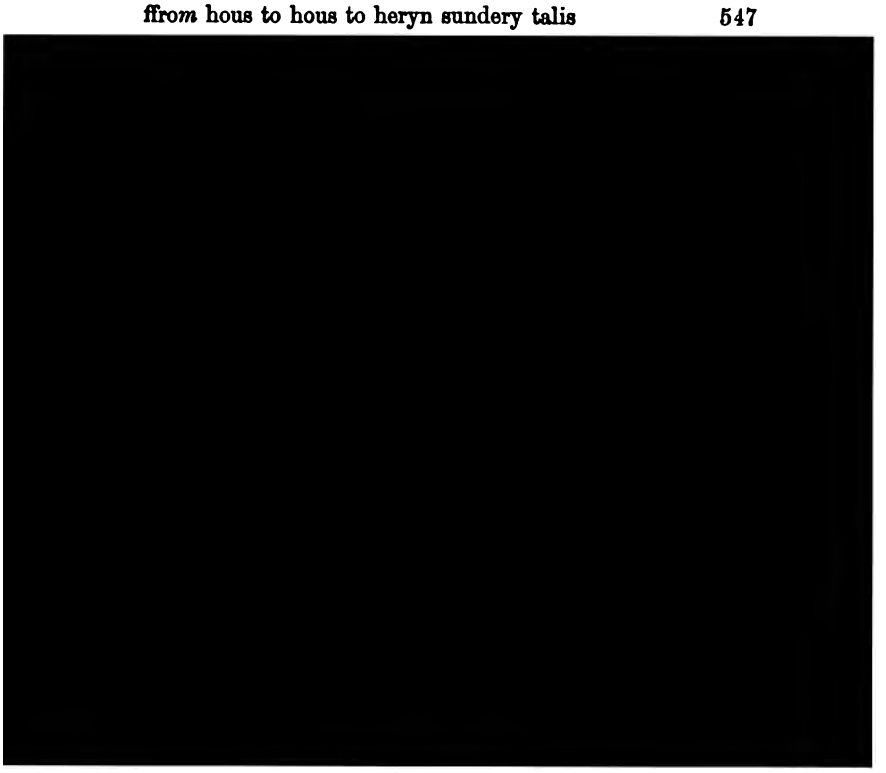
fful gilteles by godys swete pyne
ffor as an hors coude bite & whine
I coude pleyne & ȝit was in þe gilt
Or ellis I hadde ofte tymys ben spilt
Who so come fyrst to melle fyrst grynt
I pleynede fyrst so was oure werre stent
They were ful glad to excuse hem blyue
Of thyng þey neuere a-gilt in al here lyue
And of wenchis wolde I bere hem on honde
Whan þat for sek oneþe myȝte stonde
ȝit tekelede I his herte for þat he
Wende þat I hadde had of hym gret chirte
I sey þat al myn walkynge out be nyȝte
Is for to espien wenchis þat he dyȝte
Vndyr þat colour hadde I manye a murthe
ffor al swych wit is ȝeuyn vs in oure burthe
Deseyt wepynd spynnyng god hath ȝeue
To wemen kyndely whan þat þey may lyue
And þus of on thyng I a-waunte me
At þe ende I hadde þe betere in eche degre
Be sleyghe or forse or sum manere thynge
As by continuel murmure & grochynge
Nameli on bedde hadde þey myschaunce
There wolde I chide & don hem non plesaunce
I wolde no lengere in þe bed a-byde
ȝif þat I felte his arm ouyr myn syde
Til he hadde mad his raunsum on to me
Thanne wolde I suffere hym to don hise nysete
And þerfore euery man hise tale telle
Wyn ho so may for al is for to selle
With emty hond men may none haukys lure
ffor wynnyng wolde I al hise lust endure
And make me a feynede apetit
And ȝit in bacoun hadde I neuere delit
þat made me euere þat I wolde hym chyde [leaf 216, back]
ffor þow þo pope hadde sete by hyse syde

I nolde hym spare at hise owene boord
ffor by myn trouthe I quitte hym word for word
As help me veray god omnypotent
Thow I schulde make now myn testement
I ne owe hem nat a word þat it nys quit
I brouȝte it so a-boute by myn wit
That þey muste ȝeue it [illegible]s for þe beste
Or ellis hade we neuer[illegible] in reste
ffor þow he lokede as a wood lyoun
ȝit he schulde fayle of [illegible]se conclusioun
Thanne wolde I seye goode loue take kep
How mekely lokyth wi[illegible]n oure schep
Come neer myn spouse lat me ba þyn scheke
ȝe schul be al pacient & meke
And haue a swete spicede concience
Sithin ȝe preche so of Iobes pacience
Sufferith alwey sithe ȝe so wel can preche
And but ȝe don certeyn we schul ȝow teche
That it is fayr to haue a wyf in pes
On of vs to muste bouwe douteles
And seyth a man is more resonable
þan woman is ȝe muste be sufferable
What eylyth ȝow thus to groche & grone
Is it for ȝe wolde han myn queynte alone
Whi take it al lo haue it euerydel
Petyr I-schrewe ȝow but ȝe loue it wel
ffor ȝif I wolde selle myn belechose
I coude walke as frosch as ony rose
But I wele kepe it for ȝoure owene toth
ȝe ben to blame by god I seye ȝow soth
Sweche manere of wordis hadde we on honde
Now wele I speke of myn fourte housbonde
Myn fourte housbonde was a reuelour
This is to seyne he hadde a paramour
And I was ȝong & ful of ragerye
Styborne & strong and Ioly as a pye

Wel coude I daunce to an harpe smale [leaf 217]
And synge I-wis as ony nyghtyngale
Whan I hadde dronke a drauȝt of swete wyn
Metullius þe foule clerk þe swyn
That with a staf be-rafte his wif hire lyf
ffor sche drank wyn & I hadde been his wif
He schulde nat a dauntid me from drynk
And aftyr wyn on venus muste I thynk
ffor al so sykyr as cold engenderyth hayl
A lycorous mouth muste han a licorous tayl
In woman vinolent is no defence
This knowyn lechourys bi experyence
But lord cryst whan it remembryth me
Vp-on myn thout & on myn iolyte
It tykelith me a-bouto myn herte rote
Vnto þis day it doth myn herte bote
That I haue had myn world as In myn tyme
But age allas þat al wole vndyrmyne

There was no wyȝt but god & he þat wiste
In manye wise how sore I hym twyste
He deyede whan I cam from Ierusalem [leaf 217, back]
And lith I-graue vndir þe rode bem
Al Is his toumbe not so coryous
As was þe sepulcre of hym daryus
Whiche þat Arpelles wrouȝte so subtily
It is but wast to bury(so precyously
Lat hym fare wel god his soule reste
He is now in hise grau in his cheste
Now of myn fifte husb ade wele I telle
God lete his soule neu re come in helle
And ȝit was he to me e moste schrewe
That fele I on mynne rebis alle be-wrewe
And euere schal vn-to myn endyng day
But in oure bed he was so frosch & gay
And þerwithal wel coude he me glose
Whan þat he wolde haue myn belechose
That þow he hadde me betyn on euery bon
He coude wynne myn loue a-ȝen a-non
I trowe I louede hym beste for þat he
Was of his loue dangerous to me
We wemen haue ȝif I schal nat lye
In þis matyre a queynte fantasye
That what þyng we may nat lyȝtely haue
þeraftyr wele most crye & craue
fforbede vs thyng þat desyre we
Presse on vs faste & þanne wele we fle
With daunger oute we oure chaffare
Gret pres in market makyth dere ware
And to good chep is holde of lytyl prys
This knowyth euery woman þat is wys
Myn fyfte husbonde god his soule blysse
Whiche þat I tok for loue & no rychesse
He sumtyme was a clerk of oxsene forde
And hadde left skole & wente at hom to borde

With myn gossib dwellynge in oure toun
God haue hire soule hire name was alysoun
Sche knew myn herte & ek myn pryuite
Bet þan oure paryche prest so mote I the
To hire be-wreyede I myn conseyl al [leaf 218]
ffor hadde myn husebonde pissede on a wal
Or don ony thyng þat schulde a cost his lyf
To hire & to a-noþer worthi wyf
And to myn nece þat I louede wel
I wolde haue tolde hise conseyl euerydel
And so I dede ful ofte god it wot
That made hise face ofte red & hot
ffor verray schame & blamede hym self þat he
Hadde told me so gret a pryuyte
And so be-fel þat onys in a lente
So ofte tyme I to myn gossib wente
ffor euere þat I louede to be gay
And for to walke in marsch auerylle & may
ffrom hous to hous to heryn sundery talis



Tyl trewely we haddyn swich a dalyaunce
This clerk & I þat of myn puruyaunce
I spak to hym & seyde how þat he
3if I were wedewe he schulde wedde me
ffor serteynly I seye for no bobaunce
3it was I neuere with-oute puruyaunce
Of mariage & more thyngis eek [leaf 218, back]
I holde a mousys herte not worth a leek
That hath but on hole to sterte to
And that fayle thanne is al I-do
I bere hym on honde he enchauntede me
Myn dame taughte me þat sotylete
And ek I seyde I mette of hym al ny3t
He wolde a slayn me as I lay vp ry3t
And al myn bed was ful of veray blood
But 3it I hope þat he schal do me good
ffor blood be-tokenyth gold as me was tau3t
And al was fals I dremede of it ryght nau3t
But I folwede ay myn damys lore
As wel of this as of oþere thyngis more
But now syre lat se what schal I seyn
A-ha by god I haue myn tale a-geyn
What that myn husbonde was on bere
I weep & made a sory chere
As wyuys motyn for it is vsage
And with myn couerechef couerede myn visage
But for þat I was purueyed of a make
I wepte but smal & þat I vndyr-take
To cherche was myn husbond o born on morwe
With negheboris þat for hym madyn sorwe
And Iankyn oure klerk was on of thoo
As help me god whan that I saw hym goo
Aftyr þe beere me thoughte he hadde a payre
Of leggis & feet so clene & fayre
That al myn herte I 3af vnto his hold
He was I trowe twenty wyntyr old

And I was fourty ȝif I schal sey sooth
And ȝit I hadde alway a coltys toth
Gat-tothid I was & that be-cam me wel
I hadde the prente of seynt peterys sel
As help me god I was a lusty on
ffayr & ryche & frosch & wel be-gon
And trewely as myn husbo*n*dys toldy*n* me
I hadde the beste q*uoniam* that myȝte be
ffor sertis I am al venerient [leaf 219]
In felynge & myn herte is marcient
Venus me ȝaf myn lust myn licorousnesse
And mars ȝaf me myn hardy-nesse
Myn ascendent was taur & mars ther Inne
Allas allas that euere loue was sy*n*ne
I folwede ay my*n* Inclynacyou*n*
By vertu of myn constolaciou*n*
That made me that I coude nat withdrawe
Myn chambere of venus from a good felawe

Styborne I was as a leonesse
And of myn tunge a veray Iangeleresse
And walke I wolde as [I] hadde don by-forn
ffrom hous to hous al-thow he hadde it sworn
ffor whiche ofte tymys he wolde preche
And me olde romayn geestys teche
How he symplycious Gallus lafte his wyf
And hire for sok for terme of al his lyf
Not but for o poynt he hyre say
Lokynge out of hyse dore vp-on a day
Anothir Romayn tolde he by name [leaf 219, back]
That for hise wif was at a somer game
With-outyn hyse wetynge he for-sok hire eke
And thanne wolde he vp-on hise bible seeke
That ilke prouerbe of ecclesiaste
Where he comaundyth & forbedyth faste
Men schal not suffere here wyvis to roule a-boute
Thanne wolde he seye thus with-outyn doute
Who-so byldyth hise hous al of salwys
And prikyth hyse blynde hors ouere þe falcwis
And sufferith his wyf go sekyn halwys
Is worthi to been hangyn on the galwis
But al for nouȝt I sette nat an hawe
Of hise prouerbis ne of hise olde sawe
Ne I nulde of hym corectede be
I hate hym that mynne vicis tellyn me
And so don mo god wot than I
This made hym holde me wood al outerely
I nolde forbere hym in no manere cas
Now wele I sey ȝow soth by seynt Thomays
Whi that I rente out of hise bok a lef
ffor whyche he smot me that I was def
He hadde a bok that gladly nyȝt & day
ffor his disport he wolde rede alway
He clepede it valerye & theofraste
At which bok he low ful faste

And ek he seyde that sum*t*yme there was a clerk at rome
A cardenale that hy3t Ierome
That made a bok a-3en Iouynian
In whiche bok *þere* was ek Tertulan
Crisippus Tortula & Helowys
That was abbesse not fer from Parys
And ek the parabele of Salamon
Ouydis art & bokys many on
And alle these were boun*d*yn In on volome
And euery day & ny3t was hyse custome
Whan he hadde leyse[r] & vacacyoun
ffrom o*þ*ere wordely ocupacyoun
To redyn on hise bok of wekede wyuys [leaf 220]
He knew of he*m* mo legendys & lyuys
Tha*n* ben of goode wyuys in the byble
ffor trostyth wel it is an Impossible
That any clerk schulde speke good of wyuys
But 3if it be of holye seyntis lyuys

Thanne sit he doun & wryt in hise dotage
That wemen kunne not kepe here maryage
But now to purpos why I tolde the
That I was betyn for a bok pardee
Vp-on a nyȝt Iankyn that was oure syre
Radde on his bok as he sat by the fyre
Of Eua fyrst that for hyre wikkedenes
Was al mankynde brouȝt to wrechedenes
[For whiche þat Ihesu Crist hym selfe was slayne [MS Reg. 17 D xv, *lf* 134, *bk.*]
That boughte vs with his herte blode agayne [*Not in Sloane MS* 1685, *lf* 111, *bk*; *Harl.* 7335, *lf* 10, *bk*; *or Reg.* 18 *C* 2, *leaf* 113, *bk.*]
Lo here expresse of women Maye ye ffynde
That women was the losse of AH Mankynde]
Tho radde he me how sampson loste hyse heris
Slepynge his leman kitte hem with hyre scherys
Thorgh whych tresoun loste he bothe hyse eyen
Tho radde he me ȝif I schal nat lyen
Of ercules & of hyse dyanyre
That causede hym to sette hym selue a fyre
No thyng for-gat he the care & the wo [leaf 220, back]
That socrates hadde with hyse wyuys two
How Exantippa caste pis vp-on his hed
This sely man sat stylle as he were deed
He wypede his hed no more durste he seyn
But er thundyr stynte þere comyth a reyn
Of phasippa that was the queen of Crete
ffor schrewedenesse hym thouȝte the tale swete
ffy spek na more it is a gresely thyng
Of hire horrible lust & hire lykyng
Of clitemysta for hire lecherye
That falsely maade hire husbonde for to deye
He radde it with ful good deuocioun
He tolde me ek for what occasyoun
Amphiorax at thebes loste his lyf
Myn husbonde hadde a legende of his wyf
Eryphilem þat for an Ouche of gold
Hath priuyly on to þe grekys told

Where þat hyre husbonde hidde hym in a place
ffor whiche he hadde at thebes sory grace
Of lyma tolde he me & of lucye
Th[e]y bothe made here housbondis for to dye
That on for loue that oþer for hate
Lyma hire housbonde on an euyn late
Enpoysounede hath for þat sche was his fo
Lucya lykerous louede hyre housbonde so
That he schulde alwey on hire thynke
Sche ȝaf hym swich a manere loue drynke
That he was ded er it was by þ° morwe
And þus algatys housbondis haddyn sorwe
Thanne tolde he me how on latymyus
Compleynede to his felawe Arryus
That in hyse gardyn growede swych a tre
On whiche he seyde þat his wyuys thre
Hangede hem self for herte despitous
O leue brothir *quod* this Arryus

They hatyn that here housbondys louyn ay
He seyde a woman caste hire schame a-way
Whan sche caste of hire smok & ferþere mo
A fayr woman but sche be chast also
Is lik a golde ryng in a sowis nose
Ho wolde wene or ho wolde suppose
The wo that in myn herte was & pyne
And I saw þat he wolde neuere fyne
But redyn on hise cursede bok al nyȝt
Al sodeynly thre leuys haue I plyȝt
Out of his bok as he sat ful meke
And with myn fist so tok I hym on þe cheke
That in oure fyre he fyl bakward a-doun
And he vp stirte as doth a wood lyoun
And with his fyst he smot me on the hed
That In the flor I lay as I were ded
And whan he saw how stylle I lay
He was a-gast & fledde a-way
Til at þe laste out of myn swow I breyde
O hast þou sleyn me thef I seyde
And þus for myn lond wilt þou mordere me
Er I be ded ȝit wele I kysse the
And ner he cam & knelede fayre a-doun [leaf 221, back]
And seyde myn dere sistyr alysoun
Als helpe me god I schal þe neuere smyte

And ȝit eft-sonys I hitte hym on the cleke
And seyde thef þus meche I may me wreke
Now wele I deye I may no lengere speke
But at þe laste with meche care & wo
We fille a-cordit by oure seluyn two
He ȝaf me al þe brydyl in myn hond
To haue gouernauns of hous & lond
And of his tunge & of his hond also
And made hym to brenne his bok ryȝt þo

And whanne I hadde I-getyn on to me
By maysterye al þe souereyntee
Thanne he seyde myn owene trewe wyf
Do as ȝe leste for terme of al ȝoure lyf
Keep thyn honour & thyn estat
Aftyr þat day we ne haddyn neuere debat
God help me so I was to hym as kynde
As ony wif from denmark vn-to Inde
And as trewe & so was he to me
I preye to god þat sit in mageste
So blysse his soule for his mercy dere
Now wele I seye myn tale ȝif ȝe wele here

[*The Wrangle between the Summoner and Friar.*]

Here endith þe prologe of the wyues tale of Bathe.

[*Gap of one line in the MS.*]

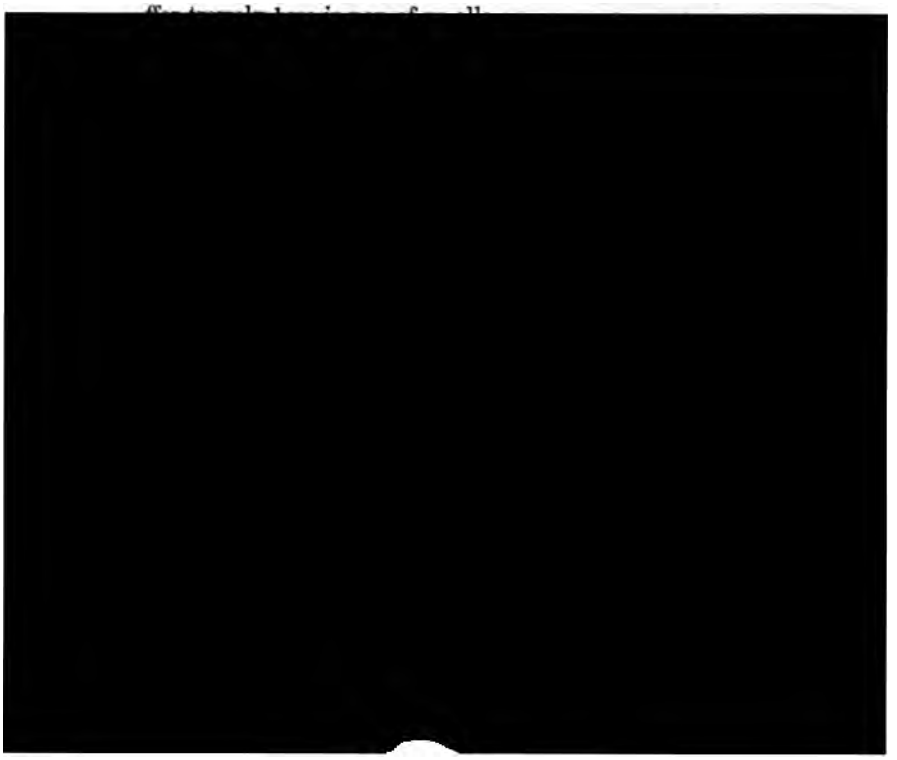
Here begynnyt the wyf of bathe hire tale [leaf 222, back]

[*Pointing of the Wif.*]

IN olde dayis of kyng Arthour
Of whiche þat brytons spekyn gret honour
Al was this lond ful fyld of fayrye
The elf quene wyth hire cumpanye
Dauncede ful ofte in manye a grene mede
This was the olde opynyoun as I rede
I speke of manye hunderede ȝeris a-go
But now can no man se eluys mo
ffor now the charite & þe prayeris
Of lymytouris & of oþere holy frerys

And happede a-lone as sche was born
He saw a mayde cam rydynge hym by-forn
Of whiche maydyn a-non maugry hire hed
By veray forse by-rafte he hire maydynhed
ffor which appreciouse was swych clamour
And swych pursut to kyng arthour
That dampnede was the knyȝt for to be ded
By cours of lawe & schulde a lost hyse heed
Perauenture swich was the statute þo
But that þe queen & oþere ladyis moo
So longe preyedyn the kyng of grace [leaf 22b]
Tyl he his lyf grauntede at þat place
And ȝaf hym to the queen at hire wille .
To chese whether sche wolde hym saue or spille
The queen thankede þe kyng with al hyre myȝt
And aftyr this þus spak sche to þ° knyȝt
Whan sche saw hyre tyme vp-on a day
Thow stondist ȝit quod sche in swich aray
That of thyn lyf [thou] hast no surete
I graunte þe lyf ȝif þou canst telle me
What thyng ist that wemen most desyryn
Be-war & kep thyn neke bon from yryn
And ȝif þou canst not telle me anon
ȝit wele I ȝeue þe leue for to goon
A twelvemonyth & a day to lere
An answere sufficiaunt in this matire
And surete wele I haue er þat þou pace
Thyn body for to ȝildyn in þis place
Wo was this knyȝt & sorwefully he sikede
But ȝit may he nat don as hym lykede
And at þe laste he ches hym for to weende
And come a-ȝen ryȝt at þe ȝerys ende
With swich answere as god wolde hym purueye
And takyth his leue & wendyth forth hyse weye
And sekyth euery hous & euery place
Where as he hopith to fynde grace

To lernyn what thyng wemen louy*n* most
But he ne coude aryuyn In no cost
Where as he my3te fynde in this matyre
Two wightis a-cordyn in fyre
Some men seydy*n* women louy*n* best rychesse
Some men seyde honour some [1]iolynesse[1] [1 *written over an erasure.*]
Some men seyde ryche aray some lust in bedde
And ofte tyme be wedewe & ofte I-wedde
Some men seyde oure herte is most I-esed
Wha*n* þ*at* we been I-flatered & I-plesed
He goth ful nygh þe sothe I nyl not lye
A man schal wy*n*ne vs best w*ith* flaterye
And with attendaunce & besynesse [leaf 222, back]
Be we I-lymyd boþe more & lesse
And some men seyn þ*at* we louyn best
ffor to be fre & do ry3t as vs lest
And þ*at* no man repreue vs of oure vice
But seye þ*at* we be wys & no thyng nyse



That saue his wyf þere wiste of it no mo
He louede hyre most & trostid to hyre also
He preyede hyre þat to no cryature
Sche schulde telle of his disfygure 960
Sche swor hym nay for al this world to wynne
Sche nolde not do þat vilany or synne
Go make hyre husbonde to haue so foul a name
Sche nele it telle for hyre owene schame 964
But neuere-þe-les hire thouȝte þat sche dyde
That sche so longe a conseylde hyde
Hire thouȝte it swal so sore a-boute hyre herte
That nedely sum word muste a-sterte 968
And sythe sche durste telle it to no man
Doun to a mareys faste by sche ran
Tyl sche cam þere hire herte was a fyre [leaf 224]
And as a bitore bumbith in þe myre 972
Sche leyde hyre mouth to þe watyr adoun
Be-wrey me not þou watyr with thyn soun
Quod sche to þe I telle it & no mo
Myn husbonde hath longe erys too 976
Now is al myn herte hol now is it oute
I myȝte no lengere kepe it out of doute
Here may ȝe se þow we no tyme abyde
ȝit out mote it we can no conseyl hyde 980
The remenaunt of þe tale ȝif ȝe wele here
Rede ouyde & þere mowe ȝe it leere
This knyȝt of which myn tale is specyally
Whan he saw he myȝte not come þerby 984
This is to seye what wemen louyn most
With-inne his brest full sorwefully was þe gost
But hom he goth he myȝte not soiorne
The day was come that homward muste he turne 988
And In hyse wey as happede hym to ryde
In al hise care vndyr a forest syde
Where as he saw vp-on a daunce go
Of ladyis foure & twenty & ȝit mo 992

Toward þis dauns he drow ful ȝerne
In hope *þat sum wisdam* schulde he lerne
But serteyn fully er he *cam* ther

A foulere wyȝt *þere* may no man devyse
A-ȝens þis knyȝt this olde whiȝt gan ryse
And seyde syre knyȝt here forth lyth no weye
Telle ȝe me what ȝe seke be ȝo*ur*e feye

Thow shalt it do ȝif it be in thy myght

Assembelede been his answerys for to here
And aftyrward þis kny3t was bode to pere
To euery wy3t was comaundede silence
And þat þe kny3t schulde telle in audyence
What thyng þat wordely women louyn best
The kny3t stod not stille as a beest
But to his questioun a-non answerde
With manly voys þat al þ^e^ court it herde
Myn lige lady generally q*uod* he
Wemen desyryn to han souereynte
As wel ouyr hire husbondis as ouer hire hove
And for to been in maystrye hem a-boue
This is þe moste desyr thow 3e me kylle
Doth as 3ow leste I am al at 3oure wille
In al þe court ne was þere wif ne mayde
Ne wedewe contraryede þat he sayde
But seydyn þat he was worthi to han his lyf
And with that word vp sterte þe olde wyf
Whiche þat þe kny3t saw syttynge on þe grene [leaf 225]
Mercy q*uod* sche myn souereyn lady quene
Er þat 3oure court departe doth me ryght
I taughte this answere to þ^e^ knyth
ffor which he ply3te me his trouthe þere
The fyrste thyng þat I wolde hym requere
He wolde it do 3if it lay in his my3t
By-fore þe court þanne preye I þe syre kny3t
Quod sche þat þou me take on to þyn wyf
ffor weel þou wist þat I haue kept þyn lyf
3if I seye fals say nay vp-on þy fey
This kny3t answerde allas & weyleawey
I wot ry3t wel þat swich was myn beheste
ffor goddys loue as ches a newe requeste
Tak al myn good & lat myn body goo
Nay þanne q*uod* sche I be schrewe vs bope too
ffor þow I be foul old & pore

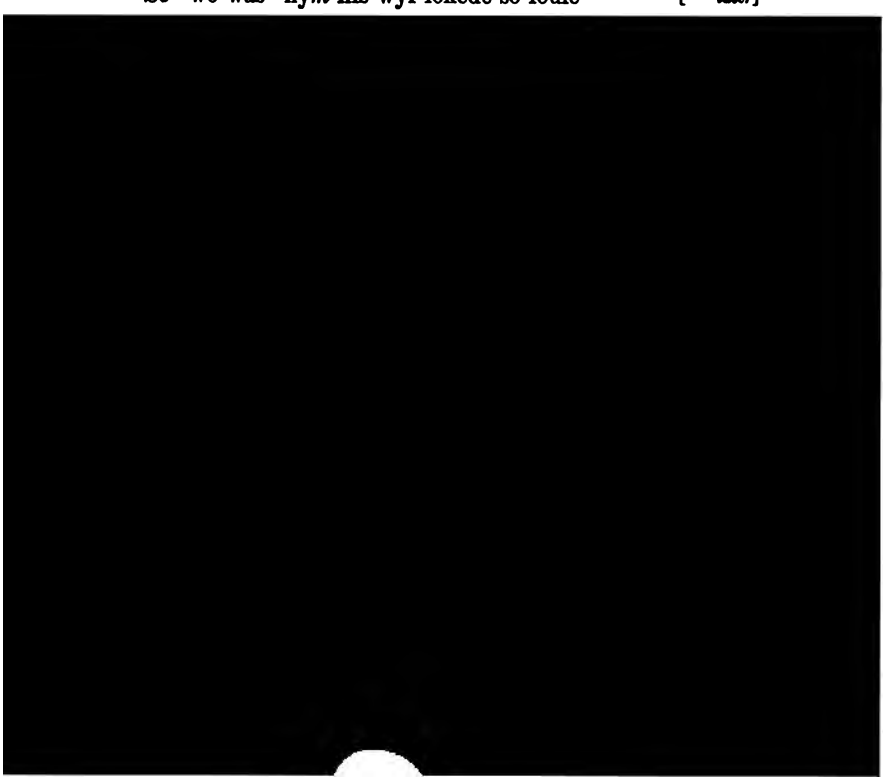
That vndyr þe erþe is graue or lyth a-boue
But ȝif þyn wyf I were & ek þyn loue
Myn loue q*uod* he nay myn dampnacyoun
Allas þat ony of myn nacyoun / 1068
Schulde euere so foule disparagit be
But al for nouȝt þanne is þis q*uod* sche
Constreynede was he nedys he muste hyre wedde
And takyth his olde wif & goth to bedde 1072
Now wil some men seye parauenture
That for myn neclygens I do no cure
To telle ȝow þe ioye & also tharray
That at þat ilke feste was þat day 1076
To whiche thyng sothely I answere schal
And seye þere was no Ioye ne feste at al
There was but heuynesse & meche sorwe
ffor priuyly he wedde hire in þe morwe 1080
And al day aftyr hydde hym as an houle
So [1]wo was[1] hym his wyf lokede so foule [1—1 *later*]



And þerto comyn of so low a kynde
That lytyl wondir ist þow I walwe & wynde
So wolde god myn herte wolde breste
Is þis quod sche þé cause of 3oure onreste 1104

So wel my3te 3e bere 3ow to me 1108
But for 3e speke of swich gentillesse
As is dessendit out of olde richesse
That þerfore schul 3e ben holdyn gentil men
Swich arrogaunce is not worth an hen 1112
Loke ho þat is most verteuous alwey
Pryue & apert & most entendyth ay
To do þe gentyl dedys þat he can
Take hym for þe gretteste gentil man 1116
Cryst wele we cleyme of hym oure gentylesse
Noght of oure elderys for oure olde rychesse
ffor þow þey 3eue vs al here erytage
ffor which we cleymyn to been of high parage 1120
3it may þey not by-quethe for no thyng
To noon of vs here verteuous lyuyng
That made hem gentylmen I-callede be [leaf 226]
And bad vs foldyn hem in swich degre 1124
Weel can þe wise poete of florence
That hy3t dant declare þis centence
Lo in swych a manere rym is dantes tale

Prowesse of man for god of his prowesse
Wele þat we cleyme of hym oure gentillesse
ffor of oure eldere we may no thyng cleyme
But temperel thyng þat man may hurte & mayme 1132
Ek euery wy3t wot þis as wel as I
3if gentillesse were plantid naturelly
Vp to a certeyn lennage doun be lyne
Preue nor apert þanne wolde þey neuere fyne 1136

To don of gentillesse þe offys
They myȝte don no vilenye nor vice
Tak fyr & bere in þe derkeste hous
Be-twyxe this & þe mount of Cankerous 1140
And let men schette þe dore & go þenne
ȝit wil þe fyr lye as fyr & brenne
As twenty thousent men myȝte it by-holde
His offise naturel ay wel it holde 1144
Vp peril of myn lyf tyl þat it deye
Here may ȝe wel sen how þat genterye
Is not annexed to possescioun
Sithe folk ne don here operacioun 1148
Alwey as doth the fyr in hise kynde
ffor I wot men may ful ofte fynde
A lordis sone do schame & vilanye
And he þat wele haue prys of his genterye 1152
ffor he was bore of a gentyl hous
And hadde hise olderis nobele & vertuous

3it may þe hye god & so hope I
Grau*n*te me grace to leue verteuosly
Tha*n*ne am I gentyl wha*n* þa*t* I be-gynne

Veray pouert it syngith prope*r*ly
Iuenal seyth of pouerte meryly

By-fore þe thewis he may sy*n*ge & pleye
Pouerte is hateful good as I gesse
A ful gret bryngere out of besinesse
A gret amendere ek of sapience
To hem þa*t* takyth it in pacience
Pouerte is this al-thow it seme alenge [leaf 227]
Possessiou*n* þa*t* no man wele calenge

And þe*r*fore syre syn þa*t* I 3ow not greue
Of myn pouerte no more 3e me repreue
Now syre of olde 3e repreue me
And sertis syde thogh non autoryte

Were in no bok the gentylys of honour
Seyn þat men schuld an old wy3t don fauour
And clepyn hym fadyr of 3oure gentilesse
And auctouris schal I fyndyn as I gesse
Now þere 3e seyn I am foul & old

And but I be to morwe as fayr to sene
As eny lady Emperesse or quene
That euere was be-twixse þe Est & þ° west
Doth with myn lyf & doth ryȝt as ȝow lest
Cast vp þe curtyn & loke how þat it is

Right so as Bees swermen out of an hyue. [Harl. 1758]
Out/ of the deuylles ers thei gon dryue.

And thorow-out helle swarmed aH a-boute. 1696
And camen a-yen as fast/ as thei may gone.
And in his ers thei crepedyn euerichone.
He clapt/ his tale a-yen & laye stiH.

Vn-to his bodye a-yen & he a-woke.
But natheles for fere yet he quoke. 1704
So was the deuelis ars ay in his mynde.
That is his heritage of verrey kynde.
God saue you alle saue this cursid ffrere.
Mi Prolog' woH I ende in this manere. 1708

I Ordyngis ther/ is in york schire as I gesse.
A merschy contre called holdernesse.
In whiche ther/ wente a lymytour/ a-boute.
To preche & eek/ to begge it is no doute.
And so bifell that on a daye this ffrere.
had preched at chirche in this manere.
And specially a-bouyn euery thyng'.
Excited he the peple in his prechyng'.
To trentalis & to yeue for goddis sake. [*leaf* 107, *back*]
Wher/-with men myghte holi housis/ make.
Ther/ as deuyne seruyse is honoured.

With scrippe & tipped staf tucked fulł hye. [Harl. 1758]
In euery hous he gan to pore & prye.
And beggeth mele or chese or ellis corn.
his felalawe had a staf tipped with horn.
A peire of/ tablis of yuory.
And a poyntełł polched fetisly.
And wrot/ alweye the names there he stood.
Of alle folke that yaf hym any good.
As-caunce as he wolde for hem preie.
Yeue vs a buschełł whete malt/ or reie.] [Harl. *extract ends*]
A godis kechil or a trip of chese [MS Gg. 4. 27, *leaf* 235]

Nay þere þou lext þou somenour quod þe frere

And for to bildyn cristis owene chyrche

With-inne þyn hous ne be þou no lyoun
To þynne subiectis do non oppressioun
Ne make þynne aquentauncis not to fle
And Thomas 3it eft' sonys I charge þe
By-war from hire þat in þyn bosum slepith
By-war from þe serpent þat so slyly crepith
Vndyr þe gres & styngith subtyly
By-war myn sone & herke paciently
That twenty thousent men han lost here lyuys
ffor stryuyng with here lemanys & here wyuys
Now sithe 3e han so holy meke a wyf
What nedyth 3ow Thomas to makyn stryf
There is I wis no serpent so crewel
Whan man trat on his tayl ne half so fel
As woman is whan sche hath cau3t an yre
Veniaunce is þanne al þat þey desyre
Ire is a synne on of þe gretteste of synnys
Abomynable vnto þe god of heuene
And to hym self it is distruxcioun

And to a-noþer knyȝt comaundede he
Go lede hym to þe deth I charge þe
And happid as þey wente by þe weye
Toward þe place þere he schulde deye
The knyȝt cam which men wende he hadde be ded
Thanne thouȝte þey it was þe beste red
To leede hem boþe to þe Iuge a-geyn
They seyde lord þe knyght ne hath not slayn
His felawe here he stondyth hol a-loone
ȝe schul ben ded a-noon so mote I gone
That is to seyne boþe on & too & thre
And to þe ferste knyȝt þus spak he
I dampnede þe þu muste algatis be ded
And þou also muste nedys lese þyn hed
ffor þou art cause whi thyn felawe deyeth
And to þe thredde knyȝt ryȝt þus he seyeth
Thow hast not don þat I comaundede þe
And þus he dede hem slen alle thre
Irous Cambises was ek dronkelewe
And ay delitede hym to ben a schrewe
And so be-fel a lord of his meyne
That louede verteuos moralite
Seyde on a day be-twixe hem ryȝt þus
A lord is lost ȝif he be vicious
And dronkenes is ek a foul record
In any man & namely in a lord
There is ful manye an ye & manye an ere
A-waytynge on a lord & he not where
ffor godys loue drynk more a-temperelly
Wyn makyth man to lesyn wrechedely
His mynde & hyse lymys euerychon
The reuers schal þou sen & þat a-non
And preve it by thyn owene experyence [leaf 230]
That wyn ne doth to folk non swich offence
There is no wyn be-reuyth me myn myȝt
Of hond ne foot ne of myn eye syȝt

And for despit he drank mekyl þe more
An hunderede part than he hadde don by-fore
And ry3t a-non þis yrous cursede wreche
Leet þis kny3t sone by-fore hym feche
Comaundynge hym he schulde by-fore hym stonde
And sodeynly he tok his bowe on honde
And vp þe stryng he pullede to hyse ere
And with an arwe he slow þe child ry3t þere
Now whether haue I sekyr hand or non
Quod he is al myn my3t & mynde a-gon
Hath wyn be-reuyd me myn eyen syth
What schulde I telle þe answere of þe kny3t
His sone was slaye þere is no more to seye
Beth war þerfore with lordys how 3e pleye
Syng placebo & I schal 3if i can
But 3if it be vnto a pore man
To a pore man men schulde his vicis telle
But not to a lord þow he schulde go to helle
Lo yrous Cyrus thilke percyen
How he distroyed þe Ryuer of Gyseen
ffor þat an hors of his was drenkt þerinne
Whan þat he wente babylonye to wynne
He made þat þe ryuer was so smal
That wemen myghte wade it ouer al
Lo what seyde he þat so wel teche can

Nedith it no more to speke of it seyth he
But ȝif me lyste of myn humylite
ȝif me of ȝore gold to make oure cloystere
Quod he for manye a muskele & manye an oystere
Whan oþere men han ben ful weel at eyse
Hath ben oure fode oure Cloystere for to reyse
And ȝit god wot onepe þe fondement
Parformed is ne of oure pauuement
Nis not a tyl ȝit with-inne oure wonys
By god we owyn fourty pound for stonys
Now help tomays for hym þat harwede helle
Or ellis muste we oure bokys selle
And ȝif ȝow lakke oure predicacioun
Thanne goth þe world al to distruccioun
ffor ho so from þis world wolde vs be-reue
So god me saue thomas be ȝoure leue
He wolde be-reue out of þis world þe sunne
ffor who can teche & werke as we cunne
And þat is not of lytyme quod he
But sithe þat elye was or elyse
Han frerys ben þat fynde I of record
In charyte thankede be oure lord
Now Thomas help for seynte charyte
And doun a-non he sette hym on his kne
This syke man wex ny wood for yre
He wolde þat þe frere hadde bee a-fyre
With his false dissymylacioun
Swych thyng as is in myn possessioun
Quod he may I ȝeuyn & non oþer
ȝe sey me þis how þat I am ȝoure broþer
ȝa certis quod þe frere trostyth wel
I tok oure dame oure lettere with oure sel
Now wel quod he & sumwhat schal I ȝeue
On to ȝoure holy couent whil I leue
And in þyn hand þou schalt it hald a-non
On þis condicioun & oþere non

That þou de-parte it so my derere broþer [leaf 240]
That euery frere haue as meche as oþer
This schalt þou swere on þyn professioun
With-oute fraude or cauelacyoun
I swere it quod þe frere vp-on myn feith
And þerwithal his hand in his he leith
Lo here myn feyth in me schal ben no lak
Now put þanne þyn hand doun by myn bak
Seyde þis man & grope wel by-hynde
Be-nethe myn buttok þere schat þ[o]u fynde
A thyng þat I haue hid in pryuyte
A thoute þis frere þat schal gon with me
And doun his hand he lau[n]chith to þe clyfte
In hope for to fynde þere a ȝifte
And whan þis syke man felte þis frere
Aboute his tewel grope þere & here
A-myd his hand he let þe frere a fart
There nys no capil drawynge in a cart

Chaucer's Canterbury Tales.

The Chaucer Society.

Editor in Chief:—F. J. Furnivall, Esq., 3, St George's Square, Primrose Hill, N.W.

Hon. Sec.:—A. G. Greenhough, Esq., London Hospital, London, E.

To the honour of Chaucer, and to let the lovers and students of him see how far the best unpolished Manuscripts of his works differ from the printed texts, this Society is founded. There are many questions of metre, pronunciation, orthography, and syntax yet to be settled, for which many prints of Manuscripts are wanted, and it is hardly too much to say that every line of Chaucer contains points that need renewed attention. The Founder's proposal is to begin with *The Canterbury Tales*, and give of them (in parallel columns in Royal 4to) six of the best unprinted Manuscripts known. Inasmuch also as the parallel arrangement will necessitate the alteration of the places of certain tales in some of the MSS, a print of each MS will be issued separately, and will follow the order of the original. The first six MSS to be printed are the Ellesmere (by leave of the Earl of Ellesmere); the Hengwrt (by leave of W. W. E. Wynne, Esq.); the Cambridge Univ. Libr., MS Gg. 4. 27; the Corpus, Oxford; the Petworth (by leave of Lord Leconfield); and the Lansdowne 851 (Brit. Mus.).

Of Chaucer's Minor Poems, the MSS of which are generally later than the best MSS of the Canterbury Tales, all, or nearly all, the MSS will be printed, so as to secure all the existing evidence for the true text.

To secure the fidelity and uniform treatment of the texts, Mr F. J. Furnivall will read all with their MSS.

The Society's publications are issued in two Series, of which the first contains the different texts of Chaucer's works; and the Second such originals of, and sources for, them as can be procured, with other illustrative treatises, and Supplementary Tales.

The Society's issue for **1868**, to the **First Series**, is,

Wele not oure lord / ȝit leue his vanyte
Wele he not wedde / allas allas þe whyle
Whi wele he þus hym self & vs begyle

But natheles þis Markis hath don make [leaf 246]
Of gounnys set / in gold & in asure
Brochis & ryngis / for gresildis sake
And of hire clothynge / tok he þe mesure
By a maydyn / lyk to hyr stature
And ek of oþere / aornementis alle
That on to swich / a weddyng schulde falle

The tyme of vnderne / of þe soneday
Aprochith that / þis weddynge schulde bee
And al þe paleys / put was In aray
Bothe halle & chaumberys / eche in hese degre
Housis of offysis / stuffed with gret plente
There mayst þou sen / of deynteuous vitayle
That may be founde / as fer as last ytaylle

This riche Markis / ryally arayed
Lordis & ladiis in his cumpaynye
The whech to þe / feste were I-preyed
And of his / retente þe bacherye
And manye a soun / of sundery melodye
Vn-to þe village / of þe whiche I tolde
In þis aray / þe ryȝte weye han holde

Gresylde of þis / god wot ful Innocent 274
That for hire schapyn / was al þis aray
To feche watyr / at a welle is went
And comyth hom / as sone as euere sche may 277
ffor wel sche hadde / herd seyd þat ilke day
The Markys schulde / wedde & ȝif sche myȝt
Sche wolde fayn / a seyn sum of þat syȝte 280

Sche thouȝte sche wolde / with oþere maydenys stonde 281
That been myne felas / in oure dore & see
The Mayrkysesse / & þerfore wele I fonde
To doon at hom / as sone as it may bee 284
The labour which / þat longith on to me
And þanne I may / at / leysere hire byholde
ȝif sche this weye / vn-to þe castel holde 287

And as sche wolde / ouyr hyre throswald gon [leaf 246, back]
The Markis cam / and gan hyre for to calle
And sche sette doun / hyre watyr pot a-non

[redacted]

3if þat þou vouche saf/ what so be-tyde
Thyn dou3tyr wele I / take [1]er þan I wende[1]
As for myn wif / vn-to myn lyuys ende

[1—1] *Written over an erasure in a later hand.*

Thow louyst me / I wot it wel serteyn
And art myn feythful / lyge man I-bore
And al þat lykyth me / I dare wel seyn
It lykyth þe / & specially þerfore
Tel me þat poynt / þat I haue seyd be-fore
3if that þou wilt / vnto þat purpos drawe
To take me / as for þyn sone in lawe

The sodeyn cas / þis man a-stonede so
That red he wex / a-bayst & al quakynge
He stod onèþe / seyde he wordys moo
But only this / lord quod he myn willyng
Is as 3e wele / ne a-3ens 3oure lykyng
I wele no thyng / 3e be myn lord so dere
Ryght as 3ow lyst / gouernyth þis matyere

That wel I wot / quod / þis Markis softely [leaf 24ᵛ]
That in thy chambir / I & þou & sche
Haue a colacioun / & wyst þou whi
ffor I wele aske 3if it hire wille be
To be myn wif / & rewele hyr aftyr me
And al þis schal been don / in þyn presence
I wele not spek / out of þyn audience

And in þe chambere / whil þey were a-boute
This tretys which / þat 3e schul aftyr here
The puple cam / vnto þe hous with-oute
And wondere hęm / in how oneste manere
And tentyfli sche / kepte hire fadyr dere
But outyrly / Grisildis wondere myghte
ffor neuere erst / ne saw sche swich a syghte

No wondir ist / þow þat sche were a-stonyd 337
To seen so greet / a geste come in-to plase
Sche neuere was / to swich a geste wonyd
ffor whiche sche lokede / with ful pale face 340
But schortly þis / matyer for to chase
These are þe wordis / þat þe Markis sayde
To þis benynge / veray fey[t]hful mayde 343

Grysilde he seyde / 3e schul wel vndyrstonde 344
It lykyt to 3oure / fadyr & to me
That I 3ow wedde / & ek it may so stonde
As I suppose / 3e wele þat it so be 347
But þese demaundis / aske I ferst quod he
That sythe it schal / been don in hasty wyse
Wele 3e assentyn / or ellis 3ow auyse 350

I seye þis be 3e / redy with good herte 351
To al myn lust / & þat I frely may
As me best lykyth / do 3ow louhe or smerte

This is myn wif / quod he þat standyth heere
Honoureth hire / & louyth hire I preye
Who so me louyth þere is no more to seye 371

And for þat nothyng / of hire olde gere 372
Sche schulde brynge in-to his hous he bad
That wemen schulde dispoylyn hire ryȝt þere
Of whiche þese / ladyis were not ryȝt glad 375
To handele hire clothis / wherIn sche was clad
But natheles þis mayde bryȝt of hewe
ffrom foot to heed they cloþede han al newe 378

Hyre heris han þey kembit that lay vntrussede 379
fful rudely & with here fyngerys smale
A coroun on hire heed þey han dressyd
And set hire ful of nouchis grete & smale 382
Of hire a-ray what schulde I make a tale
Oneþe þe puple hire knew for hire fayrnesse
Whan sche translatede was in swich rychesse 385

This Markis hath hire spousede with a ryng 386
Brouȝt for þe same cause & þanne hire sette
Vp-on an hors snow whit & wel amblenge
And to his paleys he wolde no lengere lette 389
With Ioyful puple þat hire ledde & mette
Conueyede hire & þus þe day þey spende
In reuel tyl þe sonne gan descende 392

And shortely forth þis tale for to chace [leaf 248] 393
I seye þat to þis / newe Markysesse
God hath swych fauour sent hire of his grace
That it semede not bi liklynesse 396
That sche was born & fed in rewedenesse
As in a Cote / or in an oxsis stalle
But norchede in / an emperourys halle 399

To euery wight sche wexen is so dere
And worchepeful / þat folk þere sche was bore
And from hyre burthe knew hire ȝer be ȝere
Onepe trowede þey but durste a swore
That to Ianykele of which I spak be-fore
Sche doghtir were / for as be coniecture
Hem thouȝte sche was a-noþer cryature

ffor thow þat euere / verteuous was sche
Sche was encresede in swych excellence
Of thewys goode / I-set in high bounte
And so discret & fayr of eloquense
So benyngne & so dygne of reuerence
And coude so þe puples herte embrace
That eche hire louede þat lokede in hire face

Not' only of Saluces in þe toun
Publischid was þe bounte of hyre name
But ek be-sydyn in manye a regioun

There nas discord rancure ne heuynesse
In al þat lond þat sche ne coude a-pese
And wysely brynge hem in reste & ese 434

Thow þat hire husbonde / absent were a-non 435
ȝif gentyl men or opere of hire cuntre
Were wroth sche wolde / brynge hem at oon
So wyse & rype wordis hadde she 438
And Iugementis of so gret equité
þat sche from heuene sent as men wende
Puple to saue & opere men tamende 441

Not longe tyme aftyr þat þis gresylde 442
Was I-weddit sche a doughtyr hath I-bore
Al hadde sche leuere a born a knaue chyld
Glad was þe markis & þe folk þerfore 445
ffor thow a mayde chyld cam al by-fore
Sche may vn-to a knauechild a-teyne
By liklyhed syn sche nys nat bareyne 448

[*PART III.*]

Ther fel as it bi-fel tymys mo 449
Whan þat þis child hath soukede but a throwe
This markis in his herte longith soo
To tempte his wyf hire sadnesse for to knowe 452
That he ne myȝte out of his herte throwe
This meruelious desyr his wyf tasayee
Nedles god wot he thouȝte hyre for taffraye 455

He hadde a-sayed hire ryȝt I-now be-fore 456
And fond hire eeuere good / what neded it
Hire for to tempte alwey more & more
Thow sum men preyse it for a subtil wit 459
But as for me I seye þat yuele it sit
Tassaye a wyf / whan þat it is noon nede
And put hire in anguys & in drede 462

ffor which þis Markys / wrowt̄ in þis manere [leaf 249] 463
He cam alone / a nyȝt þ*er*e as sche lay
With sterne face / & with ful sturdy chere
And seyd thus / Grisilde quod he þ*a*t day 466
That I ȝow tok / out of ȝoure pore aray
And put ȝow in estat/ of hegh noblesse
ȝe han not þ*a*t / forgetyn as I gesse 469

I sey Grisilde / this p*r*esent dignete 470
In which þ*a*t I haue / put ȝow / as I trowe
Makyth ȝow nat / forȝetful for to be
þ*a*t I ȝow tok / in pore estaat ful lowe 473
ffor ony wele / ȝe motyn ȝoure seluyn knowe
Take heed of / euery word þ*a*t I ȝow seye
Ther is no wight / þ*a*t hereth it but we tweye 476

Ye woot youre self wel / how that ye cam heere 477
In-to this hous / it is nat longe a-go
And thow to me / þ*a*t ye been lef & deere
Vn-to myn sentens ye been nothyng so 480
They seyn to hem / it is greet schame & wo
ffor to been subiect / & been in seruage
To the þ*a*t born art / of a smal village 483

And nameliche / sithe thy*n* doughtyr was bore 484
These wordis han / they spoke doutcles
But I desire / as I haue doon by-fore
To lyue my*n* lyf / with he*m* in reste & pees 487
I may nat in / this cas been rechelees
I mot doon w*i*th thyn / dogh̄tyr for the beste
Nat as I wolde / but as myn peple leste 490

And ȝit god wot / it is ful loogh̄t to me 491
But natheles / with-outyn ȝoure wytynge
I wol not don / but this wol I quod he
That ȝe to me / assente as in this thyng 494

Schewe now 3oure / pacience in 3oure werkyng
That 3e me hy3te / & swore in 3oure wyllage
That day that maked / was oure mariage 497

Whan sche hadde herd al this she noght a-meued [leaf 249, bk]
Neythir in word / ne chire nor cuntenaunce
ffor as it semede sche was nat agreuyd
Sche seyde lord al lyth in 3ore plesaunce 501
Myn chyld & .I. / with hertely obey-saunce
Been 3ourys al & 3e mowe saue or spille
Youre owene thyng werkyth aftyr 3oure wylle 504

There may no thyng god so myn soule saue 505
Lykyn 3ow *þat* may displesyn me
Ne I desyre nothyng for to haue
Ne drede for to lese saue only thee 508
T[h]is wil is in myn herte & ay schal bee
No lenthe of tyme or deth schal this defase
Ne change myn corage tyl a-no*þer* place 511

Glad was this markis of this answeryng 512
But 3it he feynede as it were nat so
Al drery was hise chir & hise lokynge
Whan *þat* he schulde out of the chambir goo 515
Sone aftyr this a furlong woy or too
He pryuyly hath told al his entente
Vn-to a man & to his wif hy*m* sente 518

A maner seriaunt was this p*ri*ue man 519
The whiche that fei[t]hful ofte he fou*n*dy*n* hadde
In thyngis grete & ek swiche folk wel kan
Doon execucio*n* / in thyngis hadde 522
The lord knew wel that he hy*m* louede & dradde
And whan this sergeaunt / wiste this lordis wille
In-to *þe* chau*m*bre / he stalke hy*m* ful stylle 525

Madame he seyde ȝe mote for-ȝeue it me
Thow I do thyng to whiche I am constreynyd
Ye ben so wis that ful weel knewe ȝe
That lordis hestys mowe not been I-feynyd
They moun been weel bewailyd & compleynyd
But men mot nede vntyl his lust obeye
And so wele I / þere is no more to seye

This child I am comaundit for to take [leaf 250]
And spek no more but out the child he hente
Dispitously & gan a chire make
As they he wolde a slayn it er he wente
Grysyldis muste / al suffere & al consente
And as a lomb sche sittyth meke & stylle
And leet this crewel seriaunt don his wille

Suspecious was / þe/ diffame of this man
Suspect his face / suspect his word also
Suspect the tyme / in which that this be-gan

That for vs deyede vp-on a coroys of tree
Thyn soule lytyl chyld I the be-take
ffor this ny3t schat þou deye for myn sake

I trowe that to a norys in this cas
It hadde been hard / this routhe for to see
Weel myghte a modyr / þanne han cryede allas
But nathelas / sad / & stedefast was sche
That sche endurede / al aduercite
And to þe sergeaunt / mekelyche sayde
Haue here agayn / 3oure 3ynge lite mayde

Seth now quod sche & doth myn lordis heste [leaf 250, back]
But on thyng wele I preye 3ow of 3oure grace
That but myn lord forbad 3ow at the leste
Berieth this lite bodi in sum place
That bestis ne non oþere briddis it to-race
But he no word wolde to þat purpos seye
But tok the child & wente vp-on hise weye

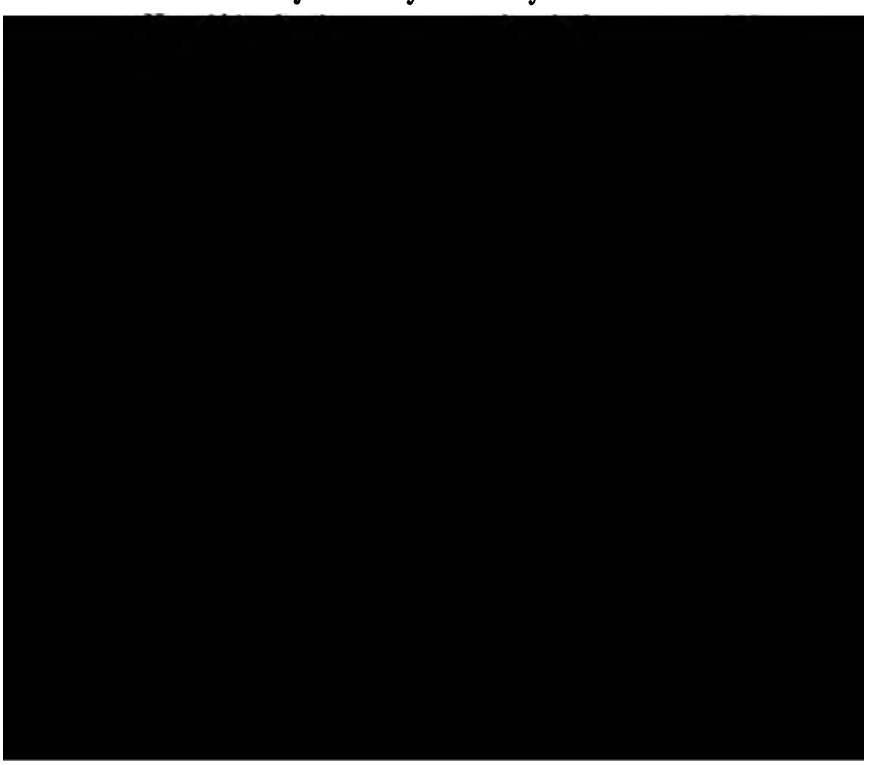
This sergeant cam vn-to his lord a-geyn
And of grysildis wordis & hire chere
He told hym word in schort pleyn
And hym presentyth with his doughtyr dere
Sumwhat this lord hadde routhe in this mancre
But natheles his purpos held he stylle
As lordys doon whan they welen han here wille

And bad this segeaunt þat he priuyly
Schulde this chyld softe wynde & wrappe
With alle cyrcumstauncis tenderely
And carye it in a cofere or in a lappe
But vp peyne of his hed of for to swappe
That no man schulde knowe of his entente
Ne whens he cam ne whe þer þat he wente

But at boloyne he to his sustyr deere 589
That thilke tyme of pavyk was cuntesse
He schulde it take & schewe hire this matyere
Bysekynge hire to don hyre bysynesse 592
This child to fostere in al gentillesse
And whos chyld þat it was he bad hire hyde
ffrom euery wyght for ought þat may be-tyde 595

This sergeaunt goth & hath ful-fyld this thyng 596
But to the markis now rotorne we
ffor now goth he ful faste ymaginyng
ȝif by his wywis cheer he myghte se 599
Or by hire word aperceyue that sche
Were chaungede but he neuere hire coude fynde
But euere in on I-lyke sadde & kynde 602

As glad as humble as besy in seruyse [leaf 251] 603
And ek in loue as sche was wone to be
Was sche to hym in euery manere wyse



To tempte his wyf ȝit oftere ȝif he may
O needeles was sche temptid in assay
But weddede men ne knowe no mesure
Whan that þey fynde a pacient creature

Wyf quod this Markys ȝe han herd er this
Myn peple beryth hevye oure maryage
And namely sithe myn sone I-born is
Now is it werse than euere in al oure age
The murmur sleth myn herte & myn corage
ffor to mynne eris comyth the vois so smerte
That it wel nygh distroyed hath myn herte

Now sey they thus now Waltyr is a-goon
Than schal the blood of Ianicle succede
And been oure lord / for oþere haue we non
Swich wordis seigh̄ myn peple out of drede
Weel oughte I of swich murmour takyn heede
ffor certeynly I drede swich sentence
Thogh they not pleynly speke in myn audience

I wolde leue in pees ȝif that I myȝte [leaf 251, back]
Wherfore I am disposed vttyrly
As I his sistyr seruede be nyghte
Ryȝt so thynke I to serue hym priuyly
This warne I ȝow that ȝe nat sodeynly
Out of ȝoure self / for no woo schulde out-raye
Beth pacient & þerof I ȝow praye

I haue quod sche seyd thus & euere schal
I wol nothyng / ne nyl nothyng certeyn
But as þou lyst not / greuyth me at al
Thow that myn doughtir & myn sone be slayn
At ȝoure comaundement it is to seyn
I haue not had no part of chyldere tweyne
But fyrst seknesse / & aftyr wo & peyne

Ye been oure lord doth *with* 3oure owene thyng
Ryȝt as 3ow leste axseth no reed at me
ffor as I leffte at hom al myn clothy*n*ge
Wha*n* I ferst cam to 3ow ryȝt so quod sche
Lefte I my*n* wil / & myn liberte /
And tok 3oure clothy*ng* wherfore I 3ow preye
Doth 3oure plesau*n*ce I wele 3oure lust obeye

And sertis 3if I hadde prescience
3oure wil to knowe er 3e 3oure lust me tolde
I wolde it don with-outyn necligence
But now I wot 3oure lust & what 3e wolde
Al 3oure plesau*n*ce ferme & stable I holde
ffor wiste I þ*a*t myn deth wolde don 3oure ese
Ryȝt gladly wolde I deye 3ow to plese

Deth may not make non comparisoun
Vn-to 3oure loue & wha*n* this Markys say
The constau*n*ce / of his wyf he cast a doun

But sche non answere myȝte haue
He wente his wey as hym nothyng rouȝte
But to bolonye he tenderly it brouȝte 686

This Markys wonderyth euere lengere the more 687
Vp on hire pacience & ȝif that he
Ne hadde sothli knowe ther by-fore
That parfytly hire childeryn louede sche 690
He wolde a went / þat of subtilite
And of maleys or of crewel corage
That sche hath suffered / this with sad visage 693

But weel he knew þat next hym self certeyn 694
Sche louede hire childeryn best in euery wyse
But now of women wilde I axsyn fayn
If these assayis myghte not suffyse 697
What coude a sturdy husbonde more deuyse
To preue hire [1]wyffehode[1] & hire stedefast-nesse [1—1 *in a later hand.*]
And he contynuynge euere in sturdynesse 700

But þere been folk of swich condycioun 701
That whan þey han a certeyn purpos take
They can not stynte of here entencioun
But ryȝt as they were boundyn to þat stake 704
They wil not of that / ferste purpos slake
Right so this ilke markis fullyche hath supposed
To tempte his wyf / as he was fyrst purposed 707

Here waytith / ȝif be word or cuntenaunce [leaf 252, bk] 708
That sche to hym was chaungit of corage
But neuere coude he fynde varyaunce
Sche was ay on in herte & in visage 711
And ay þe ferthere þat sche was in age
The moore trewe ȝif þat it were possyble
Sche was to hym in loue & more penyble 714

ffor which it semede thus that of hem two
Nas but on wil for as Waltyr leste
The same lust was hyre plesaunce also
And god be thankede al fyl for the beste
Sche schewede wel for no wordely onreste
A wyf as of hire self nothyng ne schulde
Wille in effect / but as hire husbonde wolde

The sclaundere ofte & wyde spradde
That of a crewel herte / he wekkedely
ffor he a poore woman wedded hadde
Hath morderyd bothe hise childere priuyly
Swich mordere was a-mong hem comounly
No wondyr is for to þe peplis ere
There cam no word / but þat þey morderede were

ffor wych ther as his puple ther by / fore
Hadde loued hym wel the slaundere of his diffame

And stynte rancure & dissencioun
By-twixe þe puple & hym thus seyth þ^e^ bulle
The whiche they han pupliced at þ^e^ fulle

The rude peple as it no wondyr is
Wendyn ful wel that it hadde been ryȝt so
But whan these tydyngis cam to Grysildis
I deeme that hire herte was ful wo
But sche I-like sad for euere mo
Disposede was this vmble cryature
Thaduersite / of fortune al tendure

Abydynge euere his lust & his plesaunce
To wom that sche was ȝeuyn herte & al
As to hire verray wordely suffysaunce
But schortely ȝif this story I tellyn schal
This Markys wrytyn hath in special
A lettere in whech he schewith hys entente
And secrely he to boloyne it sente

To the erl of pauyk which þat hadde tho
Wedded his sistyr preyede he specially
To brynge hym hom a-geyn his chyldere two
In honurable estat al opynly
But on thyng he hym preyede vtterely
That he to no wyght for no manere
Sholde not telle whos childre th[e]y were

But seye the maydyn schulde I-weddid be
Vn-to the markis of saluce a-non
And as this erl was preyed so dede he
ffor at the day set he on his weye is goon
Toward saluce & lordis manyon
In ryche a-ray this made for to gyde
Hire ȝynge brothir rydynge by hire syde

A-rayed was sche toward hire maryage [leaf 253, back] 778
This fresche mayde ful of gemmys cleere
Hire brothir which seuene 3eer was of age
Arayede ek ful frosch in his manere 781
And thus in gret noblesse & with glad chere
Towar Saluces schapynge hire Iourneye
ffrom day to day they rydynge in here woye 784

[*PART V.*]

[A[1]]-Mong al this aftyr his wikkede vsage [*A space has been left in the MS for this letter.*]
This Markys 3it his wif to tempte more
To the vttyreste priue of hire corage
ffully to han experience & lore 788
3if that sche were as stedefast as by-foore
He on a day in opyn audience
fful boystously hath seyd hire this sentence 791

Certis Grisilde I hadde I-now plesaunce 792

Returnyth to 3oure faderis hous quod he
No man may han alwey *pros*perite
With euene herte I rede 3ow to endure
The strok of fortune or of auenture

And sche answerde a-noon in pacience [leaf 251]
Myn lord quod sche I wot & wyste alwey
How that by-twixe 3*our*e magnificence
And myn pouerte no wyght can ne may
Maky*n* comparysou*n* it is no nay
I ne hylde me neuere dygne in no manere
To be 3oure wyf no / ne 3oure chau*m*berere

And in this hous there 3e me lady made
The hyghe god take I for myn witnesse
And also wysely he myn soule so glade
I hyld me neuere lady ne maystresse
But vmble seruau*n*t to 3oure worthynesse
And euere schal whil my*n* lyf may dure
Abovyn euery wordely creature

That 3e so longe of 3oure benyngnetee
Han holde me in honour & nobleye
Wher as I was not worthy for to bee
That thanke I god / & 3ow to who*m* I preye
ffor 3ilde it 3ow ther is no more to seye
And to myn fadyr gladly wele I we*n*de
And with hy*m* dwelle vn-to my*n* lyuys ende

There I was fostered of a chyld ful smal
Tyl I be deed my*n* lyf there wele I leede
A wydewe clene in body herte & al
ffor sythe I 3af to 3ow myn maydy*n*hede
And am 3oure trewe wyf it is no drede
God schilde swich a lordis wyf to take
A-nothir man to husbo*n*de or to make

And of ȝoure newe wif god of his grace
So ȝraunte ȝow wele & prosperitee
ffor I wele gladly ȝildyn hire myn place
In which þat I was blysful wone to be
ffor syth it lykyth ȝow myn lord quod sche
That whilhom were al myn hertis reste
That I schal gon .I. wele goon whan ȝow leste

But there as ȝe me profere swych dewarye [leaf 254, bk]
As I fyrst brouȝte it is weel in myn mynde
It were mynne wrechede clothis no thyng fayre
The wheche to me were hard now for to fynde
O goode god how gentyl & how kynde
ȝe semedyn be ȝoure speche & ȝoure visage
The day that makyd was oure maryage

But soth is seyd / algate I fynde it trewe
ffor in effect it preuede is in me

Al 3oure plesaunce I wele folwe fayn
But 3it I hope it be not 3oure entente
That I smokles out of 3oure paleys wente 875

3e coude not don so disonest a thyng 876
That ilke wombe in whiche 3oure chyldere leye
Schulde by-fore the peple in myn walkynge
Be seyn al bare / therfore I 3ow preye 879
Let me not lyk a werm / goon by the weye
Remembrith 3ow myn owene lord so deere
I was 3oure wyf thow I onworthy weere 882

Wherfore in guerdoun of myn maydynhede [leaf 225] 883
Whiche that I brou3te & not ageyn I bere
As vouche 3e saf / to 3eue me to myn meede
But swich a smok as I was wone to were 886
That I therwith may wrye þ^e^ wombe of hire
That was 3oure wyf / & here I take myn leue
Of 3ow myn owene / lest that I 3ow greue 889

The smok quod he that thow hast on thyn bak 890
Lete it be stylle & bere it forth with the
But wel onethe thilke word he spak
But wente his wey for reuthe & for pite 893
By-forn hyre folk / hyre seluyn strepyth sche
And in hire smok with hed & feet al bare
Toward hire faderys hous / forth is sche fare 896

The folk hyre folwyn / wepynge [1]in hire weye[1] [1—1 *later*]
And fortune ay they curssyn as they goon
But sche from wepynge kepte hire eyen dreye
Ne in this tyme word ne spak sche noon 900
Hyre fadyr þat of this tydyng herde a-non
Curseth the day / & tyme that nature
Schop hym to been a lyuys creature 903

ffor out of doute this olde poure man
Was euere in suspect of hire maryage
ffor euere he demede sythe that it be-gan
That whan the lord fulfyld hadde his corage
Hym wolde thynke it were a dispārage
To his estat so lowe for to a-lyghte
And woydyn hire / as sone as euere he myghte

A-geyn his doughtyr / hastyliche goth he
ffor he by noyse of folk / knew hire comyng
And with hire olde coote / as it myghte be
He cowerith hire / ful sorwefully wepynge
But on hire body / myghte it not brynge
ffor rude was the cloth / & sche more of age
By dayis fele / than at hire maryage

T[h]us with hire fadyr / for a certeyn space [leaf 255, bk] 918
Dwellyth this flour of wyfly pacience

There Can no man in humblesse he*m* a-quyte
As wemen [1]can ne ben half so trewe[1] [1—1 *later*]
As wemen ben but it be falle of newe 938

[*PART VI.*]

¶ ffro*m* Boloygne as this erl of pauyk come 939
Of which þe fame vp sprong bothe more & lesse
And to the peplis eris alle & some
Was kouth eek that a newe Markisesse 942
He wi*th* hy*m* broghte in swich po*m*pe & richesse
That neuere was there seyn wi*th* manys eye
So noble a-ray in al west Lu*m*bardye 945

This Markis which that shoop & knew al this 946
Er þa*t* this erl was come / sente his massage
ffor thilke sely pore [2]Gresyldis[2] [2—2 *later*]
And sche with [2]houmble[2] herte & glad visage 949
Noght in a swollyn thoght in hire corage
Cam at his heste / & on hire kneis hire sette
And reuerently & wisely / sche hy*m* grette 952

Grisilde quod he / myn wil is outirly [leaf 256] 953
This mayde þa*t* schal weddit been to me
Resseyuede ben to morwe as roially
As it possible is in myn hous to be 956
And ek that euery wi3t in his degere
Haue his estat / in sitty*n*ge & seruyse
And hegh plesau*n*ce / as I can best deuyse 959

I haue no wemen suffisau*n*t certeyn 960
The chambris for taraye in ordenau*n*ce
Aftyr myn lust & þerfore wolde I fayn
That thy*n* were / al swich manere gou*er*nau*n*ce 963
Thow knowyst ek of old / al myn plesau*n*ce
Thow thyn aray be badde & euele be seye
Do þou thyn deuer / at the leste weye 966

Nat only lord þat I am glad quod sche
To do 3oure lust / but .I. desyre also
3ow for to serue & plese in myn degre
With-outyn feyntynge & schal euere mo
Ne neuere for no wele ne no wo
Ne schal myn gost with-inne myn herte stente
To loue 3ow best / with al myn hol entente

And with that word sche gan the hous to dighte
And tabellis for to sette & al redy make
And peynede hire to don al þat sche my3te
Preyinge þ° chambereris for godis sake
To haste hem & faste swepe & shake
And sche þ° moste / seruyable of alle
Hath euery chambre arayed and his halle

A-boutyn vndryn gan this erl a-ly3te
That with hym broghte these noble childere tweye
ffor which the peple ran to seen the syght

Ay ful of clappyng deere ynogh̄ a Iane
3oure dom is fals / 3oure constau*n*ce euel p*re*uyth
A ful greet fol is he þ*a*t on 3ow leuyth̄ 1001

Thus seydyn sadde folk in þ*a*t Cetee 1002
Wha*n* þ*a*t the peple ga3ede vp & dou*n*
ffor they were glad rygh for þ^e^ noueltee
To haue a newe lady of hire toun 1005
No more of this now make I me*n*ciou*n*
But to grysilde a-geyn wil I me dresse
And telle hire constance & hire besynesse 1008

fful bisy was Grisilde / in euery thyng 1009
That to þ^e^ feste / was apertynent
Rygh nought was sche / abast of hire clothy*n*ge
Thow it were rude & su*m*del ek to-rent 1012
But with glad chier to þ^e^ 3ate is went
With o*þer*e folk to greete the Markisesse
And aftyr doth / forth hire besinesse 1015

With so glad chiere / hire gestis sche resseyuydh 1016
And so benyngnely euerych in his degre
That no defaute no man ap*er*seyuyth
But ay they wondere / what sche myghte be 1019
That in so pore aray / was for to se
And coude swich honour / & reuerence
And worthily they preyse hire prudence 1022

In al this meene while / sche ne stente [leaf 257] 1023
That mayde & ek hire broth[i]r to come*n*de
With al hire herte in ful benyngne entente
So wel þ*a*t no man coude hire pris a-mende 1026
But at þ^e^ laste / wha*n* that þ^e^ lordys wende
To syttyn dou*n* to mete he gan to calle
Grysilde as sche was bysy in the halle 1029

Grysilde quod he as it were in his pley 1030
How lykyth þ^e^ myn wif & hire beaute
Ry3t wel quod sche myn lord / for in good fey
A fayrere saugh I neuere non þan sche 1033

And so hope I þat he wele to 3ow sende
Plesaunce I-now vn-to 3oure lyuys ende 1036

O thyng biseke I 3ow & warne also 1037
That 3e ne pryke / with no turmentynge
This newe mayde as 3e han don mo
ffor sche is fosteryd in hire norychynge 1040
More tenderely & to myn supposynge
Sche coude not aduercytee endure
As coude a pore fosterede creature 1043

And whan this waltyr saugh hire pacience 1044
Hire glad chere & non maleyce at al
And he so ofte hadde don hire offence

Grisilde quod he bi god that for vs deyede
Thow art myn wif / ne non oþer ne haue
Ne neuere ne hadde as god myn soule saue

This is thyn douȝtyr / which þow hast supposyd
To been myn wyf / þat oþer feithfully
Schal been myn eyr / as I haue ay supposid
Thow bar hym in thyn body trewely
At Boloyne haue I kept hem pryuyly
Take hem a-geyn for now þow mayst nat seye
That þou hast lost non of thynne childeryn tweye

And folk that oþere weyis han seyd of mee
I warne hem weel that I haue don this dede
ffor no maleys / nor for no creueltee
But for tassaye in the thyn womanhede
And not for to sle mynne childeryn god for-beede
But for to kepe hem priuyly & stille
Til I thyn purpos knew & al thyn wille

Whan this sche herde / aswounne doun sche fallyth
ffor pytous Ioye & aftyr hire swounynge
Sche beþe hire ȝonge chyldere vn-to hyre callyth
And in hire armys / pitously / wepynge

fful lyk a modyr with hire salte terys
Sche bathith bothe hire visage & hire herys

O which a pitous thyng it was to se
Hire swounnynge & hire humble voys for to heere
Graunt mercy lord / god thanke ȝow quod sche
That ȝe han sauede me mynne chyldere deere
Now rekke I neuere to been ded ryȝt here
Sithe I stonde in ȝoure loue & in ȝoure grace
No fors of deth ne whan myn spiryt pace

O tendere o ȝonge o deere childere mynne [leaf 226] 1093
ȝoure woful modyr / wende stedefastly
That crewel houndis / or sum foul vermyn
Haddyn etyn ȝow / but god of his mercy 1096
And ȝoure benyngne fadyr tendyrly

Al sodeynly sche swapte a-doun to grounde 1099

And in hire swough so sadly holdyth sche 1100
Hyre chylderyn two / whan sche gan hem tenbrace
That with gret sleyȝt / & gret difficultee
The chyldere from hire arm / they gunne a-race 1103
O manye a ter / on manye a pitous face
Doun ran of hem that stodyn hire besyde
Vnnethe a-boutyn hire myȝte they not a-byde 1106

Walter hire gladith / & hire sorwe slakyth 1107
Sche rysith vp abaschid from hire traunce
And euery wiȝt hire Ioye & feste makyth

ffor more solempne in euery manys syȝt
This feste was & grettere of costage
Than was the reuel of hyre maryage 1127

fful manye a ȝeer in hih prosperite [leaf 258, back] 1128
Lyuyn these too in concord & in reste
And richely his doghtyr maryede he
Vn-to a lord on of the worthieste 1131
Of al ytayle & þanne in pees & reste
Hise wyuys fadyr in his court he kepith
Tyl þat þe soule out of the body crepith 1134

His sone succedith in his heritage 1135
In reste & pees aftyr his faderys day
And fortenat was ek in mariage
Al put he nat his wif in greet assay 1138
This world is nat so strong It is no nay
As it hath been in olde tymys ȝoore
And herkenyth what this auctor seyth therfore 1141

This stori is seyd noght for that wyuys schulde Auctor
ffolwyn grysilde as in humylitee
ffor it were importable thogh they wolde
But for that euery wight in his degree 1145
Schulde been constaunt in aduersitee
As was Grisilde / therfore this Petrak wryteth
This story which he with high style endyteth 1148

ffor sythe a woman was so pacient 1149
Vn-to a mortal man wel more vs oghte
Receyuyn al in gre þat god we see
ffor greet skele is he / preue that he wroghte 1152
But he ne temptyth no man that he boughte
As seith seynt Iame / If ye his pistyl reede
He preuyth folk al day/ it is no drede 1155

And sufferyth vs as for excercice 1156
With scharpe schourgis / of aduercitee
fful ofte to be bet in sundery wyse
Not for to knowe oure wil for certis he 1159
Er we were born knew al oure freletee
And for oure beste is al his gouernaunce
Lat vs thanne lyue in verteuous sufferaunce 1162

But on word lordynyis herkenyth er I go [leaf 250] 1163
It were ful hard to fynde now on dayis
In al a toun Grysildis thre or two
ffor ȝif that thei were / put to swych a-sayis 1166
The gold of hem han now so badde alayis
With bras that thogh the coyn be fayr at Iye
It wele rathere breste atwo than plye 1169

ffor whicℏ heere for the wyuys loue of bathe 1170
Whos lyf & al hyre secte god meynteene

O noble wyuys ful of prudence
Let noon humilite 3oure tunge nayille
Ne lat no klerk haue cause nor dilygence
To wryte of 3ow a story of swych meruaile
As of Grisildis pacient & kynde
Lest Chicheuache / you swolwe in hire entrayle

ffolwith Ecco / that holdyth no sylence
But euere answerith at the countretayle
Beth not bedaffyd for 3oure Innocence
But scharpely takyth on 3ow the gouernaile
Enpryntith wel this lessoun in 3oure mynde
ffor comune profyt / sithe it may a-wayle

Ye Archewyuys stondyth at 3oure defence [leaf 259, back]
Syn 3e been stronge as is a greet Camayle
Ne sufferyth nat / þat men 3ow doon offence
And sklendere wyues feble as in batayle
Beeth egre as is a tigre 3ong in 3outhe
Ay clappith as a melle I 3ow consayle

Ne drede hem nat do hem no reuerence
ffor thow thyn husbond / armede be in mayle
The arwis of thyn crabbede eloquence
Schal perce his brest & ek his auentayle
In Ialusye I reede ek thow hym bynde
And thow schat make hym couche as doth a quayle

If thow be fayr / ther folk been in presence
Schewe thu thyn visage & thyn aparayle
3if thow be foul be fre of thyn dispence
To gete the frendys ay do thyn trauayle
Be ay of chir as lyght as lef on lynde
And lat hym care & wepe & wrynge & wayle

Heere hath the clerk of Oxenforthe ended his tale

APPENDIX TO GROUP E, § 2.

[*? Original, but rejected, End-Link to the Clerk's Tale, perhaps following l.* 1162, *with which the paraphrase of Petrarch's Latin ends, or l.* 1169.]

This worthi clerk whan endede was his tale
Oure ost seyde & swor by godys bonys
Me were leuere than a barel ale
Myn wif at hom hadde herd this legende onys 4

Heere folwith the prologe of the marchauntes tale [If 259, back]

[Wepyng and waylyng / care and other sorwe [f 106]
I knowe I-now / on Euen and on morwe
Quod the Marchaunt / and so don othere moo
That wedded ben / I trowe that it be so
fful wel I wot / it fareth so by me
I haue a wyf / the werste that may be
ffor though the fend / to hire I-coupled were
She wolde him ouer macche / I dar wel swere 1220
what shulde I 3ow reherce / in special
hire heye malice / she is a shrewe with al
There is a long / and a large difference
Be-twix Grisildis / grete pacience 1224
And of my wyf / the passyng cruelte
were I vnbounden / also mot I the
I wolde neuere eft / comen in the snare
we wedded men / lyue in sorwe and care 1228
Assay who so wyl / and he shal fynde
That I seye soth / be seynt Thomas of Inde
As for the more part / I seye nat alle
God shilde that it shulde / so byfalle 1232
A goode sire hoost / I haue I-wedded be
Theise Monthes two / and more nat parde
And 3et I trowe / that he that al his lyue
wyflees hath ben / though that man wold him ryue 1236
Vn-to the hert / ne coude in no manere
Tellen so meche sorwe / as I now here
Coude tellen / of my wyues cursidnes
Now quod oure Host / Marchaunt so god 3ow blis 1240
Syn 3e so mechil knowen / of that art

Gladly quod he / but of myn owen sore

[Whilome þere was dwellynge in Lumbardye
A worþi kny3t þat borne was at pavye
In whiche he lyued in grete p*ros*perite
And sixty 3ere a wyfles man was he
And folowyd ay hys bodyly delyte
On wo*m*man þere as was hys appetyte
As don þese foules þat ben seculers
And whan þat he was paste sixty 3eres
Were hit for holynesse or for doteage
I can not sey but suche a grete corage
hade his knyat to be a weddid man

And leede his lyf in ioye & in solace
Where as these bachelerys synge allas
Whan that they fynde ony aduercitee
In loue which is but childis vanytee
And trewely it is weel to been so
That bachelerys han ofte peyne & wo
On brothil ground they bylde / & brothelnesse
They fynde / whan they wene sekyrnesse
They lyue but as a bryd or as a beste
In lyberte & vndyr non areste
There as a weddede man in his estat
Leuyth a lyf blysful & ordenat
Vndyr the ȝok of maryage I-bounde
Wel may his herte in ioye & blisse aboũnde
ffor who can been so buxsum as a wif
Who is so trewe & ek so ententyf
To keepe hym syk & hol as is his make
ffor weel or wo sche wele hym not for-sake
Sche is nat wery hym to loue & serue
Thogh þat he lye bedrede tyl he sterue
And ȝit some clerkys seyn it is nat so
Of which þ^e^ theofraste is on of tho
What fors thow Theofraste lyste to lye
Ne take no wyf quod he for husbonderye
As for to spare in houshold thyn dispence
A trewe seruaunt doth more diligence
Thyn good to kepe than tyn owene wyf
ffor sche wele cleyme half part al hire lyf
And ȝyf þou be sek so god me save
Thynne verray frendys or a trewe knave
Wele kepe þe bet / than sche that wayth ay [leaf 261, back]
Aftyr thyn good / & hath doon manye a day
And ȝif thow take a wyf on to thyn hold /
fful lyghtely mayst þou been a coukewold ¶ Caue
This sentence / & manye an hunderede werse
Wryth this man / there god his bonys cursse

But takyth no kep of alle swich vanytee
Defye Theofraste & herke me
A wyf is godys ȝifte verrayly
Alle oþere manere ȝiftys hardyly
As lo*n*dys[1] rentys / pasture or comune [1 *first* lordys]
Or meoblys alle been ȝiftys of fortune
That passyn / as a schadewe vp on a wal
But dredles if pleynly speke I schal
A wyf wele laste & in thy*n* hous endure
Weel lengere tha*n* the lyste pa*r*auenture
Maryage is a ful gret sakrement
He which that hath no wyf I helde hy*m* schent
He lyuyth helpeles & al desolat
I speke of folk in seculeer estat
And herke why I seye nat this for noght
That weman is for manys helpe I-wrought
The heye god[2] wha*n* he badde adam makyd [2 *first* good]
And say hy*m* al a-lone bely nakyd /

Sche seyth nat onys nay whan he seyth ye
Do this seyth he al redy sere seyth sche
O blysful ordere of wedlok precious
Thow art so merye & ek so vertyuous
And so comendit & apreuyd ek
That euery man that halt hym worth a lek
Vp-on hise bare kneis oghte al his lyf
Thankyn his god that hym hath sent a wyf
Or ellys preye to god hym for to fynde
A wif to laste vn-to his lyuys ende
ffor thanne his lyf is set in sekyrnesse
He may not ben disseyuyd as I gesse
So þat he werche aftyr his wyuys reed
Thanne may he baldely beryn vp his heed
They been so trewe & therwithal so wise
ffor which ȝif þou wilt werkyn as the wyse
Do alwey so as wemen wele þ^{e} reede
Lo how that Iacob as these clerkys rede
By good conseyl of his modyr Rebekke
Bond the kidis skyn a-boutyn his nekke
ffor which his faderis benysoñ he wan
Lo Iudith as the story telle can
By good conseyl sche godys peple kepte
And slow hym Olefernus as he slepte
Lo Abigayl bi good conseyl how sche
Sauede hire husbonde / Naabal whan þat he
Schulde a be slayn & loke Ester also

And ȝit sche wole obeye of curteysye [leaf 262, back]
A wyf is kepere of thyn husbondrye

Weel may the syke man bewayle & wepe
There as þer is no wif the hous to kepe

Loue wel thyn wif / as Cryst louede his cherche 1384
If thow louyst thyn self thow louyst thyn wyf

Woman of manye scole half a clerk is
But serteynly a 3ong thyng may men gye
Ryght as men may warm wex with handis plye
Wherfore I sey 3ow pleynly in a clause
I wele noon old wyf han for this cause
ffor 3if so were I hadde swich myschaunce
That I in hire ne coude haue no plesaunce

Of scole termys wisere men than thow [leaf 203]
As thow hast herd assentedyn right now
To myn purpos Placebo what sey 3e
I seye it is a cursede man quod he 1572

And with that word they rysyn sodeynly[1] [1 deynly *corrected:* sodeynli *in margin*]
And been assentid fully that he schulde
Been wedded whan hym leste & where he wolde 1576
¶ His fantasye / & curyous besynesse

ffor Ianuarye a-boute his maryage
Manye fayr schap & manye fayr visage 1580
There passede thorw his herte nygh[t] be nyght
As who so take a myrour pulschede bryght
And sette it in a comoun market place
Thanne schulde he seen manye a figeur pace[2] [2 *first* face]
By his myrour & in the same wyse
Gan Ianuarie in with his thought a-vyse
Of maydenys which that dwellyn hym by syde
He wiste nat where that he myghte a-byde 1588
ffor 3if that on haue beute in his face

And some were ryche & haddyn badde name
But natheles by-twixe ernest & game

And chese hire of his owene autoritee
ffor loue is blynd alday & may not see
And whan that he was in his bedde brought

Hire frossche beute & hyre age tendere
Hire myddyl smal & hire armys longe & sklendere
Hire wise gouernaunce / hire gentillesse

Nedyth nemore for hym to goon no wyde

Thanne is quod he no thyng may me displese
Saue on thyng prikyth in myn conscience
The whiche I wele reherce in ȝoure presence
¶ I haue he seyde herd seyd / ful ȝore ago
There may no man haue parfit blyssis two
This is to seyne in erthe & ek in heuene
ffor thow he kepe hym from the synnys seuene
And ek from euery braunce of tylke tree
ȝit is there so parfit felicite
And so greet ese & lust in maryage
That euere I am a-gast / now in myn age
That I schal leede now so merie a lyf [leaf 266]
So delicat with-oute woo & stryf
That I schal han myn heuene in erthe here
ffor sythe that veray heuene is bouȝt so dere
With tribulacyounnys & greet penaunce
How schulde I thanne lyue in swich plesaunce
As alle weddede men doon with here wyuys
Come to the blis there Crist eterne on liue is
This is myn drede & ȝe myne brethere tweye
Assoylyth me this questioun I preye
¶ Iustinus whiche that hatith his folye
Answerde a-noon ryȝt in his Iaperye
And for he wolde his longe tale abregge
He wolde non autorite a-legge
But seyde sere so there be noon obstakele
Othir than this god of his heye mirakele
And of his mercy may so for ȝow werche
That er ȝe han ȝoure ryȝt of holy cherche

In whiche ȝe se ther is no woo ne stryf
And ellis god for-beede but he sente
A weddede man hym grace to repente
Wel ofte rathere than a sengle man
And therfore syre the beste reed þat I can

On Assure / so meke a lok hath sche

But thus meche of hire beute telle I may
That sche was lyk the bry3te morwe of may 1748
fful fyld of alle beute & of plesaunce
This Ianewarye is rauyst in a traunce
At euery tyme he lokede on hire face
But in his herte he gan hire manace 1752
That' he that nyght in armys wolde hire streyne
Hardere than euere parys dede Eleyne
But natheles 3it hadde he greet pitee

And thou3te allas o tendere creature

Al myn corage it is so scharp & keene [leaf 267, back]

So soore hath venus hurt him with hire brond
As that sche bar daunsynge in hire hand[1] [[1] a *partly altered to* o]
And to here bed they wentyn hastyly
Na moore at this tyme speke I
But theere I leete hym weepe I-nogh & pleyne
Tyl frosche may wele rewyn on his peyne
O perylous fyr þat in the bed straw bredyth Auctor
O famulier fo that his seruise beedith
O seruaunt traitour false homeli hewe
Lyk to the neddere in bosum sly ontrewe
God schilde vs alle from 3oure aqueyntaunce
O Ianuarie dronkyn in plesaunce
In mariage se how thyn damyan
Thyn owene squyer & thyn bore man

God graunte the thyn homely fo tespye
ffor in this world is wersse pestelence
Than homely foo alwey in thyn presence
¶ Parformede hath the sunne his ark dyurne
No lengere may the body of hym soiurne
On thorisonte / as in that latitude [leaf 268]
Nigh with his mental that is derk & rude
Gan ouersprede Themysperie a-boute
ffor which departid is this blisful route
ffrom Ianuarie with stant on euery syde
Hoom tyl here housis hastily they ryde
Where as they don here thyngis as hem leste
And whan they saw here tyme goon to reste
Soone aftyr that this lusty Ianuarye
Wol go to bedde he wil no lengere tarye
He drynkith Ipocras clarre[2] & vernage [[2] ? *first* cleree]
Of spicis hoote tencresyn his corage
And manye a letuarie hadde he ful fyn
Swych as the cursede Monk daun Constantyn
Hath wretyn in his cursede bok de Coitu
To ete hem alle he was no thyng eschu

And to hise priue frendis thus seyde he
ffor godis loue as soone as it may bee
Let voydyn al this hous in curteys wyse
And they han doon ryȝt as they wole deuyse
Men drynkyn & the trauys drawe a-non
The bryde was brough a bedde as stylle as ston
And whan the bed was was with the prest I-blyssid
Out of the chambere hath euery wygh hym dressid
And Ianuarye hath faste in armys take
His frosche May his paradys his make
He lullyth hire he kissith hire ful ofte
With thilke brustelis of his berd on-softe
Lyk to the skyn of houndfysch scharp as brere
ffor he was schaue al newe in his manere
He rubbith hire a-boute hire tendere face
And seide thus allas I mote trespace
To ȝow myn spouse & ȝow gretly offende
Er tyme come that I schal doun dessende
But nathe-les consideryth this quod he

The slakke skyn a-boute his nekke shakyth
Whil that he song so chuntyth he & crakyth
But god wot wat that May thou3te in hire herte
Whan sche hym say vp syttyn in his scherte 1852
In his nyght cappe & in his nekke lene
Sche preyseth nat his pleying worth a beene
Thanne seyde he thus myn reste wele I take
Now day is come I may no lengere waake 1856
And doun he leyde his heed & slep tyl pryme
And aftyrward whan that he saugh his tyme
Vp ryseth Ianuarie but frosche may
Held[1] hire chaumbere tyl the fourte day [[1] ld *corrected*] 1860
As vsage is of wyuys for the beste
ffor euery labour sumtyme mote han reste
Or ellis longe may he not endure
This is to seyne no lyuys creature 1864
Be it of fysch or bryd or beste or man
¶ Now wele I speke of woful Damian
That languysseþ for loue as 3e schal heere
Therfore I speke to hym in this mancere 1868
I seye O sely Damyan / allas
Answere to myn demaunde as in this cas
How schalt thow to thyn lady frosche May

This syke Damyan in Venus fyr
So brennyth that he deyeth for desyr 1876
ffor which he put his lyf in auenture
No lengere myghte he in this lyf endure
But pryuyly a pennere gan he borwe
And in a lettere wrot he al his sorwe 1880
In maner of a compleynt or a lay
Vn-to his fayre frosche lady May
And in a purs of silk he hyng on his scherte
He hath it put & leyd it at his herte 1884

The mone that at noon was thilke day
That Ianuarie hath weddyd frosche May
In two of Taur was in-to Cancre glydyn
So longe hath Mayus in hire chaumbre a-bedyn
As custome is vn-to these nobles alle
A bryde schal nat etyn in the halle
Til foure or thre dayis at the leste
I-passede been thanne lat hire goon to feste
The fourte day compleet from noon to noon
Wha[1] that the hie masse was I-doon [1 *first* What]
In halle sit this Ianuarye & May
As frosche as is the bryghte somerys day
And so bi-fel how that this goode man
Remembrede hym vp-on Damyan
And seyde seyntemarye how may this be
That damyan entendith nat to me
Is he ay sik or how may it be-tyde
Hise squyeris that stodyn there by syde
Excusede hym by cause of his siknesse

At aftyr mete ȝe with ȝore women alle
Whan ȝe han been in chaumbere out of this halle
That alle ȝe go to se this damyan
Doth hym disport he is a gentil man
And tellyth hym that I wele hym visite
Haue I no thyng but restede me a lyte
And speede ȝow faste for I wele a-byde
Til that ȝe slepe faste by myn syde
And with that word he gan to hym to calle
A squyer that was marchale of his halle
And told hym serteyn wordis that he wolde
This frosche May hath streyt hire woye I-holde
With alle hire wemen on to Damyan
Doun by his beddis syde sit sche than
Confortynge hym as goodly as sche may
This damyan whan that his tyme he say
In secre wyse his purs & ek his bille
In which that he I-wrytyn hadde[1] his wille [1 he *erased*]
Hath put In-to hire hand with-outyn moore
Saue þat he sikyth wondyr deepe & soore
And softely to hire thus seyde he
Mercy & that ȝe nat discouere me
ffor I am deed ȝif that this thyng be kyd
This purs hath sche / in with hire bosum hid
And wente hyre woy ȝe gete no more of me
But vn-to Ianuarye I-comyn is. sche
That on his. beddis. syde sat ful softe
And thakyth hire & kysseth hire ful ofte
And leyde hym doun to slepe & that a-non [leaf 270]
Sche feynede hire as that sche muste goon
There as ȝe wot that euery man mot neede
And whan sche of that bille hath takyn heede
Sche rente it al to cloutis at the laste
And in the pryue softely it caste
¶ Who stodyeth now but fayre frosche May

A-non he preyede hire to stryppe hire al nakyd [1 *first* coghe]
He wolde of hire he seyde han sum plesaunce
And seyde hire clothis dide hym encumbraunce 1960
And sche obeyeth be hire lef or loth
But lest the precious folk be with me wroth
How that he wrouȝte I dar not to ȝow telle
Or whethir hire thoughte it ^paradys or helle 1964
But heere I lete hem werke in hire wyse
Til euynsong rong & thanne they muste ryse
Were it by desteny or by auenture
Were it by influence or by nature 1968
Or constellacioun / that in swich estat
The heuene stood / that tyme fortunat
ffor to putte a bille / forth of venus werkis
ffor alle thynge hath tyme / as sey these clerkys 1972
To ony woman for to geete hire loue
I can not seye but greete god a-boue
That knowith that noon act is causeles

And hem reioysyn in hire crewel pryde
And rekkyn nat to been An homytyde

There lakkyth not but only day & space
Where that sche my3te vn-to his lust suffyse
ffor it schal been ry3t as 3e wele deuyse
And whan sche saugh hire tyme vp-on a day
To visite þis Damyan/ goth May
And subtyly this lettere dou*n* sche threste
Vndyr his pilwe rede it 3if him leste
Sche takyth hym by the hand & harde[1] hy*m* twyste
So secrely that no man of it wyste

And bad hy*m* been al hol / & forth sche wente
To Ianuarye wha*n* that he for hire sente
¶ Vp ryseth Damya*n*[2] the nexte morwe

He dooth al th[at] hy*m* luste & lykyth
And ek to Ianuarye he goth as lowe
As euere dede a dogge for the bowe
He is so plesau*n*t on to euery man
ffor craft is al / ho so do it can
That euery wy3t is fayn to don hy*m* good
And fully in his ladyis grace he stood
Thus leete I Damyan a-boute his neede
And in myn tale forth I wele procede
¶ Some clerkis seyn that felicitee
Stant in delyt / & therfore serteyn he

His housynge his a-ray as honestely
To his degre was makyd as a kyng is
A-mongis his othere honeste thyngis

He made a gardyn wallede al wyth stoon
So fayr a gardyn woot I nowher noon
ffor out of doute I verrayly suppose
That he that wrot the romauns of the rose 2032
Ne coude of it the beute weel deuyse

And therwithal the fyr of Ielusye
Lest that his wif schulde falle in sum folye

[AT Sarray in þe londe of Sarcarye [*leaf* 78, *back*]
There dwelt / a kynge þat weryd Russye
Thouȝe whiche þere dyede many a duȝty man
Thys noble kynge was clepyd Kambynskan
whiche in his tyme was of so grete rennoun
That þer was nouthir/ in regioun
So excellent a lord / in alle þinge
Hym lakkith̄ nouȝt þat longith̄ to a kynge
As of þe Cite whiche he was borne

And þerto he was hardy wyse & ryche
And pitouse & Iuste alle wey yliche
Sothe of/ hys worde benygne & honorable
Of/ his corage as eney centre stable]

And kepte a[lle wey so wele ryalle estate]
That there na[s nouthir suche a nobere man]
This noble kyng [of Tartre þis Kambynskan]
Hadde two sonys on [Eltheta his wif]
Of whiche the eldeste [hiȝt Algarsife]
That o*þer* sone was clepid [Camballo]
A doughtyr hadde this worth[y kynge also]

But for to telle ȝow al hire beautee

And by his syde a nakede swerd hangyng
And vp he ridyth to the heye bord [leaf 278]
In al the halle ne was there spoky*n* a word

With so heigh reuerence & obeysau*n*ces
As weel in his speche as in hise cuntenau*n*ces
That Gaweyn w*ith* his olde curteysye
Thow he weere comy*n* a3en out of fayrye
Ne coude hy*m* not amendy*n* / with a word
And aftyr thys by-fore the heye bord

3oure excellent doughtyr that is here
Te vertu of the ryng 3if 3e wile heere
Is this that 3if hire luste it for to weere
Vp-on hyre thumbe or in hire purs it beere
There is no foul that flyeth vndyr the heuene
That sche ne schal weel vndyrstondyn his steuene
And knowe his menyng opynly & pleyn
And answere hym in his langage a-geyn
And euery gres that growyth vp on roote
Sche schal ek knowe & whom it schal don boote
Alle be hise woundys neeuere so deepe & wyde
This nakede swerd that hangyth by myn syde
Wich wertew hath that what man þe smyte
Thouru out his armeur it wele byte
Were it as thikke as is a brauncheede ook
And what man is wounded with that strok
Schal neuere be hol tyl þat þou lest of grace [leaf 279]
To stroke hym with the plat / in þat place
Theere he is hurt this is as meche to seyn

Stryke hym on the wounde & it wele close
This a verray soth with-oute glose
It faylyth not whil it is in 3oure hoolld
And whan this kny3t hat thus his tale told
He rydyth out of halle & doun he lytyth
His steede whiche þat schon as sunne brighte
Stant in the court stylle as ony stoon
This knyght is to hise chambere lad a-noon
And is on arayed & to mete I-set
These presentis been ful ryally I-fet
This is to seyne the swyrd & the myrour
And born a-non in-to the hye tour
with serteyn offycerys[1] ordeynyd there fore [[1] ys *corrected*]
And on to Canacee this ryng was bore
Solempnely ther sche sit at þe table
But sikyrly with-outyn ony fable

The hors of bras that may not been remeuyd
It stant as it were to the ground I-glewyd
Ther may no man out of the place it dryue
ffor noon engyn of wyndas or palyue
And cause whi for they can not the craft
And therfore in the place they han it laft
Til that þe knyght hath taughte hem the manere
To voydyn hym as ȝe schal aftyr heere
¶ Gret was the pres that swarmyth to & fro
To gauryn on this hors that standyth so
ffor it so high was & so brod & long
So wel proporciounnyd for to been strong
Ryȝt as it were a stede of lumbardy
Therto so horsely & so quyk of Iye
As it a gentil poleys Courser were
ffor certis from his tayl vn-to his eere
Nature ne art ne coude hym nat a-mende
In no degre as al the peple wende

And seyde he lyede it is rathere lik
An apparence mad by sum Magyk
As Iogelouris pleye at these [1]festis greete[1] [[1—1] *corrected*]
Of sundery doutis thus they Iangele & trete[2] [[2] *trete corrected*]
As lewede peple demyth comounly
Of thyngis that been mad more subtily
Than they can in here louwedenesse comprehende
They demyn gladly to the baddere ende
And some of hem wonderedyn on the myrour
That born was vp in the hyghe tour
How men myȝtyn in it sweche thyngis see
A noþer answerde & seyde it may wel be
Naturelly by compociciounnys
Of angles & of slygh reflecciouns
And seydyn þat in rome was swich on
They spoken of Alocen & Vituloun
And Aristotle þat wrytyn in here lyuys
Of queynte Mirouris & of prospectyuys
As knowyn they that han here bokys herd
And oþere folk han wonderede on the swerd
That wolde partyn thour out euery thyng [leaf 2 [30]]
And fille in speche of Tholophus þe kyng
And of achilles with his queynte speere
ffor he coude with it bothe hele & dere
Rygh in swich wise as men myȝte with the swerd
Of which ryȝt now ȝe han ȝoure selue herd
They spekyn of sundery hardyng of metal
And spoke of medycynys therwith-al
And how & whanne it schulde I-hardit be
Whiche is vnknowe algate[3] on-to me [[3] *to corrected*]
Tho speke they of Canaceis ryng
And seydyn alle of that swych a wondyr thyng
Of craft of ryngis herde they neuere noon
Saue that he moyses & kyng salomon
Hadde a name of rounnynge in swich art
Thus seyth the peple & drawyn hem a part

But natheles some seydyn that it was
Wondyr to makyn oof fern aschyn glas
And ȝit ne is glas lich aschyn of fern[1] [1 fern *corrected, from a lightly written* fern *in the margin*]
But for they han knowyn it so fern
There-fore chesen hire Iangelyng & hire wondyr
As soore wonderyn some of on cause of ȝoundyr
On ebbe on flod on gossomyr & on myst
And alle thynge tyl that the cause is wist 260
Thus Iangele they & deeme & deuyse
Til that þe kyng gan from his bord a-ryse
Phebus hath left the angle meridional
And ȝit ascendyng was the beste royal 264
The gentyl lyoun with his aldryan[2] [2 n *corrected*]
Whan that this tartre Cambynscan[3] [3 P *MS* Cambynscan]

Vn-to the te*m*ple as reson was they wende

What nedyth [1]me reherce al here a-ray [[1] m *corrected*]
Eche man wiste wel þ*a*t a kyngis feste[2] [[2] *first* e *corrected*]

At aftyr sopir goth this noble kyng

Of lordis & of ladyis hy*m* a-boute
Swich wonderyng was on this hors of bras
That syn the greete sege of Troye was
Ne was there swich a wonderyng as was tho
There as men wonderedy*n* on an hors also
But finally this kyng askyth this knyght
The vertu of this courser & the my3t
And preyede hy*m* to telle his gouernau*n*ce
This hors anon be-gan to tryppe & dau*n*ce
Whan that this knyght leyde hand vp-on his regne [leaf 281]
And seyde sire there nys no moore to seyne

And whan 3e come there as 3ow leste abyde
Bydde hy*m* discende & trylle a nothir pyn
ffor theere lyth theffect of al the gyn
And he wele dou*n* descende & don 3oure wille
And in that place he wele sto*n*de stylle

Thow al the world the co*n*trarye haddyn swore
He schal not thens been drawe ne bore
Or ȝif þou wit bidde hy*m* thenys goon
Trille this pyn & he wele vanyche a-noon
Out of the syȝte of euery maneere wyȝt
And come a-geyn be it day or nyght
Whan that þou lystist to clepy*n* hy*m* a-geyn
In swich a gyse as I schal to ȝow seyn
Bi-twixe ȝow & hy*m* & that ful sone
Ride whan þou lyste there is no moore to doone
Enformede whan that kyng was of that knyght
And hath co*n*seyuid in his wit a ryȝt
The manere & the forme of al this thyng
Thus glad & blythe this nobele kyng
Repeyrith to his reuel as by-foryn
The brydyl is in to the tour I-boryn
And kept a-mong hyse [1]Iewelys leue & deere [1 ew corrected]
The hors vanyschit I not in what maneere

And seyde madame whe*þer* wele 3e goon
Thus erly for the folk been alle at reste
I wele quod sche a-ryse for me leste
No lengere for to slepe & walke a-boũte
Hire Maystresse clepid wemen a greet route
And vp they ryse weel a ten or twelue

Not but w*ith* fyue or sexe of hyre meyne
And in a trench forth in the park goth sche

The vapour which that from the erthe glod
Made the sunne to seme rody & brood
But natheles it was so fayr a syȝt
That it made alle here hertis for to lyȝt
That for the sesoun & the morwenynge

Tyl that myn herte to pitous & to nyce

So sorwefully ek that I wende verrayly
That he hade felt as meche harm as I

But natheles I thoute he was so trewe
And ek that he repeyre schulde ageyn

And resoun wolde ek that he moste go

Thys olde gentell Brytouns in hir/ dayes

Opere elles radden hem for her plesaunce
And oñ of heme haue I in remembraunce
Whiche shalle seye *with* as goode wille as I can
But Sires be cause þat I am a burell man
At my begynnynge firste I you be-seche
hauethe me excused of my rude speche

He for his lady wrouȝte er sche weere wonne
ffor sche was on the fayreste vndyr sunne
And ek therto come of so hegh kynrede
That weel onethe durste this knyȝt for drede
Telle hire his woo his peyne & his distresse
But at the laste / sche for his worthynesse
And namely for his meke obeysaunce
Hath swich a pete cauȝt for his penaunce
That pruyuyly sche fel of his acord
To take hym for hire husbonde & for hire lord
Of swich lordschepe as men han of here wyuys
And for to leede þe more in blysse hire lyuys
Of his frewil he swoor hire as a knyȝt
That he neuere his lyue day ne nyȝt
Ne schulde vp on hym take maystrye
A-geyn hire wil ne kythe hire Ialusye
But hire obeye & folwe hire wil in al
As ony louere to his lady schal
Saue that the name of souereynte
That wele he haue for schame of his degre
Sche thankede hym with ful greet humblesse
And seyde sire seyth of ȝoure gentillesse
ȝe profere me to haue so greet a reyne
Ne wolde neuere god be-twyn vs tweyne
As in myn gylt were other werre or stryf
Syre I wele be ȝoure humble trewe wyf
Haue here myn trouthe tyl myn herte breste
Thus been they in quyete & in reste
ffor o thyng syrys sauely dare I seye
That frendys eueryche oþer moote obeye
ȝif they wele longe holde cumpannye[1]
Loue wele not been constreynede by maystrye
Whan maystrye comyth the god of loue anon
Bethith his wyngis & farewel he is goon
Loue is a thyng as ony spyryt free
Wemen of kynde desire libertee

And not to been constreynd as a thral
And so don men ȝif I soth seyn schal
Loke ho so most is pacient in loue
He is at his auaun*t*ag al a-boue
Pacience is an high vertu certeyn
ffor it venquyschith as these clerkis seyn
Thyngis þ*at* rygour schulde neuere atteyne
ffor euery word men may not chide or pleyne
Lernyth to suffere or ellis so mote I goon
ȝe schul it lerne whe*þer* ȝe wele or non
¶ ffor in this world serteyn there no wyȝt is
That he ne doth or seyth su*m*tyme a-mys

Causeth oftyn to don amys or spekyn
On euery wrong a man may not been wrekyn
Aftyr the tyme muste be thate*m*pera*un*ce
To euery wyȝt that can on gouernau*n*ce
And therfore hath this wyse worthi knyȝt

That is be-twyn an husbonde & his wyf [leaf 288]
A ȝeer & more lastyth this blysful lyf
Tyl that the knyȝt of whom I spak of thus
That of kayrrud was clepid Arueragus
Schoop hym to goon & dwelle a ȝeer or tweyne
In Ingelond that clepid was er Breteyne
To seeke in armys worschepe & honour
ffor al his lust he sette in swich labour
And dwelte there too ȝeer the bok seyth thus
Now wele I stynte of this [1]Arueragus [[1] A, *first* a]
And speke I wele of dorigious his wyf
That louyth hire husbonde as hire lyf
ffor hyse[2] absence wepith sche & sykyth [[2] *first* hire]
As doon these noble wyuys whan hem lykyth
Sche / mornyth / wakyth / waylyth / fastith pleynyth
Desyr of hise presens so hire streynyth
That al this wyde world sche sette at nouȝt
Hire frendys whiche that knewe hyre heuy thouȝt

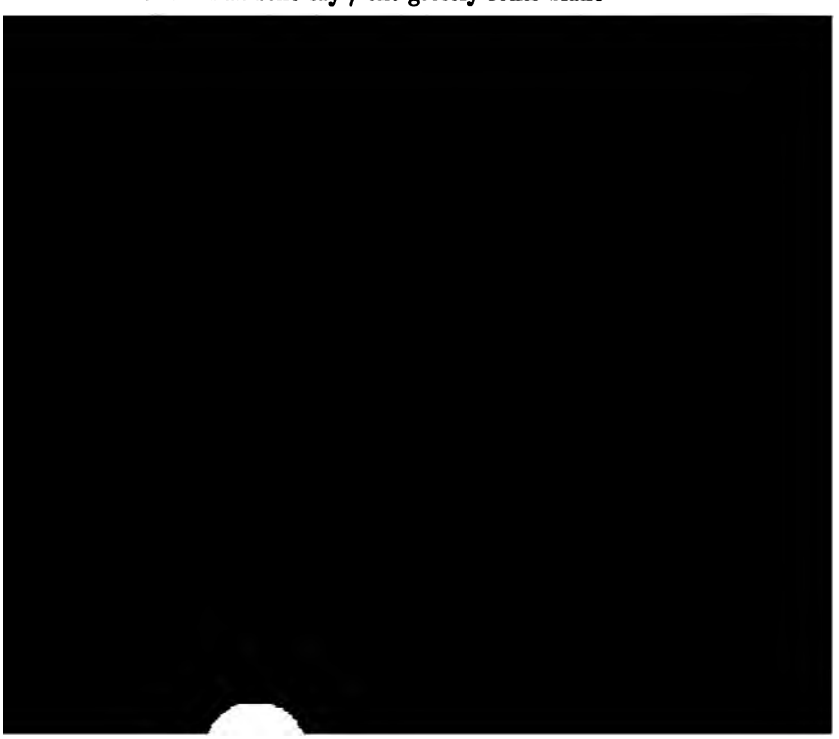
They preche hire they telle hire nyght & day
That causeles sche sleth hyre selue allas
And euery confort possible in this cas
They don to hire with al here besynesse
Al for to make hire leue hire heuynesse
By proces as ȝe[4] knowyn euerichoon [[4] ȝe *corrected*]
Man may so longe grauyn in a stoon
Tyl sum fygure ther-in enpryntid be
So longe han they confortid tyl that sche
Resceyuede hath by hope & by resoun
Thenprentyng of [5]hire consolacyoun [[5] h, *first* ȝ]
Thorw whiche / al hire sorwe gan swage
Sche may not al wey duryn in swych rage
And ek [6]Aruerag*us* in al this care [[6] A, *first* a]
Hath sent hire lettere hom of his weelfare
And that he hastely wele come a-geyn
Or ellis hadde this sorwe hire herte slayn

Here freendis saw hyre sorwe gan a-slake
And preyede hire / on kneis for godis sake
To comyn & romyn heere in cumpanye [leaf 228, back]
A-wey to dryue hire derke fantasye
And finally sche grauntede that requeste
ffor wel sche thou3te it was for the beste
Now stood hire castel faste by the see
And oftyn with hire frendis walkede sche
Hire to disporte on this banke an high
Where that sche manye a schip & barge seigh
Seylynge here cours / where as hem leste goo
But thanne was that a parcel of hire woo
ffor to hire self ful ofte seyde sche
Is there no schip / of so manye as I se
Wil bryngyn hom myn lord thanne were myn herte
Al warychid of hire bittere peynys smerte
A nothir tyme there wolde sche sitte & thynke
And caste hire eyen / doun fro the brynke
But whan sche say / the gresely rokis blake



An hunderede thousent / bodyis of mankynde
Han rolkis slayn / al ben they nat in mynde
Whiche mankynd is / so fayr a part of thyn werk
That þou it madist / lyk to thyn owene merk
Thanne semythit ȝe hadde a gret chiertee [leaf 289]
Toward[1] mankynde but how thanne may it be [[1] o *corrected*]
That ȝe sweche meenys make it to distroyen
Whiche menys doon no good but euere a-noyen
I wot wel clerkys wele seye as hem leste[2] [[2] este *corrected*]
By argumentis that al is for the beste
Thow I ne can the causis not I-knowe
But that god / that made wynd to blowe
As keepe myn lord / this is myn conclusioun
To clerkis leete I al discripcioun
But wolde god that alle these rokkis blake
Were sunkyn in-to helle for his sake
These rokkis sleen myn herte for the fere
Thus seyde sche with manye a pitous teere
Hire fryndys saw that it was no disport
To romyn by the se but disconfort
And schopyn for to pleyen sum wher ellis
They leddyn hire by reueris & by wellis
And ek in othere places delectables
Th[e]y dauncedyn the[y] pleyedyn at ches & tablys
So on a day ryȝt in the morwetide
Vn-tyl a gardyn that was ther byside
In whiche they haddyn mad here ordenaunce
Of vitaylis & of othere puruyaunce
They goon & pleye hem al the longe day
And this was on the sexte morwe of may
Whiche may hadde peyntid wit[h][3] hise softe schourys [[3] h *later*]
This gardyn ful of leuys & of flouris
And craft of manys hand so curiously
Arayed hadde this gardyn trewely
That neuere was thare[4] gardy of swich a prys [[4] *first* that]
But it hadde been the verray paradys

The odour of flourys & the frosche syght
Wolde han maad ony herte for to lyȝt
That euere was born but ȝif to gret seknesse
Or to groet sorwe hadde it in distresse
So ful it was of beute with plesaunce
At aftyr dyner gunne thei[1] to daunce [[1] later]
And synge also saue dorygeen[2] alone [[2] orygeen cor.] [lf 289, bk]
Whiche maade alwey hire compleynt & hyre mone
ffor sche ne saw hym on the daunce go
That was hire husbonde & hire loue also
But natheles sche mote a tyme (a-byde

And was a man of worchepe & honour
And hadde I-knowyn hym of tyme ȝore

To hire of loue he hadde of it no doute
He not entendyth to no swich matere
But dauncith Iustyth makyth hire good chere
And thus in Ioye & blysse I leete hem dwelle
And of the sike Aurelyus I wele 3ow telle
¶ In langure & in turnemen furyus
Two 3eer & moore lay wreche aurelyus
Er ony foote he my3te on erthe goon

Of this matere he durste no word seyn

And so fer forth it greuede hym the moore [*spurious*]
Than euere dede Pamplius or Galatheene
His brest was sor with-outyn for to sene
But in his herte ay was the arwe kene
And weel 3e knowe that of a sursanure
In surgerye is parlious the cure
But men my3te tuche the arwe or come therby

He hym remembrede that vp-on a day
At orlionys in stodie he say
Of magyk naturel whiche that his felawe

What schulde I make a lengere tale of this
Vnto hise brotheris bed he comyn is

GROUP C. FRAGMENT IV.

§ 1. THE DOCTOR'S TALE.

CAMBRIDGE MS.

[and begynneth þe tale [Sloane MS 1685, *on leaf* 178]

There was as tellith̄ me Titus lyueus.
A knyȝt/ þat clepid was Virgineus
Fulfyllyd of honoures and of worþinesse
And stronge of ffrendes and of grete rychesse [leaf 178, back]
A douȝtyr/ he hade by hys wyf/
And neuere hade he mo in alle hys lyf·
ffayre was þis mayde in excellent' beute

My lord/ and I ben fully at accorde [Sloane MS 1685]
I made hir/ to þe worshipe of my lord
So do I alle myne oþere creatures ·
Of what coloure þei be or what figures
þus semethe me þat nature wolle say
This mayde was of/ age twelue ȝeere & twey
In whiche þat nature hath suche delyte
For riȝt/ as she can peynte as lyly white
And rudy as roose riȝt with suche paynture
She paynteth hath þis noble creature
Or she was borne vpon hir/ lymes fre
Were also bryȝt/ as suche coloures shuld be
And Phebus dyed hade hir/ tressys grete
Lyke to þe stremes of his bornyd heete
And ȝif þat excellent was hir/ beaute ·
A þousand sithe more Vertuouse was she [leaf 179]
In her/ ne lacked no condicioun
That/ ys to preyse as by discrecioun
As wele in body as goste Chast was she
ffor whiche she floured in Virgynite
With alle humilite and abstynence
With alle temperance & pacience
With mesure eke and berynge of array
Discrete she was in answerynge alway
Though she were wys as Pallas dar I sayne
hir/ faucond eke fulle womanly & pleyne
None counterfetid termes hade she
To seme wys but / aftyr/ hir/ degre
Sche spake alle hir/ wordes more and lesse
Sounynge in vertu and in gentilnesse
Constant in hert / and euere in besynesse
Schamefaste she was in maydens shamefastnesse
To dryue hir/ oute of hir/ slougardye
Bacus hade of/ hir/ mouthe no Maystrie
ffor wylle and þouȝt done Venus encrece
As men in fyre wille casten oyle or grece

And of/ hir/ owen vertu vnconstreyned [Bloomo MS 1686]
She hathe fulle ofte tyme hir/ seeke feyned
ffor þat she wolde fle þe companye
Where likly was to treten of foly 64
As ys at feestes Reueles and at daunces
þat/ bene occasions of/ dalyaunces
Suche thynge maken · Chyldren for to be
To sone rype and bolde as men may see 68
Whyche ys fulle peryllous and hath bene yore
ffor alle to sone may she lerne lore
Of/ boldenesse whan she ys a wyf
And ȝe maystresses in youre olde lyf 72
þat/ lordes douȝters han in gouernaunce
Ne taketh of/ my worde no displesaunce
Thynges þat ben sette in gouernynges ·
Of lordes douȝters only for two thynges [leaf 179, back] 76
Ouþer for ȝe han kepte youre honeste
Oþere elles ȝe han fallen in frelete
And knowen wele ynouȝe þe olde daunce

Be ware þat be ensample of/ youre liuynge [Sloane MS 1685]
Outher by necligence of Chastisynge
That þei ne perysshⁿ for I dare wele say
3if þat/ þei done 3e shulle fulle sore obeye
Vnder .a. sheperd softe and necligente
The wolfe hath many an sheepe & lambe to-rente
Suffisethⁿ on · ensample nowe as here
ffor I mote turne a-yeyne to my matere
Thys mayde of whiche I telle my tale expresse
Sche kepte hir selfe hir/ nedeth no maystresse
ffor in hir lyuynge maydens my3t/ rede
As in a booke euery gode worde & dede
That longethe to a mayde vertuous
Sche was so prudent and so bounteuous ·
ffor whiche oute spronge on euery syde
Bothe of hir/ beaute and of hir/ bounte wyde [leaf 180]
þat/ þorou3e þe londe þei preysed hir eccheone
That/ louyd vertu safe Envie allone
þat/ sorye ys of oþere mennes wele
And glad ys ofⁿ hys sorowe and vnhele
The docture maketh þis discripcioun
Thys mayde wente on a day into þe toun
Towardⁿ þe temple with hir/ moder/ dere
As ys ofⁿ yonge maydens þe manere
// Now was þere a Iustice in þe toun

And so by-felle thys Iuge hys eyȝen caste

As she come forthⁿ by þere þe Iuge stoode
A-none his hertⁿ chaungethⁿ and hys mode
So was he/ cau3t/ with beaute ofⁿ þis mayde
And to hym · self/ fulle pryuely he saide
Thys mayde shalle be myne for ony man
A-noone þe feende in-to hys hert/ ranne
And tau3te hym sodeynly by/ what slei3t/
þe mayde to hys purpos wynne he my3t/

ffor certes by no force ne by no mede [Sloane MS 1685]
hym þouȝt he was not able for to spede
ffor he was stronge of frendes and eke she
Confermyd was in suche souereyne beaute
þat/ wele he wyste he myȝt/ hir/ nevere wynne
As for to make hir *with* hir/ body synne
ffor whiche *with* grete deliberacio*u*n
he sent/ aftyr/ a Clerk/ in-to þe toun
The whiche he knewe for sotelle and for bolde
Thys Iuge vnto þis Clerk' his tale hathe tolde
I secre wyse and made hym to assure
he shulde telle it to no creature
And ȝif/ he did he shulde lese hys hede
Whan ascented was þis cursid reede
Glad was þe Iuge and made glad chere
And ȝafe hym ȝiftes precious & dere [*leaf* 180, *back*]
Whan shapen was alle þis conspiracie
ffrom poynt to poynt how þat his lecherie

I wele it preue / & fynde it good witnesse

Lat do hym calle & I wele gladli here

And eek there was a polkat in his hawe
That as he seyde his capounnys hadde he slawe
And fayn he wolde wreke hym ȝif he myȝte
On vermyn that destroyede hym be nyghte
¶ The potecarye answerde & thow schalt haue
A thyng that also god myn soule saue
In al this world there is no creature
That etyn or drynk of this confyture[1] [1 y corrected]
Nat but the moutenaunce of a corn of wheete [leaf 311, back]
That he schal his lyf a-noon for-leete
Ya sterue he schal and that in lasse while
Than thow wylt gon a pas nat but a myle
The poysoun is so strong & violent
[illegible] man hath in his hond I-hent

and with that word it happede hym *per*cas
To take the botel there the poysoun was
And drank & 3af his felawe d[r]ynke also
ffor whiche a-noon they storve bothe two
¶ But certys I suppose that Aucyen
Wrot neuere in no canoun ne in no fen
Mo wondere sygnys of enpoysounnynge
Than hadde these wrechis two er hire endynge
Thus endede been these homycidis two
And ek the false enpoysonere also
¶ O cursede synne of alle cursedenesse
O traytourys homycyde / o wikkedenesse
O glotonye / luxurye / & hasarderye
Thow blasphemere of cryst *with* vilonye
And othis greete of vsage & of pryde
Allas mankynde how may it betyde
That to thyn creatour whiche that the wrough [leaf 312]
And with hise precious blood the bough
Thow art so fals & so vnkynde allas
Now goode men god for-3eue 3ow 3oure trespas
And ware 3ow from the synne of auerycе
Myn holy pardoun may 3ow alle waryce
So that 3e offere / noblis or starlyngis
Or ellys syluyr sponys brochis ryngis
Bowith 3oure heed vndyr this holy bulle
Comyth vp 3e wyuys offerith of 3oure wolle
3oure name I entere here in myn rolle a-non
In-to the blysse of heuene schul 3e gon

Yow that wele offere as clene & eek as cleer
As 3e weryn born & lo seris thus I preche
And Ihesu cryst that is oure soulys leche
So graunte 3ow his pardoun to resceyue
ffor that is best I wele 3ou nat disceyue
But seris on word forgat I in myn tale
I haue relikys & pardoun in myn male

As fayre as ony man in yngeland
Whiche were me ȝouyn by the popis hand
ȝyf ony of yow wele of deuocyoun
Offeryn & han myn absolucioun 924
Comyth forth anon & knelyth here a-doun
And mekely resseyuyth myn pardoun
Or ellis takyth pardoun as ȝe weende
Al newe & frosch at euery mylys ende 928
So that ȝe offere alwey newe & newe
Nobelis & penys whiche that been goode & trewe
It is an honour to eueriche that is here
That ye mowen haue a suffycient pardonere 932
To a-soyle ȝow in cuntre as ȝe ryde
ffor auenture whiche that may be-tyde
Perauenture there may falle on or two
Doun of his hors & breke his nekke a two 936
Loke which a seurete it is to ȝow alle
That I am in ȝoure felaueschepe I-falle
That may assoyle ȝow bothe more & lasse [leaf 312, back]
When that the soule schal from the body passe 940

So wroth he was he wolde no word seye
Now quod oure ost I wele no lengere pleye
With the ne with noon othyr angery man
But rygh a-noon the worthy knygh be-gan
Whan that he saw that al the peple lough
Na moore of this for it is ryght I-nough
Sire p*ar*doneer be merie & glad of cheere
And sere ost that been to me so deere
I preye 3ow that 3e kysse the pardou*n*neer
And pardou*n*ner I preye the drawe the neer
And as we dede lat vs laughe & pleye
Anon they kyste & rede forth here weye

Here endith the pardonneris[1] tale [1 ? *second* n]

GROUP B. (β. FRAGMENT III.)

§ 4. THE SHIPMAN'S TALE.

[& begynneth þe tale [Sloane MS 1685, leaf 122.]

A Marchaunt whilom̃ dwellyd at seynt denys
þat riche was for which̃ men helde hym wys
A wyfe he hade of excellent beaute
And compenable and reuerent was she
Whiche ys a thynge þat causeth̃ more dispense
þan worthe ys alle þe chere and reuerence
þat men hem done at festees and at daunces
Suche salutacions and contenaunces
Passeth̃ as doth̃ þe shadowe vpon̄ a walle
But woo ys hym þat payen mot for alle
þe cely husbonde algate he mot paie

A-queynted was so *with* þat gode man [Sloane MS 1685]
[. 1220

no gap in the Sloane MS, in Harl. 1758, *or Reg.* 18 C ii.]
And eke þis Monke of whiche I be-gan 1224
Were bothe two borne in oo vilage
þe Monke hym cleymed as for cosynage
And he a-yeyne saiꝫ not' onys nay
But was as glade as any foule of day 1228
ffor in his hert' it was a grete plesaunce
Thus bene þe knyt *with* eterne aliaunce
Of Bretherheed/ whiles þat her lyf may dure
And ilke of hem gan oþere assure 1232
ffre was dan Iohn and namly of dispense
As in þat hous and fulle of diligence
To do plesaunce and also grete costage
he nouȝt' for-yate to ȝeue þe laste page 1236
In alle þat hous but aftyr hir degre
he ȝave þe lord / and siþens his meyne
whan þat he came soꝫe manere honest thynge
ffor whiche þei were as glade for hys comynge 1240
As foule ys fayne whan þe sonne vp rysethe
Nomore here-of as nowe for þis sufficethe
But so befelle þis Marchaunt on a day
Schope hym to make redy hys array 1244
Toward' þe town of Bruggeys for to fare
To byen þere a porcion of ware
ffor whiche he hathe to parys / sent anone
A messangere and prayed hathe Dan Iohn 1248
þat he shulde come to seynt Denys to pleye
with hym and *with* his wyf a day or tweye
Or he to bruggeys went in alle wyse
This noble Monke of whiche I you deuyse] [Sloane extract ends]
Hath of his abbot as hy*m* leste lycence [Camb. MS, leaf 314]
By-cause he was a man of hygh prudence

And ek an offycer out for to ryde
To seen here granges & here bernys wyde
And vn-to seynt Denys he comyth a-noon
Who was so wolcome as myn lord daun Iohn
Oure deere cosyn ful of curteysye
With hym he brouȝte a Iubbe of Maluesye
And ek a nothir ful of fyn vernage
And volatyl as was his vsage
And thus I lete hem drynke & ete & pleye
This Marchaunt & this Monk a day or tweye
The thredde day this Marchaunt vp a-ryseth
And on hise nedis sadly hym auyseth
And vp in-to his countour house goth he
To rekene with hym self weel may be
Of thilke ȝeer how that it with hym stod
And how that he dispendit hadde his good
And ȝif that he encresede were er non
Hise bokis & hise baggis manyon
He leyth be-forn hym on his counting bord

ffyue hourys for to slepe vp-on a nyght [leaf 314, back]
But it were for an old appollyd wyght
As been these weddede men that lye & dare
As in a forme sit a very hare
Were al for-strau3t with hou*n*dys greet & smale
But dere nece why be 3e so pale
I trowe certis that 3oure goode man
Hath 3ow laboured sythe the nyght be-gan
That 3ow were nede to restyn hastily
And with that word he lough ful meryely
And of his owene thou3t he wex al red
This fayre wyf gan for to schake hire heed
And seyde thus 3a god wot al quod she
[Nay cosyn myne hit stont not so *with* me [Sloane MS 1685, leaf 193, back]
ffor by þat god þat yave me soule & lyf
In alle þe reme of fraunce ys þere no wyf
þat lasse luste hathe to þat sorie playe
ffor I may syngen alas and weel awaye
þat I was borne but to no wi3t q*uo*d she] [Sloane extract ends]
Dare I nat telle how that it stant with me [Cambr. MS] (*no gap above*)
Wherefore I thynke out of this world to wende
Or ellis of myn self to make an ende
So ful am I of drede & of care /
This Monk be-gan vp-on this wif to stare
And seyde allas myn nece god for-beede
That 3e for ony sorwe or ony drede
ffor-do 3oure self but tellyth me 3oure greef
P*a*rauenture I may in 3oure myschif
Conseyle or helpe / & therfore tellyth mee
Alle 3oure a-noy for it schal be secree
ffor on myn portoos here I make an oth
That neuere in myn lyue for lef ne loth
Ne schal I of no co*n*seyl 3ow be-wreye
The same a-geyn to 3ow quod sche I seye
By god & by this portos I 3ow swere
Thow men woldyn me al in-to pecis tere

Ne schal I neu*er*e for to goon to helle
Be-wreye a word of thyng that ȝe me telle 1328
Noght for no Cosynage ne allyau*n*ce
But verrayly for loue & affyau*n*ce
Thus been th[e]y swore & here vp-on they keste
And eche of hem told othir what he*m* leste 1332
Cosyn quod sche ȝif that I hadde a space
As I haue non & namely in this place
Tha*n*ne wolde I telle a legende of myn lyf [leaf 315]
What I haue suffered sithe that I was a wyf 1336
With myn[1] husbonde al be he youre cosyn [1 *altered*]
Nay quod this monk by god & seynt martyn
He nys no moore Cosyn vpon to me
Than is the lef that hangyth on the tre 1340
I clepe hy*m* so by seynt denys of frau*n*ce
To han the moore cause of acqueyntau*n*ce
Of ȝow whiche I haue louyd specyally
A-bouyn alle wemen sikyrly 1344
This swere I ȝow on myn p*er*fecciou*n*

And weel ȝe wot that wemen naturelly
Desyryn thyngis gaye[1] as wel as I [[1] *altered*] 1364
They wolde that here husbondys schulde bee
Hardy. & ryche & wys & therto free
And buxsom vnto his wyf & froesch a-bedde
But by that ilke lord that for vs bledde 1368
ffor his honour mynself for to araye
A sunday next I mot nedys paye
An hundrede frankis or ellys am I lorn
ȝit weere me leuere that I weere on born 1372
Than me were don a slaundere or velanye [leaf 81b, back]
And ȝif myn husbonde ek myghte it espye

And don to ȝow that plesaunce & seruyse
That I may don ryght as ȝow leste deuyse
And but I do god take on me vengeaunce
As foul as hadde Genyloun of fraunce 1384
¶ This gemtil Monk answerde in this manere
Now trewely myn owene lady dere

That I ȝow swere & plyȝte ȝow myn trouthe 1388
That whan youre husbonde is to flaunderys fare

And with that word he caughte hire by the flankys 1392
And hire enbrasith harde & kyste hire ofte

And bad the Cokys that they schulde he*m* hye 1400

Ye haue I-now p*ar*de of godys sonde
Come dou*n* to day & lat ȝoure baggis stonde

Of syluyr in thyn purs schalt thow non fayle
And with that word his countour dore he schette
And doun he goth no lengere wolde he letta 1440
And hastily a masse was theere seyd
And spedyly the tabelys weere I-leyd

But nowe passe ouere and let vs seke aboute

Nowe wolle 3e vowchesafe my lady dere
Gladly *quod* she and sayde as ye shall here

[*No breaks between the stanzas in Sloane, Cambr. or Harl. MS.*]

[*The Prologue.*]

O lord' oure lord' þi nane so marvelous [Sloane MS 1685]

But be þe mouthe of Children þi bownte

Wherefore in lawde as I can beste & may
Of the þat and of þe þat holy floure.
[. . . . . *no gap in the MS.*]
To tellen a storie I woll do my labour' 1653
Not þat I may encrece hir honoure
ffor she hir self ys honoure & þerto roote

Iy comynge ys to weyke O. blysfull quene [Sloane MS 1685.]
fforto declare þi grete worthynesse

But as a chylde of twelfe moneth of age or lesse

ffor so fare I and þerfore I you pray
Gydeth my songe þat I shalle to you say

[*THE TALE.*]

There was a Chylde in a grete cite
Amonge crysten folke in þe Iewrye
Susteyned by a lord of þat countre
ffor foule vsurye and lucre of vlanye

And þorouȝe þe streete men myȝt ryde & wende

Doun atte fyrthere ende in whiche þere were
Chyldren an heepe comen of crysten bloode

Suche manere doctryne as men vsyd þere
Thys ys to say to synge and to rede
As smale Chyldren do in hir Chylde-heede

Amonge þese children was a wydowe sone
A lytel Clerygion seuen yeere of age

And also eke where as he saw þe ymage [leaf 190]
Of crystes modere hade he in vsage
As hym was tauȝte to knele a-doun & say

Thus hathe þis wydowe hir litel Child tauȝt [Sloane MS 1685.]
Oure blysfull lady Crystes modir dere
To worshipe ay and he for-yate hit nouȝt
ffor sely Chylde wylle al day sone lere 1702
But ay when I remembre me of þis matere
Seynt Nicholace stonte euere in my presence
ffor he so yonge to Crist dyd reuerence 1705

Thys Child his lytel booke lernynge
As he sat in þe scole at hys primere

As Children lernyd hir antephonere 1709
As · as he durste he drowe hym nere & nere
And herkened ay þe wordes & þe noote
Tylle he þe fyrste verse coude by roote 1712

Not what þat latyne was to seye
ffor he so yonge and tendre was of age
But on a day hys felawe he gan preye

Thouȝe I for my prymer shalle be shent [Sloane MS 1686, lf 199, bk]
And to be beten þryse on an oure
I wolle yt konne oure lady to honoure 1733

Hys felawe tauȝte hym hamward̄ pryuely
ffro day to day til he coude yt by roote
And þan he songe it wele and boldely

NO more of this for goddes dignite

Myn eres ake of thi darsty speche
Now suche a ryme þe deuel I be-teche
This may be wel ryme dogerell quod he
Whi so quod I why wilt þou lette me
More of my tale than an other man
Sethyns it is þe beste ryme I can
By god quod he pleynly I the say
Thou shalt no lenger rymen here to day
Thow dost noght elles but dyspendest tyme
Sire oo word þou shalt no lenger ryme
Let see whe*þer* þou canst telle ought in geste
Or telle in prose somwhat at þe leste
In whiche *þer* be so*m*me merthe & som doct*r*ine
Gladly quod I by goddes swete pyne

Hit is a moral tale vertuous
Al be hit' tolde somtyme in sundry wyse
Of sondry folk' as I shal 3ou deuyse
As þus 3e wote wel eu*e*ry eu*aa*ngeliste

Ne saith not al þing as his felawe doth
But' natheles her sentence is al soth
And alle accorden as in her sentence
Al be ther in her tellynge difference

for some of hem seyn more & somme seyn lesse
when þey his pitous passioñ expresse
I mene of Marc' Matheu Luke and Iohñ
But' douteles her sentence is al on [leaf 197]
þerfore lordynges alle [I] 3ou beseche
3if þat 3e þinke I varye in my speche
As þus 3if þat I telle somwhat more
Of prouerbes þen 3e haue herd byfore
Comprehendid in þis litel tretys here
To enforce with þe effecte of my matere
And þoughe I nadde þe same wordes saye
As 3e han herd 3it to alle 3ou I praye
Blameth me not for as in myn sentence

After þe whiche þis mery tale I wryte
And herkeneth what I schal seye
And lete me telle my tale I preye

[Here endith the prolog // And begynneþ the tale of Melibe

[2157] A Yong man whilom celled Melibe myghti and ryche bygat vpon his wyf' þat called was prudence a doughter whiche þat cleped sapience.

[2158] vpon a day fel þat he for his disport is went in to þe feldes him to pleye / [2159] his wyf and eke his doghter hath he left with-ynne his hous of whiche þe dores were faste I-schet // [2160] ffoure of his olde foos han hit aspyed . and . setten laddres to þe walles of his hous and by þe wyndowes ben entred [2161] and betyn hys wyf and wounded his doughter with fyue mortal woundes in fyue sondry places / [2162] This is to sayn in here feet in here hond and in here eres in hire nose and in here mouth & laften her for deed and wenten here way //

[2163] When Melibeus retorned was aȝeyn vntil his hous and sawh aH þis meschief // And he I-lyke a mad man rendyng his clothes gan to wype and crye euerlenger þe more //

[2164] Prudence his wyf' as ferforth as sche durste by-soght him of his wepyng' for to stynte [2165] but noght for-thi he gan to wipe & crye euer the lenger þe more //

[2166] This noble wyf prudence remembred here on þe sentence of Ovide in his book' þat cleped is þe remedye of loue / where he saith: [2167] he is a fool þat desturbeth þe moder for to wipe in þe deeth of hire child til sche haue wepte her fille for a certeyn tyme: [2168] Then schal man don his diligence with amyable wordes hire to conforte and [1]to preye hire of

her wepyng[e] for to stynte? [2169] for whiche reson this noble prudence suffred her housbonde for to wepe and crye as for a certayn space // [2170] And when she sawh her tyme she saide him in þis wyse / Alas my lord quod she whi make ȝe ȝoure self for to be lyke a fool? [2171] fforsothe it perteyneth not to a wisman to maken suche a sorwe / [2172] ȝoure Doughter with þe grace of god shal be warisched and askape / [2173] And all were it so þat sche right nowe were deed ȝe oughte not as for her deth] [1]ȝoure self dystroye // [2174] ¶ Senec seyth the wyse man schal nat take to greet disconfort for the deth of hise childeryn / [2175] but certis he schulde sufferyn it in pacience As wel as he a-bydyth the deth of hise propere persone /

[1 *leaf 227, Camb. Univ. Libr. MS Gg. 4. 27, begins here.*]

[2176] ¶ This Melibeus answerde a-noon & seyde / What man quod he schulde of his wepynge stynte / that hath so greet a cause for to weepe / [2177] Ihesu crist oure lord hym self wepte for the deth of lasarus his freend [2178] ¶ Prudence answerede / certys weel I wot /

A man that is ioyo*us* & glad in herte / it hy*m* conseruyth floryschynge in his Age / & sothly sorweful herte makyt hise bonys dreye [2186] he seyth ek thus that sorwe in herte ſ sleth ful manye a man [2187] ¶ Salomon seyth / that ryght as mothis in the schepis flesch anoyeth to the clothis / & the smale wermys to the tree / rygh so anoyith sorwe to the herte. [2188] Wherefore vs oughte as weel in the deth of oure childeryn ſ as in the loos of oure goodys te*m*perelys haue pacience

[2189] ¶ Remembrith yow vp-on the paciente Iob / Whan he hadde lost hise childeryn & his temperel sulstau*n*ce / & in his body endurynge & resceyuyd ful manye a greuo*us* trybulacioun / yet seyde [1]he thus [2190] ¶ Oure lord hath [sente it me / oure lord hath] be-raft it me / rygh so as oure lord hath wold / rygh so it is don / I-blyssede be the name of oure lord / [2191] ¶ To these forseyde thyng*is* Answerde Melybeus to his wyf prudence ¶ Alle thy*n*ne wordys quod he been sothe & therto profitabele / but trewely myn herte is troubeled / with this sorwe so greuously / that I not what to don. [2192] ¶ Lat calle quod Prudence thy*n* trewe frendys alle And thy*n* lynage / whiche that been wyse tellyth 3o*ur*e cas And herkenyth what they seye in conseylynge And 3ow gouerne aftyr here sententе [2193] ¶ Salomon seith werke alle thy*n* thyngis by conseyl ſ & thow schalt neuere repente

[2194] ¶ Thanne by the conseyl of his wyf Prudence ſ this Mellibeus leet callyn / a gret congregacioun / of folk / [2195] as Surgeons Phisiciens olde folk And 3ynge & some of hise olde enemyis reconsyled As by here semblaunt / to his loue & in to hise grace / [2196] & therewithal theere come some of hise negheboris That dydyn he*m* reuerence / moore for dreede than for loue as it happith ofte / [2197] There comyn also manye subtyle flatererys / & wise aduocatys / lernede in the lawe

[2198] ¶ And whan these folk togedere assemblede were / this Mellibeus in sorweful wyse / schewede hem his cas /

[2199] & by the manere of hise speche / it semyd that in herte he bar a crewel yre / redy to doon vengeaunce vp-on hise fois / & sodeynly desyrede that the werre schulde begynne / [2200] but neuere the les ȝit axede he here conseyl / vp-on this matyere / [2201] A surgeen by lycence / And assent of sweche as were wyse vp ros & vnto Melybeus seyde as ye may here

[2202] ¶ Sire quod he / as to vs surgeenys apertenyth that we do to euery wight the beste / that we can wheere as we been with holdyn / And to oure pacient that we don no damage / [2203] Wherfore it happith manye tyme / & ofte that whan twey men / hath euerych woundyd othyr .O. same surgeen helyth hem bothe / [2204] Wherfore vn-to oure art it is nat perteynent to noryche werre / ne partyis to supporte [2205] ¶ But sertys as to the waryschyng [1]of ȝoure doughtir Al be it so sche be perlyously woundit we schul do so ententyf bysynesse / from day to nygh That with the grace of god sche schal been hool & sound / as soone as is possible / [2206] Almost ryȝt in the same wyse the phisycionys answeredyn / Saue that

To Catou*n* which that was so wis a man
Seyde he nat thus ne do no fors of dremys Somp*n*ia ne cures
Now sire quod sche wha*n* we flye from the bemys 4132

That ȝe schul han a feuere terciane
Or an agu that may been ȝoure bane
A day or two ȝe schul haue digestivis
Of wermys er ȝe take ȝoure laxatyues
Of lauriole sentaurye / & fumeteere
Or ellis of Elebre that growith theere
Of Catapuce / or of Gattris beryis
Or Erbe Iue that growith in oure ȝerd theere merye is
Pikke hem vp righ as they growe & ete hem in
Be merye husbonde for ȝoure fadyr kyn
Dredyth no dreem I can seye ȝow no moore
Madame quod he graunnt mercy of ȝoure lore
But natheles as touchith Daun Catoun
That hath of wisdam swich a greet renoun
Thow that he bad no dremys for to dreede [leaf 366, back]
By god men may in olde bokis rede
Of manye a man moore of autorite
Than euere catoun was so mote I the
That al the reuers seyn of his sentence
And han weel foundyn by experience
That dremys been signyficaciounnys
As wel of ioye as of tribulaciounnys
That folk enduryn in this lyf present
Theere nedyth of this makyn non argument
The verray preue schewith it in dede
¶ Some of the gretteste autourys as men reede Naracio
Seyth thus that to felawys wente
On pilgrymage with a ful good ente[nte]
And happede so they comyn in a toun
Where as theere was swich a congregacioun
Of peple & ek so streyt of herbigage
That they ne founde as meche as a cotage
In whiche they myghe bothe I-loggede be
Wherefore they musten of necescite
As for that nyght departyn cumpaynye
And eche of hem goth to his ostellerye

And tok his logyng as it wolde falle
That on of he*m* was logit in a stalle
ffer in a ȝerd with oxin of the plough
That othir man was logid weel I-nough
As was his auenture / or his fortune
That vs gou*er*nyth alle as in comune
And so be-fel that longe er it was day
This man mette in his bed there as he lay
How that his felawe gan vp-on hym calle
And seyde allas for in an oxis stalle
This nyght I schal been morderid there I lye
Now help me deere brotyr er I deye
In alle haste come to me he seyde
This man out of his slep for fer abreyde
And wha*n* that he was wakenede of his slep
He turnede hy*m* & tok of this no keep
Hy*m* thoughte his dreem nas but a vanyte [leaf 367]
Thus twyis in his slepy*n*ge dremede he
And at the thredde tyme / ȝit his felawe
Cam as hym thoughte / & seyde I am now slawe

As sone as day he wente out of the toun
This man gan fallyn in suspecioun
Remembrynge hym on the dremys that he mette
And forth he goth no lengere wolde he lette
Vn-to the Westgate of the toun & fond
A dong' carte wente as it weere to dunge lond
That was a-rayed in that same wyse
As ȝe han herd the dede man deuyse
And with an hardy herte he gan to crye
Vengeaunce & Iustise of this felonye
Myn felawe morderede is this same nyght
And in this carte heere he lyth gapynge vp-ryght
I crye out on the mynystris quod he
That schulde kepe & rewele this cete
Harrowe allas here lyth myn felawe slayn
What schulde I moore vnto this tale sayn
The peple out sterte & caste the carte to grounde
And in the myddyl of the donge they founde
The dede man that morderede was al newe [leaf 367, back]
O blysful god that art so Iuste & trewe
Lo how that thow bewreyis mordere alway
Mordere wele out that se we day be day
Mordere is so wlatsome & abhomynable
To god that is so Iust & resonable
That he ne wele not suffere that it helid be
Thow it abyde a ȝeer or two or thre
Mordere wele out this myn conclusioun
And ryght a-noon mynyste of that toun
Han hent the cartere & so sore hym pynyd
And ek the hosteller so soore engyned
That they be-knewe here wikkedenesse a-non
And weere an hangede by the nekke boon
Here may men seen that dremys been to drede
¶ And certis in the same bok I reede
Rygh in the nexte chapitere aftyr this
I gabbe not so haue I ioye or blys

Two men that wolde a passed ouyr the see
ffor certeyn cause in-to a fer cuntre
If that the wynd ne hadde been contrarye
That made hem in a cete for to tarye
That stod ful merye vp-on an hauene syde
But on a day a-geyn the euetyde
The wynd gan schaunge & blew rygh as hem leste
Iolyf & glad they wente to here reste
And castyn hem ful erly for to sayle
But herkenyth to that on man fyl a gret meruayle
That on of hem in slepynge as he lay
Hym mette a wondyr drem a-geyn the day
Hym though[t]e a man stod bi his bedys side
And hym comaunded that he schulde a-byde
And seyde hym thus ȝif thow to morwe wende
Thow schat ben dreynk / myn tale is at an ende
He wok & tolde / his felawe what he mette
And preyede hym his viage for to lette
As for that day he preyede hym for to a-bide
His felawe that lay bi his bedys syde

In sight of othere schepis besyde
That with hem seyled at the morwe tyde
And therefore fayre pertelote so deere
By sweche ensaumplis olde mayst thow leere
That no man schulde been so recheles
Of dremys for I seye the douteles
That manye a drem / ful soore is for to drede
Lo in the lyf of seynt kenelm I reede
That was kenulphus sone the noble kyng
Of Merturyke how kenelm mette a thyng
A lite er he was mordered on a day
His mordere in his auysioun he say
His noryce hym expoungnede euerydel
His sweuene / & bad hym / for to keepe hym weel
ffrom tresoun but he was but seuene 3eer old
And therfore lytil taale hath he told
Of any drem so holy was his herte
By god I hadde leuere than myn scherte
That 3e hadde rad his legende as haue I
Dame pertelote I seye 3ow trewely
Matrobeus that wret thauysioun
In Affryk of the worthi Cipriоun
Affermyth dremys & seyth that they been [leaf 368, back]
Warnynge of thyngis that men aftyr seen
And ferthere more I prey 3ow lokyth weel
In the olde testement of danyel
3if he helde dremys ony vanyte
Redyth ek of Iosep & there 3e schul se
Wheere dremys ben sumtyme I seye nat alle
Warnynge of thyngis that schul aftyr falle
Loke of Egip the kyng daun pharao
His bakere & his boteler also
Wheere they ne feltyn non effect in dremys
Who so wele seke actis of sundery remys
May reede of dremys manye a sundery thyng
Lo Cresus that was of lide kyng

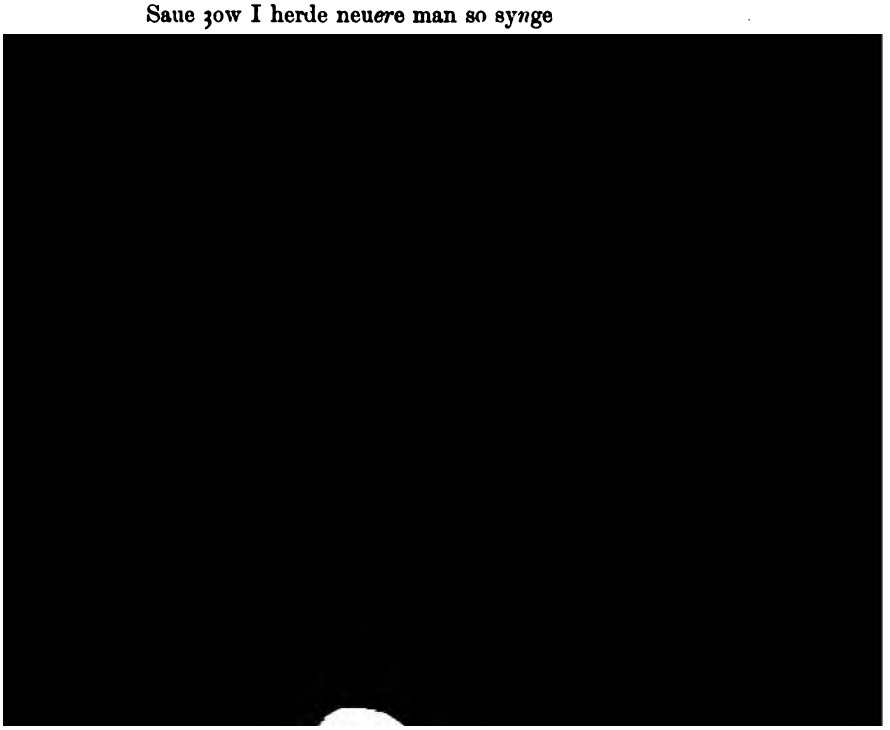
Mette he nat how that he sat vp-on a tre
Whiche signefyed anhangid schulde bee
Lo heere Andromatha ectoris wif
That day that Ector schulde lese his lyf
Sche dremede on the same nyght by-foren
How that the lyf of Ector schulde been loryn
3if thilke day he wente in-to batayle
Sche warnede hym but it myghte nat auayle
He wente for to fyghte netheles
But he was slayn a-noon of Achilles
But tylke tale is al to long to telle
And ek it is nygh day I may nat dwelle
Certeynly I seye as for conclusioun
That I schal han of this auysioun
Aduersite / & I seye ferthere-moore
That I ne telle of laxatyuys no store
ffor they been venimes I wot it weel
I hem defye I loue hem neuere a deel
Now lat vs speke of myrthe & stynte al this

ffor he hadde foundyn a corn lay in the ȝerd
Royal he was he nas no moore aferyd
He feterede Pertelote twenty tyme
And trad as ofte er it was pryme
He lokyth as it weere a grym lyoun
And on hise tois he romyth vp & doun
Hym deynyth nat to sette hise feet to grounde
He chukkith whan he hath a corn I-founde
And to hym rennyn thanne hise wyuys alle
Thus royal as a prynce is in an halle
Leue I this chauntecleer in his pasture
And aftyr wele I telle his auenture
¶ Whan that the monythe / in which that the world be-gan
That high[t]e March / whan god ferst makede man
Was compleet & passede weere also
Syn March bygan .30. dayis & two
By-fel that chauntecleer in al his pryde
His seuene wyuys walkynge hym by-syde
Caste vp hire eyen to the bryghte sunne
That in the signe of taurus hadde I-rounne
Twenty degreis & on & sumwhat moore
And knew by kynde & by noon othir lore
That It was pryme & krew with b[l]ysful steuene
The sunne on heye is clombyn vp on heuene
.90. degreis & on & moore I-wis
Madame pertelote myn wordelis blys
Herkenyth these blysful brydis how they synge [leaf 369, back]
And se the frosche flouris how they sprynge
fful is myn herte of reuel & solas
But sodeynly hym fel a sorweful cas
ffor euere the lattere ende of Ioye is wo
God wot that wordely ioye / is soone ago
And ȝif a retor coude fayre endyte
He in a cronicle sauely myghte it wryte
As for a souereyn notabilyte
Now euery wise man now herkene me

This storye is also trewe I vndyrtake
As Is the bok of laun*c*elot de lake
That women heelde i*n* ful greet reuerence
Now wele I turne a-geyn to my*n* sen*t*ence
A col fox ful of sly Iniquite
That in the groue hadde dwelled ȝeris thre
By hygh Imaginacion for-cast
The same nyght thou*r*-out the hegis brast
I*n*-to the ȝerd there chaun*t*ecleer the fayre
Was wont & ek hise wyuys to repayre
And In a bed of wortis stylle he lay
Til it was passed onderen of the day
Waytynge his tyme on Chaun*t*ecleer to falle
As gladly doon these homycidis alle
That in a-wayt liggyn to morderen men
O false morderour lurky*n*ge in thy*n* den
O newe Scariot / newe Genysou*n*
ffalse dissimylo*ur* / O Grek Synou*n*
That broughtist Troye al vttyrly to sorwe

To do that same thyng or do it not
Thow god fore-wot it er that I was wrought
Or ȝif his wetynge streynyth neuere a deel
But by necescite condicionnel
I wele not han to done of swich mateere
Myn tale is of a cok as ȝe may here
That tok his conseyl of his wif with sorwe
To walkyn in the ȝerd vp-on that morwe
That he hadde met the drem that I ȝow tolde
Womenys conseylis been ful oftyn colde
Womenys conseylis broughte vs ferst to woo
And made Adam from paradys to go
Theere as he was ful merye & weel at ese
But for I not to whom I myghte displese
ȝif I conseyl of women wolde blame
Passe ouyr for I seyde it in myn game
Reede autouris wheere they trete of sweche matiere
And what they sey / of women / ȝe may here
These been the cokkis wordis & nat myne
I can noon harm on no woman deuynne
ffayre in the sond to bathe hire meryely
Lyth Pertelote & alle hire susteryn by
A-geyn the sunne & Chauntecleer so free
Song meryere than the mermeydyn in the se
ffor phisiologus seyth sekyrly
How that they syngyn weel & meryely
And so be-fel that as he caste his yen
A-mong the wortis on a botyrflye
He was war of this fox that lay ful lowe
No thyng ne lyste hym thanne for to crowe
But criede a-noon kok kok & vp he styrte [leaf 370, back]
As man that was afrayed in his herte
ffor naturelly / a beste desirith fle
ffrom his contrarye / ȝif he myghte it se
Thow he neuere erst hadde sey it with his Iye
¶ This chauntecleer whan he gan hym espye

He wolde a fled but that the fox a-noon
Seyde gentyl sire / allas whidyr wole ȝe goon
Be ȝe afrayed of me that am ȝoure freend
Now certys I were werse than a feend 4476
ȝyf I to ȝow harm or velenye
I am nat come ȝo*ur*e conseyl for tespie
But trewely the cause of myn comynge
Was only for to herkene how that ȝe synge 4480
ffor trewely ȝe han so merie a steuene
As ony au*n*gel hath that is in heuene
Therewith ȝe han In musik moore felyng
Than hadde. boece. or ony that can syng 4484
Myn lord ȝo*ur*e fadyr god his soule blys
And ek ȝoure modyr of hire gentilles
Han in myn hous I-been to my*n* greete ese
But certys syre ful fayn wolde I ȝow pleese 4488
¶ But for men speke of syngyng I wil seye
So mote I broukyn weel myn eyen tweye
Saue ȝow I herde neue*r*e man so sy*n*ge



Of ȝo*ur*e fadyr & of his subtiletee
Now syngith sere for seynte charite
Lat se cu*n*ne ȝe ȝo*ur*e fadyr countyrfete
This chau*n*tecleer hise wyngis gan to beete
As man that coude his tresou*n* nat aspye
So was he rauyschid with his flaterye
¶ Allas ȝe lordis manye a flaterour
Is in ȝo*ur*e court & manye a losengeo*ur*
That plesen ȝow weel more be my*n* fayth
Than he that sothfastmesse vn to ȝow sayth
Redyth ecclesiaste of flaterye
Beth war ȝe lordis of hire trecherye
This Chau*n*tecleer stood hye vp-on hise tois
Strechy*n*ge his neke & held his eyen clos
And gan to crowe loude for the nonys
And daun Ruseℍ the fox styrte vp at at anys
And by the garget hente Chau*n*tecleer
And on his bak to the wode hy*m* beer
ffor ȝit theere ne was no man that hy*m* sewid
O destene that mayst nat been eschewid
Allas that Chau*n*tecleer fley fro*m* the bemys
Allas his wyf ne roughte nat of dremys
And on a fryday fil al this myschau*n*ce
O ven*us* that art goddesse of plesau*n*ce
Syn that thy*n* seruau*n*t was this chau[*n*]tecleer
And in thy*n* seruyse dede al his power
Moore for delyt than world to multeplye
Why woldist tow suffere hy*m* on thy*n* day to deye
O ganfryd deere maystyr souereyn
That wha*n* thy*n* worthy kyng Richard was slayn
With schot co*m*pleynedist his deth so soore
Whi ne hadde I-nough thy*n* centence & thy*n* loore
The fryday for to chide as dedyn ȝe
ffor on a fryday sothly slayn was he
Tha*n*ne wolde I schewyn how that I coude pleyne [leaf 371, back]
ffor Chau*n*tecleeres dreede & for his peyne

¶ Certis swich cry ne lamentacioun
Was neuere of ladijs mad whan ylyoun
Was wone & Pirrus with his streyte swerd
Whan that he hadde hent kyng priame bi the berd 4548
And slayn hym as seyth vs Enidos
As madyn alle the hennys in the cloos
Whan they hadde of Chauntecler the syght
But souereynly dame Pertelote shryght 4552
fful loudere than dede Hasdrubalis wyf
Whan that hire husbonde hadde y-lost his lyf
And that the Romaynys haddyn brent Cartage

Dd. 4. 24; the Corpus, [illegible] the Petworth (by leave of Lord Leconfield); and the Lansdowne 851. Then [illegible] of Thynne's Print, 1532,—the MSS. of which are generally below that [illegible] MSS. of the Canterbury Tales,—all, or nearly all, the MSS. will be printed, [illegible] secure all the existing evidence for the true text.

To ensure the fidelity and uniform treatment of the texts, Mr F. J. Furnivall [illegible] and all with their MSS.

Til he hadde ternede hy*m* coude he not bly*n*ne
It dullede me wha*n* I of hy*m* speke
On his falsehed fayn wolde I be wreke
ȝif I wiste how but he is her & ther
He is so varyau*n*t he abit nower
But takyth hed seris now for godis lowe
He tok his cole of which I spak a-boue
And in his hand he bar it pryuyly [leaf 389, back]
And whilis the prest couchede besili[1] [1 *first* pryuyly]

The colis as I tolde 3ow er this
This chanoun seyde frend 3e don a-mys
This is nat couched as it oughte be
But sone I schal amendyn it quod he
Now lat me medle therewith but a while
ffor of 3ow haue I pete be seynt gyle
3e been rygh hot I se wel how 3e swete
Haue here a cloth & wipe awoy the weete
And whilis that the prest wipede his face
This chanoun tok his cole with sory grace
And leyde a-boue vp on the mydward
Of the croslet & blew wel aftyrward
Til that the colys begynne faste brenne
Now 3eue vs drynke quod the Chanoun thānne
As swythe al schal be wel I vndirtake
Sitte we doun & lat vs merye make
And whan that this chanonys bechene cole
Was brent al the lemayle out of the hole
In-to the croslet fyl a-non a-doun
And so it muste nedis be resoun
Syn it so euene a-boue couchede was
But therof ne wyste the prest allas
He demede alle the colis lyche goode
ffor of the sleyghte he nothyng vndyrstode
And whan this alcamystre saw his tyme
Rise vp quod he sere prest & stand by me
And for I wot weel Ingot haue 3e non
Goth walkyth forth & bryngeth a chalk ston
ffor I wele make it of the same schap
That is an Ingot / 3if I may han hap
And bryngе ek with 3ow a bolle or a panne

And come ageyn *with*-outy*n* ony delay
What schulde I taryen al the longe day 1221
He tok the chalk & schop it in the wise
Of an Ingot as I schal ȝow deuyse
I seye he tok out of his owene sleue
A teyne of syluyr euele mote he cheue 1225
Whiche that ne was but an ou*n*ce of weighte
And taketh hed now of his owene sleighte
He schop his Ingot in lenthe & in breede
Of this teigne *with*-outy*n* ony drede 1229
So slyly that the prest it nat espide
And in his sleue a-non he gan it hide
And fro*m* the fuyr he tok vp his mater
And in the Ingot put it *with* merye cheer 1233
And in the watyr vessel he it caste
Wha*n* that hy*m* leste & bad the prest as faste
Loke what there is put in thy*n* hand & grope

And this chanoun rygh in the meene while
Al redy was this prest eft to begyle
And for a cuntenaunce in his hand he bar
An holmene stikke / taak keepe & be war 1265
In the ende of which an ounce & nomore[1] [1 *first* namare]
Of silvir lemail put was as byfore
Was in his cole / & stoppid with wex weel
ffor to kepe in his lymayl euerydel 1269

Ellis go beye vs sum & that aswythe
Now goode sere go thyn wey an hithe
He wente his wey & with this coper cam
And this chanoun it in his handis nam
And of that copar weyed vp but an ounce
Al to symple is myn tunge to pronounce
As mynystre of myn wit the doubilnesse
Of this Chanoun rote of alle cursedenesse
He semede frendely to hem that knewyn hym not
But he was feenly bothe in werk & thouȝt
It deryeth me to telle of his falsenesse
And neuer the les ȝit wele I it expresse
To the entent that men may be war therby
And for non othir cause trewely
// He putte his Ounce of copir in the croslet
And on the fer aswythe he hath it set
And cast in poudyr & made the prest to blowe
And in his werkyng for to stoupe lowe

Rygh as hym lyste the prest he made
And aftyrward in the Ingot it caste
And in the panne put it as the laste
Of watyr / & in he putte his owene hand
And in his sleue as ȝe be-forynhand
Herde me telle he hadde a syluyr teyne
He slyly tok it out this cursede heyne
Vnwetynge this prest of this false craft
And in the pannys boteme he hath it laft
And in the watyr roumbelynge to & fro
And wondyr pryuyly tok vp also

The copyr teyne nought knowyng*e* this prest

Helpith me now as I dede ȝow whil er
Put in ȝoure Hand & lokyth what is ther 1329
This prest tok vp the syluyr teyn a-non [leaf 391, back]
Thanne seyde the chanoun lat hym gon
With these thre teynys [2]which thatwe han wrought[2] [2–2 corr.]
To sum gold smyth & loke ȝif they been ouȝt 1333

Or for to speke of loue & womanhede
Ne knyght in armys to don an hardy dede
To standyn in grace of his lady dere
Than hadde this prest this sory craft to lere 1349
And to the Chanoun thus he spak & seide
ffor loue of god that for vs alle deyede
And as I may deserue it vn-to ȝow
What schal this resceyt coste tellith me now 1353
// By oure lord quod this Chanoun it is dere

A-wake thow cok quod he god ȝeue the sorwe
What eylith the to slepe by the morwe
Hast thow had flen al nyght or art thow dronke
Or hast thow with sum quene al nyght I-swonkyn
So that thow mayst nat holdyn vp thyn hed
This cok that was ful pale & no thing red

Here begy*n*neth the Manci ple hys tale [leaf 395]

[Painting of the Manciple on horseback.]

WHa*n* phebus dwellede heere *in* this erthe adou*n*
As olde bokys maky*n* mencio*u*n
He was the moste lusti bacheleere
In al this world & ek the beste archere
He slow Phitou*n* the serpent as he lay
Slepy*n*ge a-geyn the su*n*ne vp-on a day
And manye a nothir[1] noble worthi dede
He with his bowe [2]wroughte as ȝe may rede[3]
Pleeyen he coude on euery menstrelsye
And sy*n*gyn that it was a melodye
To heryn of his cleere voys the soun
Sertis the kyng of thebes Amphioun
That w*ith* his sy*n*gyng wallede that cete
Koude neuere sy*n*gy*n* half so wel as he
Therto he was the semylyeste man
That is or was sithe that the world be-gan
What nedith it hise feturis to discryue
ffor in this world was non so fayr on lyue
He was therwith fulfyld of gentylesse
Of honour & of p*ar*fyt worthynesse.
// This phebu*s* that was flour of bachilleri[e] [leaf 395, back]
As wel in fredo*m* as in chyualrye
ffor his disport in signe ek of victorye
Of phitou*n* so as tellyth vs the storye
Was wont to bery*n* in his hand a bowe
// Now hadde this phebu*s* in his [4]hous a [5]Crowe
Whiche in a cage he fosterede manye a day
And taughte it speke as men teche a Iay

Whit was this crowe as is a snow whit swan
And countyrfetid the speche of euery man
He coude whan he schulde telle a tale
Therwith in al this world non nyghtynghale
Ne coude by an hunderede thousent deel
Syngyn so wondir meryely & weel
// Now hadde this phebus in his hous a wyf
Whiche that he louede moore than his lyf
And nyght & day dede euere his diligence
Hire for to pleese & don hire reuerence
Saue only the sothe that I schal sayn
Ialus he was & wolde haue kep here fayn
ffor hym were loth byiapid for to bee
And so is euery wight in swich degre
But al in ydyl for it auaylyth noght
A good wif that is slene in werk & thought
Schulde not been kept in noon a-wayt certeyn
And trewely the labour is in veyn
To kepe a schrewe for it wele nat bee
This holde I for a verray vanytee
To spille labour for to kepe wivis
Thus wrytyn olde clerkis in here lyuys
But now to purpos as I ferst be-gan
This worthi phebus doth al that he can
To plesyn here / wenynge that sweche plesaunce
And for his manhede & hise gouernaunce
That no man schulde haue put hire from hire grace
But god it wot there may no man enbrace
As to diseryue a thyng / whiche that nature
Hath naturelly set in a cryature
// Take any thyng & put it in a cage [leaf 336]
And do al thyn entent & thyn corage
To fostere it tenderely with mete & drynk
Of alle deynteis that thow canst be-thynk
And keepe it also clenly as thow may
Al thow his cage of gold be neuere so gay

ȝit hath this bryd be twenty thousend fold
Leuere in a forest that is rude & cold
Gon ete wermys & sweche wrechedenesse
ffor euere this bryd wele doon his busynesse
To escapyn out of his cage ȝif he may
His lyberte this brid desiryth ay
// Lat take a Cat & fostere hym weel with mylk
And tendere flesch & make his couche of silk
And lat hym seen a mous goon by the wal
A-non he weyvith Milk & flesch & al
And eueri deynte that is in that hous
Swich apetit hath he / to ete a mous
Loo heere hat lust his dominacioun
And apetit flemyth discrecioun
// A sche wolf hath also a dyuers kynde
The lewedeste wolf that sche may fynde
Or lest of reputacioun that wele sche take
In tyme whanne hire lust to han a make
// Alle these ensaumplis speke I by these men
That been ontrewe & no thyng by wemen
ffor men han euere a lykerous apetit
On lowere thyng to parfornyn here delyt[1] [[1] delyt *corrected*]
Than on here wyuys ben they neuere so fayre
Ne neuere so trewe ne neuere so debonayre
fflesch is so newefangil with myschaunce
That we ne cunne in nothyng han plesaunce
That sounyth in-to wertew ony whyle
This phebus which that thoughte on no gyle
Disceyuede was for al his Iolyte
ffor vndyr hym a-nothir hadde sche
A man of litil reputacioun
Not worth to phebus in comparisoun
The more harm is it ofte happith so [leaf 396, back]
Of whiche there comyth meche harm & wo
And so be-fel that phebus was absent
His wif a-non hath forth his leman sent

Certis this is a knauych speche
[illegible] it me & that I ȝow be-seche [1 r first 1]
The wyse plato seyth as ȝe may reede
The word mote nede a-corde with the dede
ȝif men schal telle propirly a thyng
The word mot Cosyn be to the werkyng
I am a boystoūs man ryght thus seye I
Theere is no differens trewely
Be-twixe a wyf that is of high degre
ȝif of hire body disonest
[And a pouer/ wenche othir/ than this/. [Harl. 1758, *f* 202, *bb*]
If/ it so be thei wirke bothe a m /.]
But that the gentile in hire stat a-boue
Sche schal be clepid his lady as in loue
And for that othir is a pore woman
Sche schal be clepid his wenche or his lemman
And god it wot myn owene deere brothir
Men leyn that on as as lowe / as lyth that othir
// Righ so by-twixe a titeleles tyraunt
And an outlawe or a thef [2]erraunt [[2] er *corrected*]
The same I seye there is no difference
To alysaundere was told this sentence
That for the tyraunt is of grettere myght
By force of meyne for to slen doun ryght
And brennyn hous & hom & make al pleyn
Lo therfore is he clepid a capitayn
// And for the outlawe hat but smal meyne
And may not doon so gret an harm as he
Ne bryngе a cuntre to so greet myschif
Men clepe hym an outlawe or a thef
But for I am a man not textuel
I wele not telle of textys neuere a del

CONTENTS OF PARSON'S TALE. PART II.

v. AVARICE (p. 651-57). The difference between Avarice and Covetousness (p. 651); and between an Idolater and an avaricious man (p. 652). Of Covetousness, and lords' extortion from their bondmen: "humble folk been Cristes freendes" (p. 652-53). The Duty of lords to their thralls or churls. Of those that pillage Holy Church (p. 653-54); lords who plunder the poor are like wolves (p. 654). Of Deceit between Merchant and Merchant (p. 654). Of honest bodily Merchandise (the surplus of one country may be sent to help another) (p. 654). Of spiritual Merchandise, or Simony, and its 2 kinds (p. 655),—thieves that steal Christ's souls get livings (p. 655-56);—Hasardry or Games of Chance (p. 656). Other outcomes of Avarice (p. 656): 1. Lying, 2. Theft (bodily and spiritual) (p. 656-57), 3. False Witness, 4. False Oaths (p. 657).

The Remedy against Avarice (p. 657): Mercy and Pity, and reasonable Liberality (p. 658). Of foolish largess (p. 658).

vi. GLUTTONY (p. 658-59), and its 5 kinds (p. 659): 1. Drunkenness, or the burial of man's reason; 2. a troubled spirit; 3. bad way of eating; 4. distemperd bodily humours; 5. forgetfulness. Or, as St Gregory says, 1. eating too soon; 2. eating too delicate food; 3. taking too much; 4. troubling too much about cooking food; 5. eating greedily: these are the 5 fingers of the devil's hand (p. 659).

The Remedy against Gluttony (p. 660): Abstinence, and its fellows. Temperance, Shame, Content with plain food, Moderation, Soberness, Sparing (p. 660).

vii. LECHERY (p. 660). Its punishment in the Old Testament (p. 660). Adultery, and the desire of it (p. 661-62).

The 5 fingers of the Devil's other hand (p. 662); 1. foolish looking; 2. villainous touching; 3. foul words; 4. kissing (old dotards, and dry dogs at a rose-tree (p. 662); and how a man should love his wife); 5. the stinking deed of lechery (p. 663). Its

§ 1. *b.* (see p. 615-16.) The 7 Circumstances that encrease or aggravate sins (p. 672). 1. the person who sins (male or female, &c.); 2. the kind of sin (fornication or homicide); 3. the place it was committed in (as in a church, by a priest) (p. 673); 4. for what motive; 5. the number of times it was committed; 6. by what temptation; 7. how it was committed; and all other circumstances (p. 674).

CONFESSION, § 2, § 3 (p. 674-79).

Profitable Confession, and its 4 (= 3) *Conditions* (p. 674):

1. sorrowful bitterness of heart (p. 674); its 5 signs: *a.* shamefastness (like the Publican's) (p. 675); *b.* humility; *c.* fulness of tears (p. 675); *d.* no hesitation (like the Magdalen) for shame; *e.* obedience to receive penance laid on you (p. 675).
2. speedy Confession (p. 676); its 4 Conditions: *f.* that it be well thought over; *g.* the greatness and number of sins must be understood; *h.* the sinner must be contrite, and *i.* avoid occasions of sins.
3. Shrift must be made to one man, not more (p. 676).

True Shrift, and its 10 *Conditions* (p. 677): 1. that it be of free will; 2. that it be lawful (both sinner and priest, Popish); 3. that it be not despairing of Christ's mercy; 4. that a man accuse himself only, and not another; 5. that it be not lying (accusing oneself of sins never committed) (p. 678); that it be by one's own mouth, and not by letter; 7. that the sin be not painted with fair words; 8. that the shrift be to a discreet priest; 9. that the shrift be not made for vain-glory, but for fear of Christ; 10. that the shrift be not made suddenly, for a joke (p. 678). You may be shriven more than once for the same sin; and should be houseld once a year (p. 679).

β. Bodily Punishment (*Penance*), *of* 4 *kinds:* 1. Prayers (chiefly of the Paternoster, whose expounding I leave to Masters of Theology) (p. 680). 2. Watching, and its 3 kinds: forbearing, *a.* meat and drink, *b.* worldly jollity, and *c.* deadly sin (p. 681). 3. Fasting, and its 4 kinds: Liberality to poor folk; spiritual gladness of heart; not grudging at fasting; reasonable eating. 4. Virtuous teachings, or Discipline: *a.* by word, writing, or example; *b.* by wearing hairshirts., &c., next your skin, scourging yourself, taking evils and injuries patiently (p. 682). [End of no. **v.** in Part i; p. 593.]

Hope: *a.* of long life, and *b.* consequent overconfidence in Christ's mercy (p. 683). 4. [And begynneth the tale.

[81] And this weie is clepid penytence. of whiche men schuldyn gladly herkyn & enquere with all his hert [82] to wite what his penaunce & whens it is clepid penytence. & in how mony maneres ben the accions of worchyng of penytence [83] & how manye spices ther ben of penytences & whiche thynges a-pertenyn & bi-houyn to penytence. [1]Whiche thynges distourben penytence.

[*Nota* de penitencia.‖]

[84] Seynt Ambrose seith that penytence is the playnyng of man for the gilt that he hath doon. & no more to doon ony thyng for whiche hym ought to pleyne. ¶ What is penytence

[85] ¶ And som doctour seith. Penytence is the weymentyng of man that sorwith for his synne & pyneth hym self for he hath mys doon. [86] Penytence with certeyn circumstaunces is very repentaunce of man that holdeþ hym self in sorow & other peyne for his giltes. [87] & for he schaH be verye penytent. he schaH first be-weilen the synnes that he hath doon. And stidfastly purposid in his herte to haue schrift of mouthe. & to don satisfaccion [88] & neuyr to do thyng. ffor whiche hym oughte more to be-weile or to compleyne & to contynue in good werkis or ellis his repentaunce maie noght a-vaile. [89] ¶ ffor as seith seynt Isidre. He is a iaper & a gabber & no very repentaunt man that efte sone doth thyng for whiche hym ought to repent [90] wepyng & noght for to stynte to do synne may noght a-vaile. ¶ Isiderus.

[91] ¶ But natheles men schulen hope that at euery tyme that man falleth be it neuyr so ofte that he may arise thorogh penytence if he haue grace. ¶ But certeynly hit is gret doute. [92] for as seith seynt Gregorie. vnnethes ariseth he out of his synne that is charged with the charge of yueH vsage. ¶ Gregorius.

Holi chirche yet hopith his sauacion bi the gret mercy of our lord ihesu crist for his repentaunce but take the sikerer weie. & þe more certeyn.

[95] ¶ And now sethyns I haue declarid you what thyng is penytence. Now schulen ye vndirstonde that ther ben thre accions of penytence. [96] ¶ The first is that if a man be baptiste after that he hath synned. [99] ¶ Another defaute is this that men doon deedly synne after that thei haue receyued baptisme. [100] The þrid defaute is that men fallen in venyałł synnes aftir her baptisme. fro daie to daye. [101] Ther of seith seynt Austyn. that penytence of good & humble folk is the penytence of eu*er*y daie.

[102] ¶ The spices of penau*n*ce ben thre: that oon of hem is solempne. Another is comune. & the .3. is pryue. [103] ¶ Thilk penau*n*ce that is solempne is in two maneres. as is to be put out of holy chirche in lente for slaughter of childryn & suche maner thyng. [104] ¶ Another is when a man hath synned openly of whiche synne the fame is openly spoken in the contre. ¶ And then holy chirche bi Iugement distreyneth hym for to do penau*n*ce opene. [1028] ¶ Now haue I told of verray confessioun that is the secunde party of penytence.

Tercia pars penitencie est Satisfaccio

[1029]

THe thredde partye of penytence is Satisfaccioūn / & that stant most generally in almesse & in bodyly peyne. [1030] ¶ Now be there thre manere of alle manere of almesse / contricioun of herte Wheerea man offeryth hym self / to god / a-nothir is to haue pete / of defaute of hise neigheboris / And the thredde is / in 3euynge of good conseyl gostely & bodily where men haue nede & namely sustenaunce of mannys fode. [1031] And take that a man haue nede of these thyngis generally. he hath nede of fode / he hath nede of clothynge. and herberwe he hath nede of charitable conseyl. & visitynge in prisoun / & in maladie / & sepulture of his dede bodi [1032] And if thow mayst not visite the nedeful with thyn persone visite hym bi thyn message & thynne 3iftys [1033] these been general almessis or werkis of charyte of hem that hath temperel richessis or discrecioun in conseylynge ¶ Of these werkis schalt thow here at the day of dome /

[1034] These almessis schalt thow don of thynne owene propere thyngis and hastyly & priuyly if thow mayst [1035] [. . . . *no gap in the MS.*] nat don it pryuyly thow schat not forbere it to don allmesse thow men seen it so that it be nat don for thank of the world / but for the thank only of ihesu Crist. [1036] For as witnessith seynt Matthev .c°. 5°. A cete may not been hid that is set on a greet mounteyn / ne men lyghte not a lanterne & [1]putte it vndir a buschel / but men sette it vp on a candel stikke to 3euyn lyght to the men in the hous / [1037] Right so schal 3oure lygh lightyn by-fore men that th[e]y may seen 3ourere goode werkys & gloryfye 3oure fadyr that is in heuene

[1038] Now as to spekyn of bodyly peyne it stant in preyeris in wakyngis in fastyngis / in vertyuous

techyngis of orisounnys [1039] ¶ And ye schal vndyrstonde that orisounnys or preyeris is for to seyne a pitous wil of herte that redresseth it in good / And expresseth it by wil outward to romounnyn harmys & to haue thyngis espirituel & durable & sumtyme temporel thyngis / Of whiche orisounnys / certis in the orisoun of the paternoster / hath ihesu crist enclosed / most thyngis. [1040] Certis it is pryuyleged / of thre thynges in his dignetee. for whych it is more digne / than ony othir preyere for that ihesu Crist hym self makede it [1041] & it is schort for it schulde be coud the moore lyghtely & for to with-holde it the more esyly in herte & helpyn hym self the moore oftere with the orysoun / [1042] & for a man schulde been the lasse werye to seyn it/ & for a man may not excuse hym to lerne it / it is so schort & so esy / & for it comprehendyth in it self alle goode preyeris / [1043] The expocicioun of this holy preyere that is so excellent & digne: I be-take to these maystris of Theologie / saue thus meche wele I seyn thāt whan thow preyest that god schulde for-3euyn the thynne giltys as thow for-3euyst hem that agyltyn to the / be ful weel war that thow ne be nat out of charyte / [1044] This holy orisoun amenuseth ek venyal synne / & therfore it apartenyth specially to penytence [1—1 'ordinatly—god;' repeated in MS.]

[1045] ¶ This preyere muste been trewely seyd / & in verray feyth & that men preye to god / [1]ordinatly & discretly & deuoutly & alwey a man schal putte his wil to be subiect to the wil of god[1] / [1046] this orysoun muste ek be seyd / with gret humblesse / & ful pure honestee / & not to the anoyaunce of ony man or woman It muste ek be contynued with thynne werkys of charitee [1047] It auaylyth ek a-geyn the vicis / of the soule / For as seyth seynt Ierome by fastynge been sauyd the vi[c]ys of the flesch / & be preyerys the vertu of the soule

[1048] Aftyr this thow schat vndyrstonde that bodyly preyere stant in wakynge / ffor Ihesu Crist seith / wakyth & preyeth that 3e ne entre in wekkede

temptacioun / [1049] 3e schulde vndyrstonde also that fastynge stant in thre thyngis / in forberynge of bodyly mete & drynk / & in forberynge of wordely iolytee / & in forberynge of dedly synne this is to seyne that a man schal kepe hym from dedly synne with al his myght /

[1050] Thow schalt vndyrstonde ek that god ordeynede fastyngis / And to fastynge partenyth iiij thyngis. [1051] largenesse to poore folk. gladnesse of herte espirituel nat to be angry ne a-noyed / ne groche for he fastith. And also rosonable our for to ete be mesour that is for to seyne / a man schal nat ete in on tyme / ne sitte the lengere at his table for he fastyth /

[1052] ¶ Thanne schalt thow vndyrstonde that bodyly peyne stant in disciplyne or techynge be word / or by wrytynge / or in exsaumple / also in werynge of heyrys or of stamyn or of habyrgeouns on here nakede flesch for crystis sake And sweche manere panauncis. [1053] but ware the wel that sweche manere penauncis on thyn flesch ne make the nat ouyr angery or a-noyed of thyn self / for betere is to caste a-wey thyn heyre / than to caste a-wey thyn sekyrnesse of Ihesu crist [1054] And therfore seyth seynt Poule / clothith 3ow as they that been chosyn of god / in herte of myserycorde / debonayrete / sufferaunce & swich manere of clothynge / of whiche ihesu Crist is more a-payed / than of heyrys / or haubergeouns or hauberkys

[1055] ¶ Thanne is disciplyne ek in knokkynge of thyn brest / in scorgynge with 3erdys / in knelyngis in tribulaciouns / [1056] in sufferynge paciently wrongis that been doon to the / & ek in pacient sufferaunce of maledyis or lesynge of wordely catel / or of wif or of child / or othere frendys

[1057] ¶ Thanne schalt thow vndyrstonde whiche thyngis disturben penaunce / & this is in .iiij. manerys / That is dreede. schame. hope & wanhope that is desperacioun [1058] ¶ And for to speke ferst of drede [1]for whech he

wenyth that he may suffere no penaunce [1059] There ageyns is remedye for to thynke that bodyly penau[n]ce is but schort & lytil / at regrard of the peyne of helle. that is so crewel & so long that it lastyth with-outyn ende

[1060] ¶ Now a-geyns the schame that a man hath to schryue hym / & namely these ypocritis / that woldyn been holdyn so parfite / that they han non neede to schryue hem [1061] // A-gayns that schame schulde a man thynke / that be weye of resoun that he that hath not been aschamyd / to doon foule thyngis? certis hym oughte not to been aschamyd to doon fayre thyngis / [. . . . . [1062] . . . . . *no gap in the MS.*] & alle hese werkys to hym may no thyng been hid / ne couered / [1063] Men schulde ek remembre hem / of the schame that is to come at the day of dome / to hem that been nat penytent / & schryuyn in this present lyf / [1064] for alle the creatourys in erthe & in helle / schulyn seen aperly al that they hidyn in this world

[1065] ¶ Now for to speke of hem that been so necligent & slowe to schryue hem / that stant in two manerys / [1066] that on is for that he hopit to leue longe / & for to purche meche rychesse for his delyt & thanne he wolde schryue hym / And as he seyth hym self thanne tymely I-now / to come to schrifte / [1067] A-nothir is of surquiderye / .i.[1] necligent hope that he hath in *cristis* mercy. [1068] A-gayns the ferste vice / he schal thynke that oure lyf is in no sekyrnesse And ek that alle the rychessis in this world / been in auenture & passyn as a schadewe on the wal. [1069] & as seyth seynt Gregorye that it apertenith to the greete ryght-wisnesse of god that neuere schal the peyne stynte of hem that neuere wolde withdrawe hem / from synne here thankis / but ay contynewe in synne / for thilke [. . . . . *no gap in the MS.*] perpetuel peyne. [1070] ¶ Wanhope is in two maneris / the fyrste wanhope is in the mercy of crist / that othyr is / that they

THE CHAUCER SOCIETY'S PUBLICATIONS.

To do honour to Chaucer, and to let the lovers and students of him and his best-approved Manuscripts of his works differ from the printed texts, the Chaucer Society was founded in 1868. There were then, and are still, many questions of Chaucer's pronunciation, orthography, and etymology yet to be settled, for which new Manuscripts were and are wanted; and it is hardly too much to say that every page of Chaucer contains points that need reconsideration. The founder (Mr F. J. Furnivall) began with *The Canterbury Tales*, and has given of them the parallel-text edition of the best Ellesmere-group and Hengwrt Manuscripts known. In the parallel arrangement necessitated the alteration of the places of some of the Tales, a print of each MS has been issued separately, following the order of its original. The first six MSS printed have been: the Ellesmere (by the Earl of Ellesmere); the Hengwrt (by leave of W. W. E. Wynne, Esq.); the Cambridge (Univ. Libr., Mm.4.27); the Corpus, Oxford; the Petworth (by the Duke of Leconfield); and the Lansdowne 851 (Brit. Mus.). The Harleian 7334 (Brit. Mus.) of Chaucer's *Minor Poems*,—the MSS of which are generally later than those of the Canterbury Tales,—all the available MSS have been printed, and will form all the existing evidence for the true text.

The *Notes* from the first MS, and the Twelve Parallel-Text Texts from the first six, are now all in type.

To secure the fidelity and uniform treatment of the texts, Mr F. J. Furnivall has read and will read all with their MSS.

Autotypes of all the best Chaucer MSS either have been or will be published.

The Society's publications are issued in two series, of which the first contains different texts of Chaucer's works, and the Second, such originals of and analogues to those as can be procured, with other illustrative treatises, and Supplementary Tales.

The gode knyght cared sore . sike þere he lay
How his children shuld lyuen after his day 12
He had ben wide where but non husbond he was

Bote of bale god may sende I wote it is not nay
But I beseche 3ou knyghtes for þe loue of me

Than seide Gamelyn þankid be goddes sonde
Now I am lose boþe foote *and* hande
Hadde I now eten *and* dronken a right
Ther is none in this hous shuld bynde ne þis night
Adam toke Gamelyn as stille as eny stoon
And lad hym in to spense raply a-none.
And sette hym to soper right in a priue stede [leaf 57, back]
He badde him do gladly adam so dide
Anon as Gamelyn had eten wel *and* fyne
And þerto I-dronken wel of þe rede wyne
Adam seyde Gamelyn what is now þi rede
Or I go to my brother *and* gird of his hede
Gamelyn seid Adam it shal not be so
I con teche the a rede þat is worth þe two
I wote wel for soþe þat þis is no nay
We shul haue a mangery right on sonday

And I shal leue hem vnloke þat a-way þou may hem cast

And if eche of hem say to vs nay

Thou shalt haue a gode staff I wil haue another
And cristes curs haue þat oon þat falith þat oþir
ȝe for god seide Gamelyn I sey it for me
ȝif I faile on my side euel mote I the

Warne me brother Adam whan we shul be-gynne
Gamelyn saide Adam by seynt charite
I wil warne the by-forne whan it shal be

Whan I wynke on the loke for to goon
And caste a-way thy feders *and* come to me anoon
Adam seyd Gamelyn blessed be þy bones
That is a gode conseil ȝeuen for þe nones
ȝif þey werne me to bryngᵉ þe oute of bondes
I wil sette gode strokes right on her lendes
Tho þe sonday was comen *and* folke to þe feste
ffaire þei were welcomed boþe lest *and* meste

The fals knyght his brothir ful of trecherye [leaf 58]
Alle þe gestes þat þer were at þe mangerye
Of Gamelyn his brothir he told hem with mouthe
Alle þe harme and þe shame þat he telle couthe
Tho þei were I-serued of messes two or thre
Than seide Gamelyn how serue ȝe me
It is noght wel serued by god þat all made
That I sitte fastyngᵉ and oþ*er* men make glade
The fals knyght his brother þer as he stoode
Told alle gestes that Gamelyn was woode
And Gamelyn stoode stille and vnswared noght

Ow seide Gamelyn so broke I my bone
Now I haue spied þat frendes haue I none
Cursed mote he worthī bothī flessh *and* blood

Adam lokithī on Gamelyn *and* he was war anone
And cast a-way þe feters *and* by-gan to gone
Tho he come to Adam he toke þe on stafe
And by-gan to worche *and* good strokes ȝafe
Gamelyn come in to the halle *and* þe spencer boþe [fr 58, bk]
And lokid hem a-boute as þei hadde be wroþe
Gamelyn spreynyþ holiwat*er* with a Oken spire
That some þat stood vp right fel in the fire
Ther was no lewed man þat in þe halle stode
That wolde do Gamelyn ony þing^{e} but gode
But stoden bisiden and leten hem boþe wirche
ffor þei hadde no rewth of^{e} men of^{e} holy chirche
Abbot or priour monk^{e} or chanoun
That Gamelyn ouertoke anoon þei ȝeden doun
Ther was noon of^{e} alle þat with his staff mette
That he made hem ouerthrow *and* quitte hem his dette
Gamelyn seide Adam for seint^{e} Charite
Paye gode lyueray for þe loue of^{e} me
And I wil kepe the dore so euere here I masse

But breke bothe her leggis and sithen her armes

Thus Gamelyn and Adam wrought' right fast
And playde with the monkes and made hem agast
Thider þei come ryding iolily with swaynes
And home aʒen þei weren lad in cartes and in waynes 52
Tho þei hadden alle don þanne seide a gray frere
Alas sir Abbot what dide we now heere

The porter hadde biholde hem a litel while

The Other sette feet on erþe and bigan to flee

The Early English Text Society was started by Mr Furnivall in 1864 for the purpose of bringing the mass of Old English literature within the reach of the ordinary student, and of wiping away the reproach under which England had long rested, of having felt little interest in the monuments of her early life and language.

The E. E. T. Soc. designs to print in its Original Series the whole of our unprinted MS. treasures; and in its Extra Series to reprint in convenient editions all that is most valuable of printed MSS and early printed books.

The Society has issued to its subscribers 110 Texts, most of them of great interest; so much so indeed that the publications of six and two years were taken together, and three for its third year, 1865, will follow.

The Subscription is £1 1s. a year [and £1 1s. (Large Paper, £2 12s. 6d.) additional for the Extra Series], due in advance on the 1st of January, and should be paid either to the Society's Account at the Head Office of the Union Bank of London, Prince Street, E.C., or by Money Order (made payable at the Chief Office, London) to the Hon. Secretary, Mr W. A. Daniel, 67, Victoria Road, Finsbury Park, London, N.

The Ballad Society

was established by Mr Furnivall, as the completion of the great collection of Ballads, the Roxburghe Ballads, &c., and to print Ballads from MSS. and Ballad-Broadsides. The Ballad Society aims to print, in the best way, some of the Early English Text Society, and the Percy Folio, that are not suited for the Chaucer Society, and also to edit special texts for the Philological students of the Universities, and also to supply original texts for the Shakspere Society, which cannot find publishers for them, as they will not pay. The subscription for the Society's books is one guinea per annum, payable in advance. The subscription for the Society's books are not to be sold to non-members, and cannot be had except by subscription.

Many Members and Local Secretaries are wanted.

Subscriptions should be sent either to the account of the Ballad Society, at Messrs Barclay, Bevan, Tritton, & Co.'s Bankers, 54 Lombard Street, London, E.C., or (by Post Office Order) at the Chief Office, E.C., to the Hon. Secretary—

W. A. BALLEY, Esq.,
